**Gangsters, Guns & Me - Now I'm in Eastenders, but once I was on the run. This is my true story** Jamie Foreman,2012-03-05 Jamie Foreman is one of Britain s most iconic actors He is also

the son of Britain's most notorious gangster Freddie Foreman Jamie's life has been anything but ordinary. Right from the start his world was one of contrast and contradiction; he grew up surrounded by London's criminal elite living by their code of honour and respect yet he himself was brought up to be a straight goer. The backdrop of his home life was to differ greatly from his time at school as at seven years old Jamie found himself in the unlikely surroundings of a boarding school. The happiness of his family and school life was snatched from Jamie when his father was sentenced to ten years in prison for his involvement in the killing of Jack The Hat McVitie. The subsequent years saw Jamie without the father he adored and the whole family was put under enormous strain. At 14 Jamie decided that his passion was for acting and having been encouraged by Barbara Windsor he discovered yet another new environment at the Italia Conti Stage School. Jamie thrived in the acting world and was soon enjoying success on both stage and screen. By the time of his dad's release from prison Jamie had carved a straight career for himself but after years apart there was plenty of lost time to make up for. Soon he was dividing his time between acting and assisting with Freddie's business. Before long though life took a surprising turn when a drug deal his father was heavily involved in went tragically wrong and he was forced to go on the run to America with his dad which marked the start of a whole new adventure. A truly fascinating story of a unique life. From being babysat by the Kray Twins to his life changing meeting with Lawrence Olivier Jamie's is a compelling tale of a boy becoming a man of a father lost and found and nearly lost again and of the adventure, violence and tenderness that forged an unbreakable father-son relationship.

*Loonyology* Charles Bronson, 2011-11-09. Lifer Charlie Bronson's reputation precedes him: Britain's most violent prisoner or does it? Do we really know the true Charlie or are our impressions the result of media hype? Well, what is in no doubt is that *Loonyology* is 200% Bronson and will transport the reader on the dizziest, no-holds-barred roller coaster ride of their lives from suspense and shock to laughter and tears and from Bronson the Solitary King to Bronson the Philosopher, the Poet, the Artist, the Author, the Joker, the Walking Scar and the Freedom Fighter. Now 55 years old and having spent most of his last 34 years as a maximum security Bronco Zoo inmate, he's a much wiser man as he looks back on his crazy journey of unpredictable behaviour, his ever alert mind darting from reminiscences of his teenage years to memories of fellow cons, the screws, the cranks, letters and news reports, prison life and procedures and the overall madness, loonyology of the legal and penal systems, peppering his stories with diary entries, true gems of information, sound advice and hilarious one-liners. Together with his many supporters and with the aid of a top lawyer, Charlie is campaigning for the parole board to finally allow him his freedom but begging is not his style; he calls a spade a spade and is determined to win with dignity, fighting with his pen and his brain to achieve his aim of a life outside the cage. In his words: 'I chose to be a villain, I'm not proud of it nor am I ashamed of it. I have paid my debt to society and it's time to go home.'
