Romans A Commentary:

Romans Martin H. Franzmann, 1968 Gives a contemporary through understanding of the historical and theological setting of Romans **Commentary on Romans** Ernst Kasemann, 1994 Emphasizing theological rather than historical questions Kasemann divides Romans into sections according to what he sees as the key theological concept of the letter the righteousness of God Detailed bibliographies are provided for each section of the text **Romans: A Commentary** Beverly Roberts Gaventa, 2024-06-25 Romans A Commentary offers a fresh account of Paul's Letter to the Romans attending to the dynamic character of the event of Jesus Christ as Paul presents it in this overture to his planned visit to Rome Gaventa touches on vital concerns including the Jewishness of Paul apocalypse the cosmic horizon of the gospel and the role of women in emerging Roman Christianity **The Epistle to the Romans** Douglas J. Moo, 1996-09-30 Paul's letter to the Romans has been called the quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In The Epistle to the Romans respected New Testament scholar Douglas Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle *The Letter of Paul to the Romans* Frederick Fyvie Bruce, 1985 F F Bruce's study on Romans is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities *Romans* Robert H. Mounce, 1995 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **Commentary on the Epistle to the Romans, Books 1-5** Origen, 2001 Origen of Alexandria's Commentary on the Epistle to the Romans is the oldest extant commentary on Romans ca 246 This volume presents the first English translation of the Commentary covering his exegesis of Rom 1:1 to 6:11 One of his longest and most mature works it is the only commentary of Origen available in a coherent form from beginning to end The work was originally composed in Greek in Caesarea but only fragments of the archetype have survived Fortunately Origen's admirer Rufinus of Aquileia translated the work into Latin ca 406 Origen's exegesis predates the controversy between Augustine and Pelagius by 170 years thus it offers a striking perspective on Romans Opposition to Gnostic interpretations of Paul is an important characteristic of the Commentary Above all Origen

defends the Church against the doctrine of natures the belief that all human beings are born with unalterable natures either good or evil and thus bound for either salvation or damnation and that their conduct during this life cannot alter their destiny Origen successfully refutes this teaching showing that freedom of will always abides in rational beings BOOK JACKET

Romans Andrew B. Spurgeon, 2020-05-31 In a world torn by racial social economic political and gender tensions the message of Romans is deeply relevant and needed It is a message both powerful and simple Christ loved us while we were enemies of God Can we then not follow his example and love those who are different than us Romans will prepare us to do so The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible *The Epistle to the Romans* Richard N. Longenecker, 2016-01-18 This highly anticipated commentary on the Greek text of Romans by veteran New Testament scholar Richard Longenecker provides solid scholarship and innovative solutions to long standing interpretive problems Critical exegetical and constructive yet pastoral in its application Longenecker's monumental work on Romans sets a course for the future that will promote a better understanding of this most famous of Paul's letters and a more relevant contextualization of its message A Shorter Commentary on Romans Karl

Barth, 2012-08-01 About the Contributor's Karl Barth 1886 1968 the Swiss Reformed professor and pastor was once described by Pope Pius XII as the most important theologian since Thomas Aquinas As principal author of The Barmen Declaration he was the intellectual leader of the German Confessing Church the Protestant group that resisted the Third Reich Barth's teaching career spanned nearly five decades Removed from his post at Bonn by the Nazis in late 1934 Barth moved to Basel where he taught until 1962 Among Barth's many books sermons and essays are *The Epistle to the Romans* *Humanity of God* *Evangelical Theology* and *Church Dogmatics* **Paul's Letter to the Romans** Arland J.

Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce

Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain **Romans** David E. Garland, 2021-10-19 Romans has been described as the theological epistle par excellence Paul emphasizes that salvation is by God's grace alone and that freedom hope and the gift of righteousness are secured through Christ's death and resurrection In this Tyndale Commentary David Garland offers clear guidance along the rewarding though sometimes difficult paths of this great letter **A Commentary on the Epistle to the Romans** Moses Stuart, 1862 **Romans- Everyman's Bible Commentary** Alan Johnson, 2000-04-01 The book of Romans is one of the best loved books in the entire Bible Paul's explanation of the doctrine of justification by faith is rooted deep within the hearts of most Christians Further the acknowledgment that we are not under law but under grace has given Christians freedom from the bondage of legalism for centuries However Romans is a complex book filled with difficult theology To make this revolutionary book more accessible to the common man Alan Johnson has written Everyman's Bible Commentary on Romans The original two volumes are now combined into one complete volume The commentary is also updated expanded and revised The easy style and careful presentation make this an excellent commentary for laymen and pastors alike Study Paul's discussion of the believer's new life in Christ with their release from sin and death and the faithfulness of God Be encouraged and strengthened with a more in depth understanding of your position before Christ with this commentary on Romans **Reading Romans** Luke Timothy Johnson, 2001 Paul wrote this letter to the Roman Christians to win their financial support for a new stage in his mission How could an Apostle unknown by sight to the Roman believers recommend himself except by sharing his understanding of how God was at work through the Good News that Paul proclaimed to Jews and Gentiles Romans starts with a practical goal and becomes a theological masterpiece of great historical importance and of enduring significance to all believers in the One God The fresh reading of Romans by a Catholic scholar pays close attention to Paul's theological argument as it unfolds The commentary includes several distinctive features Johnson shows how Paul understands righteousness by faith as the faith of the human person Jesus how salvation means inclusion in God's people and how the work of the Holy Spirit transforms human consciousness so that believers can share with each other the faith and the love shown them by Jesus from back cover **Romans** F. F. Bruce, 2014-06-10 While Romans has been among the most influential books of the New Testament it has also been the subject of some of the church's most heated debates In the concise and informative style that has become the hallmark of the Tyndale Commentaries F F Bruce guides us along the difficult but rewarding paths of this great letter **Romans** C. E. B. Cranfield, 2002-01-01 This is an abridged version of Cranfield's magisterial 3 volume commentary on Romans for the International Critical Commentary series This shorter version preserves the same standard of scholarship as the ICC however the technical notes and foreign language material have been removed making it accessible to students of all levels **Romans** Gareth Reese, 2021-09-15 This is a phrase by phrase commentary and exposition of the New Testament book of Romans This commentary is used as a

college textbook yet is suitable for lay church members Romans was written by Paul during the same time period as 1 Corinthians Galatians and 2 Corinthians Though Paul had not yet visited the Roman churches to which this epistle is addressed he still deals with profound topics requiring deep critical thought From start to finish in Romans Paul's goal is nothing less than the shaping and molding of our world views With deftness and sureness Paul covers such topics as the result of Adam's sin on the rest of God's creation God's providence the predestination of men and things the Jews place in God's administration of history and the matter of how God saves individual people Throughout Paul relentlessly seeks to help us think God's thoughts after Him Romans 1:16-17 is the epistle's theme statement that the gospel reveals God's way of saving man a way that has always been conditioned on faithfulness Paul also presses the exclusive claims of Christianity that God's way of saving man is found in the gospel and only in the gospel There is simply no other Name or Way by which people can be saved only through Christ Jesus can we have right standing in God's sight No book or section of Scripture has been more important in the church's history and in the lives of some of its most notable leaders than Romans Over the centuries this epistle has been used by God to change men and nations based on the gospel's revolutionary message that The righteous shall live by faith Romans contains many difficult doctrines A series of Special Studies gives focused attention to topics such as the Call and Grace offered in the gospel God's providence sin sanctification the eternal security offered to believers predestination and faith opinion and love Since this commentary presumes the God inspired nature of all Biblical writing the author seeks to harmonize the teachings of Romans with other relevant Scriptures and frequently examines the original language in which the epistle was written An annotated bibliography is included to encourage readers to extend their own studies This commentary continues the author's series on the books of the New Testament Written from the unique standpoint of the Restoration Movement he can approach Scripture with no special theological doctrine or dogma to defend and explicate This provides an unhindered freedom to listen to what the Holy Spirit would tell us within the pages of Scripture By deliberately employing the grammatico historical method of interpretation God's Word is allowed to impress upon us the intent the Divine Author had in mind The author is Professor Emeritus of the New Testament at Central Christian College of the Bible Moberly MO
