to analyse surrealist or surrealist influenced prose by Alejo Carpentier Leonora Carrington and Gellu Naum respectively representing postcolonial feminist and Balkan locutions The Coll ge and Bataille s dissident surrealism diverges significantly from the concerns and approach towards the subject explored by surrealism Using the concept of ekstasis to organise Bataille s theoretical ideas of excess and inner experience and the Coll ge s thoughts on the sacred it is possible to propose a new way of reading types of International surrealist literature many of which do not come to the forefront of the surrealist literary oeuvre
