The Meaning of "works of the Law" in Galatians and Romans Robert Keith Rapa, 2001 Paul's orientation toward the Law of Moses and the Judaism of his day and the resulting impact upon his theological thought have remained perplexing issues in New Testament and specialized Pauline studies This book examines the meaning of Paul's expression works of the law in Galatians and Romans as a means toward resolution of

these difficult areas Robert Keith Rapa suggests that rightly apprehending Paul's perspective on work his use of rhetorical and epistolographical communication mechanisms and his concept of the place of the Law in the redemptive program of God leads to a coherent consistent understanding of Paul's polemical argumentation and his approach to the Law of Moses This understanding will in turn lend clarity to our interpretation of these epistles which are key for grasping Paul's theology

Understanding Romans & Galatians: A Fresh Look at the Two Most Misunderstood & Abused Epistles of Paul Pj Hanley, 2019-03-20 The New Testament epistles of Paul have been used for centuries to teach everything under the sun from legalism to grace freedom from sin to licentiousness love of Christ to hatred of the Law and everything Jewish even anti-Semitism Indeed wherever there is controversy in the church you will find Romans and Galatians used to debate each position Today however they are generally and broadly used to promote freedom and license and an extreme view of grace even tolerance The early centuries of Christianity muddled the waters in this regard and superimposed a lens on these sacred texts that is still confusing God's people today This book presents a fresh look with the lens removed Get ready to have your eyes opened to the truth about law and grace and the marvelous freedom of the children of promise

Letters to the Romans and Galatians William Angor Anderson, 2012 Rev Anderson writes that each of Paul's letters addresses particular issues and arguments within the community to whom he was writing Although he

never preached in Rome yet converted many in Galatia he had much of the same message in both letters The primary issue that is addressed by Paul in his letters is how to assimilate the Old and New covenants the communities as a mixture of Jews and Gentiles were beginning to live their Christian faith together As their traditions and newfound teachings would clash arguments would arise Paul s letters were written with love and concern for the communities to which he sent them And as these conflicts would arise his letters helped these communities to work through divisions and act lovingly towards one another
