## Romantic Flags Of Texas:

*The Romantic Flags of Texas, Etc. [With Illustrations.]*. Mamie Wynne COX, 1936      The Romantic Flags of Texas Mamie Wynne Cox, 1936      Texas and Her Fifty-Nine Flags Lawrence Drake Williams, Jr., 2023-06-13 Texans are fiercely proud of their Lone Star flag It has flown from foxholes been displayed at military bases around the world and even been to space Most Americans don't even know that the state has had a grand total of fifty nine different flags over the course of its great history Texas and Her Fifty Nine Flags explores the standards for a different approach to a history of Texas Throughout each chapter the author provides a story taken from history texts research and anecdotes collected during his teaching and travels which took fifteen years This unique history of Texas will captivate the reader from the first Spanish flag through revolutions and pirates to the Bonnie Blue Flag of the Civil War      **Flags of Texas** Charles E. Gilbert, Jr., 1998 The tumultuous history of Texas is told through the flags that have flown over the state since the days of the first explorers Carefully researched full color illustrations bring to life more than thirty flags from Texas history including the stately banners of France and Spain the dramatic and colorful pennants of the Texans seeking independence and the famous Lone Star flag BOOK COVER      *Texas flags* ,      **Women and the Texas Revolution** Mary L. Scheer, 2012 Historically wars and revolutions have offered politically and socially disadvantaged people the opportunity to contribute to the nation or cause in exchange for future expanded rights Although shorter than most conflicts the Texas Revolution nonetheless profoundly affected not only the leaders and armies but the survivors especially women who endured those tumultuous events and whose lives were altered by the accompanying political social and economic changes      **Journal of the United States Artillery** , 1937      *Texian Iliad* Stephen L. Hardin, 2010-12-09 The first complete history of the nineteenth century revolt drawing on original Texan and Mexican sources and on site inspections of almost every battlefield Hardly were the last shots fired at the Alamo before the Texas Revolution entered the realm of myth and controversy French visitor Frederic Gaillardet called it a Texian Iliad in 1839 while American Theodore Sedgwick pronounced the war and its resulting legends almost burlesque In this highly readable history Stephen L Hardin discovers more than a little truth in both of those views Drawing on many original Texan and Mexican sources and on site inspections of almost every battlefield he offers the first complete military history of the Revolution From the war's opening in the Come and Take It incident at Gonzales to the capture of General Santa Anna at San Jacinto Hardin clearly describes the strategy and tactics of each side His research yields new knowledge of the actions of famous Texan and Mexican leaders as well as fascinating descriptions of battle and camp life from the ordinary soldier's point of view This award winning book belongs on the bookshelf of everyone interested in Texas or military history Winner T R Fehrenbach Book Award Texas Historical Commission Summerfield G Roberts Award Sons of the Republic of Texas Honorable Mention Certificate of Commendation American Association for State and Local History In *Texian Iliad* you smell the smoke of battle Texas Monthly Hardin has succeeded admirably in writing a balanced military history of the revolution

making an important contribution to the extensive body of work on the struggle that eventually led to Texas becoming part of the United States Austin American Statesman I look forward to consulting this book for the rest of my career David J Weber Robert and Nancy Dedman Professor of History Southern Methodist University **A Time to Stand** Walter Lord, 2012-03-06 The 1 New York Times bestselling author of The Miracle of Dunkirk tells the story of the Texans who fought Santa Anna's troops at the Battle of the Alamo Looking out over the walls of the whitewashed Alamo sweltering in the intense sun of a February heat wave Colonel William Travis knew his small garrison had little chance of holding back the Mexican army Even after a call for reinforcements brought dozens of Texans determined to fight for their fledgling republic the cause remained hopeless Gunpowder was scarce food was running out and the compound was too large to easily defend with less than two hundred soldiers Still given the choice only one man opted to surrender The rest resolved to fight and die After thirteen days the Mexicans charged and the Texans were slaughtered In exquisite detail Walter Lord recreates the fight to uphold the Texan flag He sheds light not just on frontier celebrities like Jim Bowie and Davy Crockett but on the ordinary soldiers who died alongside them Though the fight ended two centuries ago the men of the Alamo will never be forgotten **David G. Burnet** Mary Whatley Clarke, 1969 **Lone Star Marine** Col. Roger Willcock U.S.M.R., 2016-03-28 A fascinating biography of veteran Marine Corps officer Colonel John W Thomason dedicated soldier and talented artist On a spring morning in 1917 in fact the very day the United States declared war on Germany a twenty four year old Texan strode into the recruiting office of the Marine Corps branch of the Texas Naval Militia at Houston and let it be known somewhat emphatically to authority there present that he desired to enlist They assigned him to Company A 1st Texas Battalion of Marines and the same day they packed him off on the first train through town bound for New Orleans Within a month's time he was appointed a Second Lieutenant in the United States Marine Corps and for the ensuing twenty seven years he was to devote his life to that branch of the naval service During those years he served within the continental limits of the United States in France and Germany aboard ship and ashore in the Caribbean in Cuba in certain of the Central American Republics in the Orient and briefly in the South Pacific This newly commissioned young officer John William Thomason Jr of Huntsville Texas brought with him into the Marine Corps a variety of skills and talents Throughout his service career he was to continue to employ his unusual abilities and to develop them and to contribute materially not only to the betterment of his Corps but also to his fellow comrades He was unique in a service where uniqueness is not unknown but rather wherein individuality is encouraged for the common good His record in combat as well as in the administrative field was outstanding in a military organization long known to demand perfection as a matter of course And at his death in 1944 it would appear he left the artistic the literary and the military worlds far wealthier than he had found them *The Cattleman*, 1954 **Catalog of Copyright Entries. New Series** Library of Congress. Copyright Office, 1936 **Catalogue of Copyright Entries** Library of Congress. Copyright Office, 1937 Catalogue of Genealogical and Historical Works Daughters of the American Revolution. Library, 1940

*Galveston in Nineteen Hundred* Clarence Ousley,1900      *Congressional Record* United States. Congress,1965 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **Year Book of the American Clan Gregor Society** American Clan Gregor Society,1955      **The Publishers Weekly** ,1914      **Daughters of the American Revolution Magazine** ,1916
