Reprint) Pierre De Ronsard,2017-11-23 Excerpt from Selected Poems of Pierre De Ronsard If the traveller is on his way north from Venice where at the cost of a morning spent in a gondola you may see all the architecture of the world displayed in a crowded impossible pageant between sea and heaven and where you retreat breathless from Veronese only to be blinded by Titian he will probably be distressed by the formal beauties of the great castles of the Touraine the last ourishes of the Flamboyant in the church of Brou will seem to him the artifice of a style grown too old to possess natural graces domestic architecture will be either neat without simplicity or grandiose without dignity But if he returns from Florence the inevitable revulsion the sense of some light lost from the sky or dreamy loveliness from the earth will be less strong in him he will observe that behind the brier like luxuriance of the Flamboyant style no less than amid the urbane splendours of the great Chateaux there is a latent quality that he will have dimly realized to be present in all Florentine art before Michelangelo a tranquil strength a restrained rhythm of line The tree may glow with a thousand owers but the dark sinewy boughs are beneath them defiant of time and the winds About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Selected Poems of Pierre de Ronsard**

Selected Poems Du Bellay,Ronsard,2023-07-11 Live now and listen do not wait in vain Until tomorrow pluck life s rose today Joachim du Bellay and Pierre de Ronsard are two of the major sixteenth century French poets and leaders of the extraordinary group known as La Pl iade Determined to create a national vernacular literature the Pl iade poets profited from an intense study of Greek and Roman models and from a creative use of classical mythology to produce a body of verse that reflects the vigour and variety of European Renaissance culture Du Bellay broke new ground with the gritty realism and resentment of the Regrets and with his meditation in the Antiquities on the rise and fall of the Roman Empire In a series of sonnet sequences Cassandre Marie Astr e H l ne Ronsard developed the Petrarchan tradition of love poetry with a wider range of situations a richer imagery and more robust sensuality His reputation as France s greatest love poet should not however obscure his excellence in an astonishing variety of forms and genres such as elegies odes philosophical hymns and religious controversy Anthony Mortimer s verse translations cover this many faceted achievement in a version that functions as English poetry in its own right without departing from the letter and spirit of the original The French text is given on facing pages and a useful appendix contains extracts from seminal manifestos by the two poets A critical introduction a glossary of names and places and abundant notes encourage the reader to place the poems in their social and cultural context ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature

The Labyrinth of Love Pierre de Ronsard, 2021-01-23 Hailed as the Prince of Poets of the French Renaissance Pierre de Ronsard composed a rich body of love poetry that has captivated audiences and challenged scholars for many centuries through its undulating liquid forms and powerful metamorphic imagination Blending oneiric fantasy and mythological profusion this poetry appeals to readers steeped in the classical tradition and receptive to an esthetic of vitality and abundance rather than the brooding self pity more characteristic of Petrarchism This new translation captures the essence of a poetic legacy whose exuberance and emotion can still be deeply felt today Eric MacPhail author of *Religious Tolerance from Renaissance to Enlightenment* Atheist's Progress Ronsard is a towering figure in the history of European poetry but his work is little read these days other than in the form of single line quotations Henry Weinfield has made a substantial selection that reflects different aspects of Ronsard's immense output from his earliest love sonnets to his death bed meditations Translating sixteenth century French poetry into English verse while remaining close to the original is a formidable task but Weinfield's sensitivity and ingenuity are equal to the challenge he has found an idiom which both retains the flavor of the Renaissance and remains fluent and transparent to modern ears The French text is provided on facing pages so that even those unfamiliar with early modern French will be able to explore the original This is an important act of cultural transference that will give Ronsard's extraordinary poetic imagination a new lease of life for readers of the twenty first century Terence Cave Emeritus Professor of French Literature University of Oxford and Emeritus Research Fellow St John's College First came Henry Weinfield's irreplaceable versions of Mallarmé in 1994 and now comes a second masterpiece of translation with this new selection of Ronsard Weinfield has a supernatural talent for rendering the most difficult poets into clear cadenced and beautiful English The man is a wizard Paul Auster Editor The Random House Book of Twentieth Century French Poetry

Selected poems [of] Pierre de Ronsard Pierre de Ronsard, 1974 **Poems of Pierre de Ronsard** Pierre de Ronsard, 1979-01 **Selected Poems and Translations** Madeleine de l'Aubespine, 2008-09-15 Madeleine de l'Aubespine 1546-1596 the toast of courtly and literary circles in sixteenth century Paris penned beautiful love poems to famous women of her day The well connected daughter and wife of prominent French secretaries of state l

Aubespine was celebrated by her male peers for her erotic lyricism and scathingly original voice. Rather than adopt the conventional self-effacement that defined female poets of the time, Aubespine's speakers are sexual dominant and defiant, and her subjects are women who are able to manipulate, rebuke, and even humiliate men. Unavailable in English until now and only recently identified from scattered and sometimes misattributed sources, Aubespine's poems and literary works are presented here in Anna Klosowska's vibrant translation. This collection, which features one of the first French lesbian sonnets as well as reproductions of Aubespine's poetic translations of Ovid and Ariosto, will be heralded by students and scholars in literature history and women's studies as an important addition to the Renaissance canon.
