Scott Silverii PhD, 2017-07-27 Sworn to protect and serve police officers who stray into deviant behavior may become a citizen s worst nightmare A thoughtful examination of the formal and informal process of becoming blue Cop Culture Why Good Cops Go Bad is a unique combination of academic research based on Chief Scott Silverii s doctoral dissertation and more than two decades **Beat Cop to Top Cop** John F. Timoney, 2011-06-21 Born in a rough and tumble neighborhood of Dublin John F Timoney moved to New York with his family in 1961 Not long after graduating from high school in the Bronx he entered the New York City Police Department quickly rising through the ranks to become the youngest four star chief in the history of that department Timoney and the rest of the command assembled under Police

Commissioner Bill Bratton implemented a number of radical strategies protocols and management systems including CompStat that led to historic declines in nearly every category of crime In 1998 Mayor Ed Rendell of Philadelphia hired Timoney as police commissioner to tackle the city s seemingly intractable violent crime rate Philadelphia became the great laboratory experiment Could the systems and policies employed in New York work elsewhere Under Timoney s leadership crime declined in every major category especially homicide A similar decrease not only in crime but also in corruption marked Timoney s tenure in his next position as police chief of Miami a post he held from 2003 to January 2010 Beat Cop to Top Cop A Tale of Three Cities documents Timoney s rise from his days as a tough street cop in the South Bronx to his role as police chief of Miami This fast moving narrative by the man Esquire magazine named America s Top Cop offers a blueprint for crime prevention through first person accounts from the street detailing how big city chiefs and their teams can tame even the most unruly cities Policy makers and academicians have long embraced the view that the police could do little to affect crime in the long term John Timoney has devoted his career to dispelling this notion Beat Cop to Top Cop tells us how

*COP: A Novel* Daniel B. Silver,2014-06-30 Author and law enforcement officer Daniel Silver tells the story of a tattooed punk rocker turned rookie San Francisco policeman Dougie Cohen In his first year on the job the stresses horrors and frustrations Dougie encounters take their toll on his patience health sanity and love life Dougie struggles with night terrors addiction disease and the loss of his former self to his new police persona Dougie is on a collision course with the reality of urban law enforcement He ll either break or accept the fundamentals of what it means to be a real cop The Police and the Ghetto John Cooper,2000-12 The Black Ghettos are no descendents They are political statements forced upon the minorities by the majority The ghettos are to house throwaway people and keep them out of the mainstream In this the guard the police are not there to catch wrong doers but rather they are there in the ghetto to help maintain the status quo and social order

Education of a Street Cop John Henson,2010-11 Veteran street cops are often viewed as distant strange individuals who exhibit crude and crusty demeanor s Few people get close to them and their loved ones are often left wondering how they contributed to such an insufferable personality Most often these character flaws are attributed to constant exposure to the worst conditions society offers JJ Henson s story offers other explanations for the personality traits of the veteran cop The story follows the evolution in the mind of a naive rookie police officer over a four year period Our officer remains unidentified throughout the story because he is a generic white man and fits the mold of many police officers who are now retiring after thirty or so years in the field The four years in the story from the late seventies to early eighties signified significant changes in the role of law enforcement officers in society This was a time when police officers were required to make a significant paradigm shift from peace keepers to agents of social change Hexes & Flames: Witchy Urban Fantasy Series Kim Richardson,2020-03-11 Okay so officially I ve resigned from the Dark Witch Court as one of the witches who clean up paranormal problems no one else wants to handle specifically the demons that escape from the Veil the invisible layer that
