## **Rookie Dad:**

*Dad Up!* Steve Patterson, 2021-06-01 From one of the country's most beloved comedians and host of CBC Radio's incredibly popular program *The Debaters* comes a funny poignant and at times unexpectedly wise look at what it means to be a dad in this day and age Steve Patterson has been thinking about dad-dom for quite a while In *Dad Up* he gives his all to be the best father possible to two young girls while imparting his hard won wisdom and insights to readers everywhere The youngest of five boys growing up in an Irish Catholic household Patterson mines his childhood for any sage advice he might have picked up from his own dad He talks with candour about the difficulty he and his wife Nancy had conceiving finding humour in their experiences with the fertility clinic's automated phone calls which Patterson calls RoboPimp informing them when Nancy was ovulating He chronicles the disappointment of failing to get pregnant only to have the miracle conception take place in Regina during Grey Cup Week under the guiding spirit of the Saskatchewan Roughriders and comedian Brent Butt don't ask From that point on Steve Patterson assumes full dad mode riffing on the biohazard that is changing a diaper the absolute futility of stuffed animals becoming a public breastfeeding warrior in the most unexpected of places and how growing up a little boy in no way prepares you to being a father to little girls Most importantly *Dad Up* charts the awesome experience of watching tiny infants that you somehow had a hand in creating evolve into confident and crafty little people and the lessons that they teach along the way

**Congratulations, You're Gonna Be a Dad!** Paul Pettit, Pam Pettit, 2014-05-28 An indispensable guide to everything a first time father needs to know as he approaches D day delivery day This helpful resource provides medically accurate A-Z information on everything from air travel to zinc oxide I recommend this book for first time fathers Chuck Swindoll

**Rookie Dad** Rick Epstein, 1993-06-01 The author has written a humorous narration of becoming a father with his first child his daughter Betsy The narration takes on several years of life with his daughter and then the arrival of his second child another daughter The author covers other areas in a humorous fashion such as relating with the guys and sibling rivalry and discipline The author writes a parenting column in 50 parenting and family life publications

**Mad Dad, Fun Dad** Doug Draper, 2018-08-14 From an early age Ben Baker knows that when dad is mad someone is going to get hurt He sees it when his father bashes his mother in the head with a shotgun and experiences it through frequent beatings with brooms rakes or whatever tool is handy The physical pain is matched by the emotional damage of his father repeatedly calling him the stupidest and laziest boy in the world This mistreatment takes place while working on the family farm and at his father's service station in a small town located on the foothills of Utah's Wasatch Mountains As the smallest boy in his class Ben also faces abuse at school because bullies find him to be an easy target for punches kicks and insults He deals with the cruelty by keeping his back to the wall and doing whatever he can to dodge the bullies His run and hide approach changes when an ex convict Derek Dean takes a job pumping gas at his father's service station Derek teaches Ben how to deliver the pain instead of being the one who feels it Ben applies what he learns and lashes

out with unbridled fury He uses a steel pipe to humiliate a pair of bigger opponents and knocks out another bully with a viscous kick to the head Besides getting him in trouble at school Ben worries that his anger fueled actions will lead him to become like his father His mind becomes a battlefield with a wish to live peacefully fighting against a ruthless desire to punish anyone who messes with him Ben s relationship with Derek shifts from friend to foe when he catches Derek stealing his father s truck and tools After Derek spends five years in prison for theft he returns to Alma seeking revenge While Ben is on a camping trip with his Boy Scout troop Derek and two friends confront him and promise to make Ben pay for his role in sending Derek back to prison With this threat weighting heavily on his mind Ben reacts with violence to a cruel prank pulled on him by his fellow scouts and finds himself in trouble again Frustrated he decides to escape all his problems by running away and living off the land Before launching his secret plan Ben chats with his scoutmaster who encourages Ben to rely on God to help him deal with his challenges The scoutmaster also promises to pray for Ben When he runs away Ben soon needs all the help he can get Once again he crosses paths with Derek and a chase through the mountains begins with Ben leading the vengeful ex convict on an overnight hike during a powerful snowstorm Instead of having to merely face punishment for his angry outburst at the scout camp Ben s attempt to escape brings him to the point of death While frightening and painful this battle for survival becomes a turning point in Ben s life It plants a seed of hope in him that things will get better Ben s struggles continue but he moves forward equipped with new strength His story provides a compelling example of the power of faith and prayer in changing lives For Ben it means breaking the cycle of violence replacing despair with hope and finding peace in a combative world

**Rookie Dad** David Jacobsen,2009-05-26 When I found out my wife Christine was pregnant I had no idea what I was thinking or feeling and no clue what I should be thinking or feeling Christine had daily heart to hearts with her girlfriends and a stack of parenting books by her bed I had lots of questions with no answers So I started writing It was either that or try to ignore the whole thing a choice that became increasingly difficult as Christine s belly became increasingly swollen Rookie Dad is the story of a young husband and father learning how to pay attention to his family s changing size and shape It s a story filled with hard questions with laughter and tears and with the unexpected joy of first time fatherhood It s my story the story of how I became a dad

entertainment news      *Mickey & Me* Dan Gutman,2009-10-06 This chapter book series by Dan Gutman is a more advanced version of the Magic Tree House series where the historical adventures are all baseball focused I highly recommend this book to baseball fans and action adventure fans Brightly com When Joe Stoshack s dad ends up in the hospital after a car accident he has two words to say to his son Mickey Mantle For Stosh has a special power with a baseball card in hand he can travel back in time And his dad has a rare card Mantle s valuable 1951 rookie card I ve been thinking about it for a long time Go back to 1951 You re the only one who can do it Dad whispers That night Stosh grips the card and prepares for another magical adventure But when he opens his eyes he s not in Yankee Stadium he s in Milwaukee on June 8 1944 And how he wound up there is not half as surprising as what he finds      **Dads and Daughters** Joe Kelly,2003-05-13 Every father can make a huge difference in his daughter s life As the primary male role model in a girl s life fathers influence their daughters in profound ways from how they see themselves to what they come to expect from men and the world at large But men often don t realize the importance of their interactions or may shy away from too close involvement because of their inexperience or conditioning Especially as girls move into adolescence fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic Communication becomes difficult and parenting issues more complicated But this is also the time when daughters most need their fathers to be an even greater presence in their lives Dads and Daughters is a tool to bridge that gap and build a rewarding and joyful father daughter relationship From father to father and with insights from many other dads Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring Starting with a self assessment quiz titled How Am I Doing as My Daughter s Father dads can immediately see what kind of role they play in their daughter s life To educate fathers and offer solutions when problems arise Dads and Daughters then offers thoughtful coverage of the most pivotal issues today s girls face such as sex and dating body image alcohol and drugs media culture and violence money and responsibility and the future In doing so he both illuminates the culture our daughters live in and shows fathers how to guide their daughters toward rewarding healthy lives      **This Baby Business** Heatherly Bell,2024-02-10 A single dad a nanny a baby and a fake engagement it s all baby business When the hot single dad next door asks me to babysit one morning in a pinch I figure I can help him out temporarily I m supposed to be the resident baby expert at RockYourBaby after all Unfortunately behind the computer monitor my entire life is one big fat lie It s my late mother who was the baby whisperer and I m simply trying to keep her online baby business afloat until we can sell it to the highest bidder But soon Levi is struggling to keep custody when Grace s maternal grandparents arrive in town When I get the bright idea that they might be happy to know Levi and I are engaged I have no idea what I ve started Now Levi is upset the grandparents are happy and Grace might be teething Who knew this baby business was so complicated If you like next door neighbors small town military heroes single dads babies and falling for the nanny you will love this book      **The Baseball Film** Aaron Baker,2022-01-14 Baseball has long been viewed as the

Great American Pastime so it is no surprise that the sport has inspired many Hollywood films and television series. But how do these works depict the game, its players, fans, and place in American society? This study offers an extensive look at nearly one hundred years of baseball-themed movies, documentaries, and TV shows. Film and sports scholar Aaron Baker examines works like *A League of Their Own* (1992) and *Sugar* (2008) which dramatize the underrepresented contributions of female and immigrant players alongside classic baseball movies like *The Natural* that are full of nostalgia for a time when native-born white men could use the game to achieve the American dream. He further explores how biopics have both mythologized and demystified such legendary figures as Ty Cobb, Babe Ruth, Lou Gehrig, Jackie Robinson, and Fernando Valenzuela. *The Baseball Film* charts the variety of ways that Hollywood presents the game as integral to American life, whether showing little league as a site of parent-child bonding or depicting fans' lifelong love affairs with their home teams. Covering everything from *Bull Durham* (1988) to *The Bad News Bears* (1976), this book offers an essential look at one of the most cinematic of all sports.
