Porter,2013-12-14 The Pauline letters continue to provoke scholarly discussion This volume includes papers that raise a variety of questions regarding the canon of the Pauline writings Some of the essays are more narrowly focused in their intent sometimes concentrating upon a single dimension related to the Pauline canon and sometimes upon even a single letter Others of the essays are more broadly conceived and deal with how one assesses or accounts for the process that resulted in the letters as a collection rather than analyzing individual letters There are also mediating positions that attempt to overcome the disjunction between authenticity and inauthenticity by exploring the complex notion of interpolation **Giver of Truth Biblical Commentary-Vol 3** God's Servant,2015-10-30 God s servant offers you convenient commentary books which are practical concise and relevant The Giver of Truth Biblical Commentary books are intellectually stimulating and include all that expensive multivolume commentaries have to offer The Giver of Truth Biblical Commentary books present each book of the Bible chapter by chapter with consideration of the King James Bible as the standard and credit given to references within the text which allows you to examine your Bible within its historical background and customs The Giver of Truth Biblical Commentary illuminates the Bible within its time and place which affords doctrinal penetrating insight into the practical application of truth for everyday living God s servant former entrepreneur and educator has devoted years of study to religious theology after completing graduate degrees from community college business college state college state university Christian college Seminary Studies and Christian Growth Plans God s servant has written monographs for various churches planned seminary classes taught Bible classes and serviced in the Church for years and now writes in an easy to read manner for those who want to complement their religious conscience with a solid foundation of Christianity which offers a real relationship with God **Aquinas on Israel and the Church** Matthew A Tapie,2015-02-26 Theologians have long debated the significance of the Jewish religion for the Christian Church Some scholars see Thomas Aquinas as the leading advocate of the belief that Israel has been superceded by the Church while others hold that Aquinas avoids supersessionism altogether The discussion has however not always analysed the terminology nor has it taken into account some of Aquinas s commentaries on Paul s letters his writings most relevant to the subject Drawing upon the Pauline commentaries Matthew Tapie shows that while Aquinas s most commonly articulated view is that the passion of Christ made Jewish worship and the Mosaic law obsolete Aquinas also advanced views that set this into question in ways that support Christianteachings affirming the value of post biblical Judaism In doing so he provides both a rich and timely reminder of the ambiguities in Aquinas s thought and makes an important contribution to the literature of supersessionism James (ICC) Dale C. Allison, Jr.,2013-05-09 For over 100 years the International Critical Commentary has had a special place amongst works on the Bible

This new volume on James brings together all the relevant aids to exegesis linguistic textual archaeological historical literary and theological to enable the scholar to have a complete knowledge and understanding of this old testament book Allison incorporates new evidence available in the field and applies new methods of studies No uniform theological or critical approach to the text is taken Habakkuk J. Alexander Rutherford,2019-12-20 It is all too common to find commentaries that miss the forest for the trees commentaries that get so caught up in the minutiae of scholarly controversies that they miss what God is saying for His church today This is especially evident when it comes to the book of Habakkuk The Teleioteti Old Testament Commentaries series is an attempt to attain theological depth to pay attention to the forest without neglecting the details of the text without missing the trees To do this a Teleioteti Old Testament Commentary seeks to bring scholarly rigour and thoughtfulness together with faithful attention to the purpose and significance of each book for God's people today It strikes a balance between technicality working through the Hebrew text and its difficulties and practicality applying each major section of the text to contemporary needs Habakkuk is a book that especially needs such an approach After an extensive introduction discussing the significant issues and laying the groundwork for interpreting Habakkuk this commentary walks through the text stanza by stanza and line by line With a balance of theological reflection and exegetical depth a wide variety of readers will find something to take away Habakkuk is a book of discipleship a book written to bring its reader to a deeper faith in Yahweh in the presence of His unthinkable deeds In the midst of oppressive evil at the hands of their Judahite brothers the righteous of Judah cry out to God for salvation His response is the invasion of fearsome Chaldea What appears to be horrid judgment is actually His plan to save those who trust in Him All His people are called to extraordinary faith to believe Him when His deeds are unbelievable In this way and only this way will they be delivered from their oppressors and enjoy God's blessings only by faith can they have life The Strategic Grasp Of The Bible J. Sidlow Baxter,2017-01-10 Within the compass of this substantial volume a major study work Dr J Sidlow Baxter points out the marvel of the structural design of the Scriptures First examining the architecture of the Bible he suggests the basic approach to and expectation of what is to be gained by the study of Scriptures He then makes clear how a certain fitness for delineating the spiritual truths of the Bible may be acquired and so he leads the reader to understand the structure of the Bible as a whole In the second part of his book Dr Baxter points to the two dispensations defined in John 1:17 and offers stimulating comparisons between the Old and New Testaments Further chapters lead toward a clear understanding of the Kingdom of Heaven the Church and the entire New Testament Included in the text are useful outlines and tables to summarize key factors figures pronouncements and turning points which have pivotal or crucial significance in the total message of the Bible The Army of One Jon Cody,2025-02-14 United together under one God Christians from all walks of life must learn what it means to be followers of Christ With so many denominations and interpretations of God's teachings much of what it means to be a Christian has been lost leaving many with a false sense of salvation or purpose Membership in
