**Reagan: What Was He Really Like? Volume II** Curtis Patrick,2013-03-01 Behind the scenes anecdotes and first person recollections from forty nine diverse people illuminate their personal relationships with Ronald Reagan What was Ronald Reagan like in private How did he treat his children How did he handle pressure This collection of intimate remembrances of the late President s staffers colleagues and friends sheds new light on the life and career of the immortal Gipper See how Reagan used humor to disarm his most ardent critics and tenacious opponents Marvel at his gift for persuading difficult almost impossible to deal with legislators Learn the untold story behind the secret plan hatched by former Air Force Secretary Thomas C Reed and a handful of dedicated insiders to launch Reagan s first campaign for president of the United States in 1968 Many of author Curtis Patrick s interview subjects were members of Reagan s original 1966 campaign for governor of California Some came aboard soon after the election and were appointed to fill key positions in the governor s cabinet and to head up state agencies and departments For the most part except in a few cases these interviewees had never been recorded or published before Curtis I not only like your book I love it Edwin Meese III former US attorney general

**Hardcore Punk in the Age of Reagan** Robert Fitzgerald,2025-05-07 Few politicians produced the musical reaction that Ronald Reagan did His California branded conservatism inspired countless young people to pick up guitars and thrash out their political angst Punk bands across the United States took aim at the man his presidency and the idea of America he was selling to voters nationwide Small yet vibrant scenes across the country emerged to challenge the communal norms and social values projected on them by the popular media and consumer culture Punk enthusiast Robert Fitzgerald argues that these songs lyrics aren t just catchy and fun to scream along with they also reveal the thoughts and feelings of artists reacting to their political environment in real forthright and uncensored time In candid detail Fitzgerald shows how these lyrics illustrated what young adults felt and how they reacted to one of the most influential and divisive leaders of the era Punk lyrics are seemingly simple the author argues but they sketch out a complex musically inspired countermovement that is as canonical in the American songbook as the folk and rock protest music that came before
