Cheering for Self James S. Vass Jr, James Vass Jr, 2003-05-13 This book is a study of UW men's basketball fans during the 2001-2002 season and explores their proclivity to cheering for self during basketball events. The term basketball event is used rather than basketball game to make clear that everything connected to and seen, heard or experienced before, during and after a basketball game is included. The actual game itself is only part of the basketball event. An undercurrent runs throughout this participant observation mini ethnography dealing with access and the relative quality of that access to basketball events being affected by one's age, class, race and gender. The prominent role of advertising in shaping basketball events and helping to construct fans as consumers of products both commercial and institutional during the process of cheering for self is central to this idea. Cheering for self is the activity engaged in by individual fans after they find things to identify or connect with through personal investment. Fans cheer for self indirectly. Fans cheer for the team that they identify with. Through the process of cheering for self while attending the basketball event, people are taught how to become fans, to consume a UW product, the basketball event and to consume advertisers' products. People have a tendency to spend their entire life trying to impress others.

source into President Reagan's profound belief in God, freedom, individualism, limited government, and his great love for his country. Ronald Wilson Reagan, the fortieth president of the United States, was also one of America's greatest orators. Known as The Great Communicator, he shared his vision of the greatness of America while guiding the nation to an unprecedented prosperity and renewed vigor. When President Reagan assumed the presidency in 1981, America's economy ebbed with 12 percent inflation and 8 million unemployed. Reagan's predecessor spoke of a national malaise. Abroad, America's adversary, the Soviet Union, was expanding its influence. The Soviet Union's nuclear weapons capability surpassed that of the United States, and previous nuclear arms treaties were failures. President Reagan's goals were simple: To reduce the size of the federal government, lower taxes, stabilize the economy, restore the belief of the American people in their government, win the Cold War. When President Reagan left office in 1989, these goals had been achieved. Americans were enjoying the longest uninterrupted span of prosperity in the nation's history. After a massive military build-up, the largest in peacetime, President Reagan had negotiated a nuclear arms treaty that greatly reduced the threat of nuclear war. By expanding the military, he achieved peace through strength and set the stage for the demise of the Soviet Union. From the time he arrived on the political scene in 1964 throughout his presidency and beyond, Ronald Reagan used his speeches to inspire and reinvigorate America. When he spoke, Reagan said he was preaching a sermon. The American people saw his vision of America and his dreams for the future, and they overwhelmingly responded. He was re-elected in 1984 by the largest number of electoral votes in the nation's history. In this collection of twenty-eight speeches spanning the Reagan era, with an Introduction from his son, Michael Reagan, you may read for yourself his inspirational sermons. From his first speech in the political arena in 1964 to his Last Letter to America, informing Americans of his Alzheimer's disease, Ronald Reagan's words show a profound belief in God, freedom, individualism, limited government, and his great love for his country.
