Titus and Roni Gregory

Dark, 2010-10-16 Two parents who in facing death face life Perhaps for the first time Titus as well as being a father is a grandfather He has been kidnapped by his son in Colombia Roni is a Glaswegian mother whose son in twenty four hours will be executed by lethal injection They are two novellas which whilst they could exist separately also complement each other They are stories of doom but not of gloom stories certainly of tragedy but ingrained with both comedy and optimism Their two principal characters surrender in order to fight on and traverse despair to find hope They are two unremarkable people

who in finally accepting death triumph over life and become thereby remarkable indeed Certainly you will cry with Titus and with Roni but also you will laugh with them You will despair with them and clutch at the same straws Written with Dark s customary elegance Titus and Roni is as mellifluous in its telling as it is compulsive in its tale *A Horse Named Joe* Lisa Loomis,2018-03-21 An investment banker from Wall Street sets out to regain control of her life two years after the crash Stepping from the ferryboat onto the weathered wooden dock at the Green Turtle Bay Club Roni breathes in the humid ocean air Faraway from the city she calls home she is instantly struck by the noiselessness of the quaint island Setting down her over packed suitcase she takes in the gleaming turquoise water white sand beach and light blue cloudless sky As an immense sense of freedom rushes over her she wonders if the small island can give her the inner peace she s been longing for
