Barry Cunliffe,1995 A detailed study of the dramatic developments that took place during the first millenium BC During this time Europe underwent rapid changes dominated by the emergence of Rome as a mega state Britain on the periphery of these revolutions witnessed its own particular social and economic transformations The Bronze Age cycle of subsistence farming came to an end leading to a more complex society that altered very little until the 16th century *Iron Age Britain* Barry W. Cunliffe,2004 This completely revised and redesigned edition of Professor Barry Cunliffe s authoritative introduction to Britain in the first millennium BC is the definitive text on the subject Filled with color illustrations it includes all the latest discoveries about this still controversial era In Europe dramatic changes ultimately led to the emergence of Rome as a megastate on the extremity of those developments England underwent its own profound social and economic transformations as the prehistoric Neolithic and Bronze ages gave way to a new world It s an epic tale of revolution one not repeated again until centuries later *Iron Age Communities in Britain* Barry W. Cunliffe,2005 Since its first publication in 1971 Barry Cunliffe s monumental survey has established itself as a classic of British archaeology This fully revised fourth edition maintains the qualities of the earlier editions whilst taking into account the significant developments that have moulded the discipline in recent years Barry Cunliffe here incorporates new theoretical approaches technological advances and a range of new sites and finds ensuring that *Iron Age Communities in Britain* remains the definitive guide to the subject
