Encyclopedia of White Power Jeffrey Kaplan,2000 This volume takes an objective look at the white supremacy movement since WWII in the United States and Europe and offers entries describing the people groups and themes that make up the radical racist right Some of the entries have been written by movement activists others by a variety of scholars The second half of the volume includes primary documents of resources circulated within the movement each prefaced by Kaplan American studies U of Helsinki Finland and placed in historical and scholarly context The material is at times offensive but presented in an academic way Annotation copyrighted by Book News Inc Portland OR [Women of the Far Right](#) Glen Jeansonne,1996 The majority of American women supported the Allied cause during World War II and made sacrifices on the home front to benefit the war effort But U S intervention was opposed by a movement led by ultraright women whose professed desire to keep their sons out of combat was mixed with militant Christianity anticommunism and anti Semitism This book is the first history of the self styled mothers movement so called because among its component groups were the National Legion of Mothers of America the Mothers of Sons Forum and the National Blue Star Mothers Jeansonne examines the motivations of these women the political and social impact of their movement and their collaborations with men of the far

The New Hate Arthur Goldwag, 2012 **Le Mythe Du Sale Boche** Benton L. Bradberry, 2018-07-17 Comme l'indique le titre Le mythe du sale boche les Allemands ne sont pas les ultimes vilains de l'histoire Ils ne sont pas non plus comme le veut la version officielle les saboteurs de la paix européenne et la cause des deux Guerres mondiales du siècle dernier Les atrocités qu'ils auraient soi-disant perpétrées durant ces conflits armés furent inventées de toute pièce par la propagande alliée afin d'obtenir l'appui de l'opinion publique La propagande de la Shoah qui est apparue après la Seconde Guerre mondiale a par ailleurs grandement contribué à consolider cette haine du sale boche Mais cette version officielle de l'histoire est elle véritable L'Allemagne est elle réellement l'incarnation du mal absolu Dans ce livre l'auteur brosse un tableau différent Il explique en effet que l'Allemagne n'était la cause ni de la Première ni de la Seconde Guerre mondiale mais dans les deux cas la victime de l'agression des alliés L'instabilité engendrée par la guerre 14-18 a permis la révolution bolchévique russe de 1917 à éclater ce qui a apporté au monde le communisme Or Hitler et l'Allemagne ont tout de suite compris que le communisme international de sa base en Union soviétique était une menace existentielle non seulement pour l'Occident mais pour toute la civilisation chrétienne L'Allemagne hitlérienne a dès lors amorcé une lutte mortelle contre cette idéologie sanguinaire Loin d'être le saboteur de la paix européenne l'Allemagne en s'engageant en rempart a donc empêché la révolution bolchévique de s'étendre toute l'Europe Il est dommage que les alliés n'aient pas vu la Russie communiste sous le même jour que l'Allemagne Cette alliance entre les pays occidentaux et le communisme a eu des conséquences désastreuses sur la civilisation occidentale chrétienne L'auteur se dit convaincu que la France la Grande Bretagne et les États Unis se sont battus du mauvais côté

Not Without Honor Richard Gid Powers,1998-01-01 The American anticommunist movement has been viewed as a product of right wing hysteria that deeply scarred our society and institutions This book restores the struggle against communism to its historic place in American life Richard Gid Powers shows that McCarthyism red baiting and black listing were only one aspect of this struggle and that the movement was in fact composed of a wide range of Americans Jews Protestants blacks Catholics Socialists union leaders businessmen and conservatives whose ideas and political initiatives were rooted not in ignorance and fear but in real knowledge and experience of the Communist system Not Without Power is superbly written and richly detailed Perceptive and thoughtful it is an impressively thorough and valuable book David J Garrow One of the contributions of Powers s provocative narrative history is to bring to life certain segments of anti Communist opinion that have largely been forgotten Sean Wilentz New York Times Book Review Powers makes extensive use of primary sources and uncovers much that is new He vividly recreates the complex relationships within and between several ethnic and radical communities within the United States including their firsthand and often disillusioning experience with communism The depth and range of his work add a great deal to knowledge Journal of American History A valuable well executed study and summation of a vast topic one whose various threads the author has woven into a rich tapestry Richard M Fried Reviews in American History
