

Ronald Bladen Sculpture

Weatherspoon Art Gallery

Ronald Bladen Sculpture:

Ronald Bladen Robert S. Mattison, 2019-11-12 The first monograph on a pivotal figure of postwar American art Best known for his monumental sculptures Ronald Bladen 1918 1988 was regarded as an artistic forerunner by such minimalist artists as Donald Judd Sol Lewitt and Carl Andre But in contrast to the matter of fact work of these artists Bladen's sculptures are charged with emotional power They fill entire rooms pressing outward against the walls and ceiling their themes include the force of gravity the dynamism of planar surfaces the impact of scale and confrontation with the viewer This splendidly illustrated book presents a comprehensive overview of Bladen's career his breakthrough works such as *Untitled Three Elements* a standout at the Jewish Museum's legendary *Primary Structures* exhibition of 1966 his monumental outdoor commissions of the late 1960s through the 1980s and his reflective wall reliefs of 1980s Bladen's drawings and working models are discussed in detail and his early career as a painter is considered in the light of his later sculptural oeuvre Art historian Robert S. Mattison's thoughtful analysis of Bladen's art is informed not only by extensive archival research but also by numerous interviews with Bladen's contemporaries including fellow artists like Bill Jensen Alex Katz and Dorothea Rockburne In addition this volume collects several of the most important critical essays on Bladen by Irving Sandler April Kingsley Bill Berkson and Naomi Spector The full scholarly apparatus includes an illustrated chronology of the artist's life and career Today Bladen's works are in the collections of the Museum of Modern Art the National Gallery of Art Storm King Art Center and the Staatliche Museen zu Berlin among many others His grasp of the expressive power of mass and abstract form continues to influence sculptors from Richard Serra to Ursula von Rydingsvard Here finally is a book that reveals and elucidates the full extent of his achievement

Ronald Bladen Ronald Bladen, 1967 **Ronald Bladen** Ronald Bladen, Emily Lowe Gallery, Michael Phillips, Fischbach Gallery, 1967 **Ronald Bladen Sculpture** Ronald Bladen, Thomas Kellein, 1998 One of the characteristics I think of all my pieces is that they have a front and they have a back They seem very human to me they always do In much abstract sculpture it does not matter where you see it from but I want my pieces read in sequence you see them from the front first then around and the back is another identity The white and black are philosophically opposed The white of the inside of the piece is well it's acceptance it's love it's gentle it's very moving and the black becomes slightly forbidding totally different in experience The curve was just worked out by eye It was not drawn it was simply laid out on the floor and it seemed a very nice curve and that was it As you approach the piece as you are drawn into it you find there is really nothing for the eye to relate to except for an expanse of light that's involving you And there is the quality of flowing into the piece and not quite being able to determine where the piece begins or stops You reach a point of stillness in the white Going around the black outside is really very nice because it is disappearing in front of your eyes You can only see a little bit of it at a time and it takes quite a long while to walk around And the other interesting thing is that the back is the same template curve as the front though the structure is different that's hard to realize because the experience of

walking on the outside is so different **Ronald Bladen Sculpture** Robert Saltonstall Mattison, 2018 Ronald Bladen 1918 1988 is best known for his monumental sculptures Some of his best known pieces are Earth Drawings which he created in his early career and Three Elements which was featured at the breakthrough exhibition Primary Structures at The Jewish Museum in 1966 Bladen's pieces are tributes to the monumentality of sculpture what the artist called presence Ronald Bladen 1918 1988 is best known for his monumental sculptures He was regarded as an artistic forerunner by Minimalist artists such as Donald Judd Sol LeWitt and Carl Andre His large objects fill entire rooms and his themes include the force of gravity the dynamism of planar surfaces the impact of scale and the emotional power of confrontation with the viewer Bladen's early career took place in San Francisco where he created Earth Drawings made from soil and water as well as powerful densely textured paintings that suggest topographical forces He moved to New York City in 1956 where he became a founding member of the cooperative Brata Gallery and produced collages of folder paper followed by plywood reliefs that were exhibited at Green Gallery He then devoted his attention to grand freestanding sculptures He exhibited Three Elements in the breakthrough exhibition Primary Structures at The Jewish Museum in 1966 and presented his enormous sculpture X in the courtyard of the Corcoran Gallery of Art Washington DC During the later 1960s and 1970s Bladen received important public commissions for towering steel works in New York City Seattle Albany Buffalo Baltimore Dsseldorf Germany and Riyadh Saudi Arabia This first monographic study of Bladen's art connects him to the artistic intellectual and social forces of his age Copiously illustrated it presents a comprehensive record of his oeuvre and documentary photographs of his working process in addition to a complete chronology bibliography and exhibitions list Content Foreword by Mark di Suvero Chapter 1 Three Elements and Primary Structures Chapter 2 Going Off the Wall Chapter 3 A Kind of Abstract Architecture Chapter 4 How Do You Make the Inside the Outside Chapter 5 Works to Enter Experience and Memory Chapter 6 This Model Represents a Dream of Mine Chapter 7 A Painter Amid Poets The San Francisco Years Chapter 8 Bringing the Light Inside Afterword Acknowledgments Chronology Exhibitions Selected Bibliography Photo Credits Index Ronald Bladen, Sculpture Ronald Bladen, Michael Joseph Phillips, Fischbach Gallery, Emily Lowe Gallery, 1967 Ronald Bladen Ronald Bladen, 1991 **Ronald Bladen** Ronald Bladen, Irving Sandler, 2008 **Ronald Bladen** Hofstra University, 1967 **Ronald Bladen** Fritz Jacobi, 2007 *Ronald Bladen* Irving Sandler, Jacobson/Howard Gallery (New York), 2008 RONALD BLADEN, 1988 **RONALD BLADEN, ROBERT MURRAY**. Vancouver Art Gallery, Ronald Bladen, Robert Murray, 1970 **Ronald Bladen - Sculpture of the 1960s & 1970s**, 2008 **Ronald Bladen** Ronald Bladen, 2007 The sculptural works of the American Minimalist Ronald Bladen seem like three dimensional bodily signs that have been reduced to their most elementary stereometric forms Often called the father of Minimal art Bladen emerged along with Andre Flavin Judd LeWitt Morris and Tony Smith in the mid 1960s This book presents works from the renowned Marzona Collection Ronald Bladen, *Minimal Art* Daniel Marzona, 2004 The bare minimum Often regarded as a backlash against abstract

expressionism Minimalism was characterized by simplified stripped down forms and materials used to express ideas in a direct and impersonal manner By presenting artworks as simple objects minimalist artists sought to communicate esthetic ideals without reference to expressive or historical themes This critical movement which began in the 1960s and branched out into land art performance art and conceptual art is still a major influence today This book explains the how why where and when of Minimal Art and the artists who helped define it Featured artists Carl Andre Stephen Antonakos Jo Baer Larry Bell Ronald Bladen Walter De Maria Dan Flavin Robert Grosvenor Eva Hesse Donald Judd Gary Kuehn Sol LeWitt Robert Mangold John McCracken Robert Morris Robert Ryman Fred Sandback Richard Serra Tony Smith Frank Stella Robert Smithson Anne Truitt About the Series Each book in TASCHEN s Basic Genre Series features a detailed illustrated introduction plus a timeline of the most important political cultural and social events that took place during that period a selection of the most important works of the epoch each of which is presented on a 2 page spread with a full page image and with an interpretation of the respective work plus a portrait and brief biography of the artist approximately 100 colour illustrations with explanatory captions

Ronald Bladen, Robert Murray Ronald Bladen, Vancouver Art Gallery, 1970
