Room At A Time:

My House Renovated One Room At a Time Paulie Rogers,2022-05-06 Exhausted from the whirlwind of wedding activities we stood in front of our antiquated old house staring at the grandeur of it I took in the intricate carved workmanship etched in the solid wood front door the detailed front porch with its trims and spindled railings The romantic gabled windows that jutted out from tall majestic roof lines my husband on the other hand saw the rot that was causing the porch about to fall away from the house the wood shingles that had let loose the warped door that wouldn't quite shut properly and the old windows that were cracked and single paned This was our house that we were about to make into our home Remodeling isn't easy It can be painstakingly hard work And once you start where does it end In this unique Bible Study Paulie Rogers takes the reader on a journey of self restoration with Jesus while sharing examples of living in a farmhouse that is in dire need of its own restoration one room at a time And when the project is finished our joy is complete
