Waiting for Pushkin Alessandra Tosi, 2006-01-01

Waiting for Pushkin provides the only modern history of Russian fiction in the early nineteenth century to appear in over thirty years. Prose fiction has a more prominent position in the literature of Russia than in that of any other great country. Although nineteenth century fiction in particular occupies a privileged place in Russian and world literature alike, the early stages of this development have so far been overlooked. By combining a broad historical survey with close textual analysis, the book provides a unique overview of a key phase in Russian literary history. Drawing on a wide range of sources, including rare editions and literary journals, Alessandra Tosi reconstructs the literary activities occurring at the time, introduces neglected but fascinating narratives, many of which have never been studied before, and demonstrates the long-term influence of this body of works on the ensuing golden age of the Russian novel. *Waiting for Pushkin* provides an indispensable source for scholars and students of nineteenth-century Russian fiction. The volume is also relevant to those interested in women's writing, comparative studies, and Russian literature in general.
