The book opens with the seismic effect of Napoleon on the German ancien régime. Napoleon's modernizing hegemony is shown to have led to the gradual emergence of a civil society based on the liberal bourgeoisie. Nipperdey examines the fate of this society from the revolutions of 1848/49 through the rise of Bismarck. Into this story he weaves insights concerning family life, working conditions, agriculture, industrialization, and demography, as well as religion, learning, and the arts. A Rock Star Romance Box Set Erika Kelly, Take Blue Fire's journey with them as they go from hot college band to world famous rock stars. Book 1: You Really Got Me. As a sizzling hot lead singer, Slater Vaughn has no trouble raising heart rates, but his band's been flat lining for years. When Emmie, his bandmate's sister, crashes with them in exchange for some free management, her industry know-how lands them a spot in the biggest music festival in Texas. But it isn't just her business acumen that catches Slater's attention. Emmie is sexy and warm, and for the first time in his life, he wants more. But as irresistible as Slater is, Emmie is done with musicians. In her experience, a man can't be a rock star and someone to trust with your heart, but Slater is determined to show her he's both. Book 2: I Want You To Want Me. A slow burn, enemies-to-lovers rock star romance about two people who're bad at love but want to be good for each other. Even more than wanting to be a rock star, Derek Valencia wants respect in the music industry. But right when his band hits the big time, the guys spiral out of control, and the record label threatens to pull its support. So when their manager hires a minder to keep them in line, Derek's pride takes a hit. Still, he can't refuse the help, not when he's this close to getting everything he's worked so hard for. And he can't help the blazing attraction for the babysitter he's so intent on disliking. Book 3: Take Me Home Tonight. A slow burn, friends-to-lovers rock star romance about a passionate woman who brings a wounded musician back to life. Calix Bourbon might seem like a free spirit, but that's all a front. In reality, he's just trying to keep his fractured family together while working as a session musician. When Blue Fire hires him to replace their keyboardist, Calix is determined to make the most of the opportunity, but he can't help being distracted by the band's sexy personal chef. Book 4: More Than A Feeling. A second chance, small town rock star romance bursting with off-the-charts chemistry and heat. Absolutely loved it! I finished this book last night, but I'm still smiling this morning. It's that good. Now that he's a rock star, Cooper Hood can't think of a single reason to ever go back to the town that painted him with the same brush as his addict mother. But right in the middle of his band's national tour, he gets a call to come home: his mom's got a whopper of a secret to reveal. Daisy Charbonneau never thought she'd see her high school crush again. Especially after his band hit the big time. But when the talent she hired for her resort's annual Huckleberry Festival bails on her, she's desperate to find a
