Afghan War of 1879-80 ... Howard Hensman, 1882 *Afghanistan from the Cold War Through the War on Terror* Barnett R. Rubin, 2015-03-25 A collection of articles written from 1989 to 2009 updated for this volume *An Afghan Prince in Victorian England* R.D. McChesney, 2024-07-25 In 1894 Great Britain invited Abd al Rahman Khan the amir of Afghanistan to England for a state visit Then at the height of its imperial might Britain sought to strengthen ties with the strategically important Afghanistan which shared a long frontier not yet a border with British India The amir s aim for the visit was to secure permission for an Afghan legation embassy in London while the British unaware of this goal hoped to overawe the amir with displays of military and industrial might as well as performances to show the strength and unity of British civil society The amir citing illness ultimately declined the invitation but in a calculated snub sent his second son Prince Nasr Allah Khan in his place This book narrates the events of the prince s mission in a number of revealing ways Using both British and Afghan sources including the journal of a senior member of the Afghan contingent McChesney places the visit in its international and historical context and analyzes the internal dynamics of the prince s delegation the seventy members of whom represented Afghanistan but included two Englishmen and two English women A further twenty members representing the Government of British India were as multi ethnic and multilingual as the members of the Afghan delegation This bilateral and complex mission left India in April 1895 and remained together for the next six months From the beginning it was riven by incidents of misogyny racism and class conflict that affected its ability to perform its diplomatic functions The reader gains insights into the goals and tactics of two asymmetrical yet competing powers as well as a rare look at the human element in this cross cultural diplomatic encounter *U.S. Marines in Afghanistan, 2001-2009*, 2014 U S Marines in Afghanistan 2001 2009 Anthology and Annotated Bibliography presents a collection of 37 articles interviews and speeches describing many aspects of the Corp s participation in Operation Enduring Freedom from 2001 to 2009 This history Division publication is intended to serve as a general overview and provisional reference to inform both Marines and the general public until monographs dealing with major Marine Corps operations during the campaign can be completed The

The Kirghiz and Wakhi of Afghanistan M. Nazif Shahrani,2012-09-20 An extended new Preface and a new Epilogue written after the fall of the Taliban in 2001 place *The Kirghiz and Wakhi of Afghanistan* originally published in 1979 in the context of a vastly changed world The original book describes the cultural and ecological adaptation of the nomadic Kirghiz and their agriculturalist neighbors the Wakhi to high altitudes and a frigid climate in the Wakhan Corridor a panhandle of Afghanistan that borders Pakistan the former Soviet Union and the People s Republic of China The new Preface challenges the assumption that the root cause of terrorism is religious Shahrani asserts that the problem of terrorism is fundamentally political and is historically linked to the inappropriate model of the centralized nation state introduced to Afghanistan by colonial regimes The differing responses of the Kirghiz and Wakhi to the Marxist coup are discussed in the new Epilogue Shahrani has closely followed the flight of the Kirghiz to Pakistan in 1978 and their eventual resettlement among resentful Kurdish villagers in eastern Turkey in 1982 The ethnographic documentation and analysis of the transformation of Kirghiz society politics economics and demography since their exodus from the Pamirs offers valuable lessons to our understanding of the dynamics and true resilience of small pastoral nomadic communities **Afghan Village Voices** Richard Tapper,Nancy Lindisfarne-Tapper,2020-06-25 Afghanistan in the 20th century was virtually unknown in Europe and America

At peace until the 1970s the country was seen as a remote and exotic land visited only by adventurous tourists or researchers. **Afghan Village Voices** is a testament to this little known period of peace and captures a society and culture now lost. Prepared by two of the most accomplished and well known anthropologists of the Middle East and Central Asia, Richard Tapper and Nancy Tapper, this is a book of stories told by the Piruzai, a rural Afghan community of some 200 families who farmed in northern Afghanistan and in summer took their flocks to the central Hazarajat mountains. The book comprises a collection of remarkable stories, folktales and conversations and provides unprecedented insight into the depth and colour of these people's lives. Recorded in the early 1970s, the stories range from memories of the Piruzai migration to the north a half century before to the feuds, ethnic strife and the doings of powerful khans. There are also stories of falling in love, elopements, marriages, childbirth and the world of spirits. The book includes vignettes of the narrators, photographs, maps and a full glossary. It is a remarkable document of Afghanistan at peace, told by a people whose voices have rarely been heard.

Afghan Napoleon Sandy Gall, 2021-09-07. The first biography in a decade of Afghan resistance leader Ahmad Shah Massoud. When the Soviets invaded Afghanistan in 1979, the forces of resistance were disparate. Many groups were caught up in fighting each other and competing for Western arms. The exception were those commanded by Ahmad Shah Massoud, the military strategist and political operator who solidified the resistance and undermined the Russian occupation, leading resistance members to a series of defensive victories. Sandy Gall followed Massoud during Soviet incursions and reported on the war in Afghanistan, and he draws on this first-hand experience in his biography of this charismatic guerrilla commander. **Afghan Napoleon** includes excerpts from the surviving volumes of Massoud's prolific diaries, many translated into English for the first time, which detail crucial moments in his personal life and during his time in the resistance. Born into a liberalizing Afghanistan in the 1960s, Massoud ardently opposed communism and he rose to prominence by coordinating the defense of the Panjshir Valley against Soviet offensives. Despite being under-equipped and outnumbered, he orchestrated a series of victories over the Russians. Massoud's assassination in 2001, just two days before the attack on the Twin Towers, is believed to have been ordered by Osama bin Laden. Despite the ultimate frustration of Massoud's attempts to build political consensus, he is recognized today as a national hero.

For This I Went to Afghanistan Linda Howard Martin, 2012. **For This I Went to Afghanistan** is an inspirational book of a mother's attempt to repair an estranged relationship with her young adult daughter that became a renewal of her relationship with God. After a bitter divorce, Linda deployed to Afghanistan as a member of the United States Army. She wrote the weekly updates to reconnect with her daughter, Tabitha. Tabitha ignored them at first, but Linda's friends and family did not. Her address list grew rapidly and soon Tabitha took notice. What Linda gained through writing the updates was more than she had ever hoped to gain. Reconnecting with Tabitha actually allowed her to reconnect with God in a very unconventional yet beautiful way.
