Romans: The reign of grace, Romans 5:no. 1-8:39 James Montgomery Boice,1992-02 Belief in justification by faith is a cherished promise of the Epistle to the Romans but Boice alerts Christians that they should feel secure in their justification only if they grow in righteousness and in victory over sin Features verse by verse exposition and individual Pauline teachings

The Gospel of God David R. Wallace,2008-09-01 When Paul pens his letter to the Roman believers he writes as a missionary to strengthen a church at the center of imperial power choosing language that is familiar to his recipients Paul responds not only to the influence of Judaism but also to the wider culture by contrasting prominent Roman values David Wallace argues that Paul's gospel in Romans rejects and countervails the significant themes of Virgil's Aeneid the most well known prophetic source that both proclaimed Roman ideology and assured Roman salvation After demonstrating that a close but nonauthoritarian relationship existed between Augustus and Virgil Wallace examines relevant literary aspects symbolism and key imagery of Virgil's epic A discussion of Paul's contraliterary approach follows drawing out possible parallels and echoes in Romans against the universal message of the Aeneid *Paul and the Gift* John M. G. Barclay,2017-09-11 John Barclay explores Pauline theology anew from the perspective of grace Arguing that Paul's theology of grace is best approached in light of ancient notions of gift Barclay describes Paul's relationship to Judaism in a fresh way Barclay focuses on divine gift giving which for Paul he says is focused and fulfilled in the gift of Christ He both offers a new appraisal of Paul's theology of the Christ event as gift as it comes to expression in Galatians and Romans and presents a nuanced and detailed consideration of the history of reception of Paul including Augustine Luther Calvin and Barth *Romans* James Montgomery Boice,2005-09-01 The Boice Commentary series combines careful scholarship and clear communication in a verse by verse and section by section reading of various biblical texts Combining thoughtful interpretation with contemporary insight for daily living James Montgomery Boice explains the meaning of the text and relates the text's concerns to the church Christianity and the world in which we live Whether used for devotions preaching or teaching this authoritative and thought provoking series will appeal to a wide range of readers from serious Bible students to interested laypersons Christianity has been the most powerful transforming force in human history says Boice And the book of Romans is the most basic most comprehensive statement of true Christianity This second volume in the Romans collection discusses the full meaning of salvation the problem of suffering the ongoing struggles with sin and the sustaining love God pours out on his people

Romans Edwin M. Dawkins,2003 If One Uses It Lawfully Matthew E. Ferris,2018-05-16 Are the Ten Commandments the standard for Christian living There are many viewpoints on the place of the Mosaic Law today Some affirm that while we are not saved through keeping the law it remains our standard for living a pattern to be followed Others say we are free from the law This brief examination of the law affirms all of God's revelation as Christian Scripture but acknowledges covenantal differences in God's dealings with believers The progress of salvation history and our identification with Christ has altered

our relationship to the Mosaic Law Using the Law lawfully requires us to recognize the way in which the New Testament and chiefly the Apostle Paul treats the law Paul presents the believer as having died to the law and serving now in the new way of the Spirit a way that does not depend on the Mosaic law The pattern for the New Testament believer remains Jesus himself While keeping all of God s law he went beyond its requirement to demonstrate a love for sinners that the law did not know

Paul and the Imperial Authorities at Thessalonica and Rome James R. Harrison,2011 James R Harrison investigates the collision between Paul s eschatological gospel and the Julio Claudian conception of rule The ruler s propaganda with its claim about the eternal rule of the imperial house over its subjects embodied in idolatry of power that conflicted with Paul s proclamation of the reign of the risen Son of God over his world This ideological conflict is examined in 1 and 2 Thessalonians and in Romans exploring how Paul s eschatology intersected with the imperial cult in the Greek East and in the Latin West A wide selection of evidence literary documentary numismatic iconographic archeological unveils the symbolic universe of the Julio Claudian rulers This construction of social and cosmic reality stood at odds with the eschatological denouement of world history which in Paul s view culminated in the arrival of God s new creation upon Christ s return as Lord of all Paul exalted the Body of Christ over Nero s body of state transferring to the risen and ascended Jesus many of the ruler s titles and to the Body of Christ many of the ruler s functions Thus for Paul Christ s reign challenged the values of Roman society and transformed its hierarchical social relations through the Spirit
