Tozer,2022-10-11 The unique thing about the early Christians was their radiant relation to a Person The Lord they called Him tenderly and when they used the term they gave it its own New Testament meaning It meant Jesus Christ who a short while before had been among them but was now gone into the heavens as their High Priest and Advocate **Holiness: Its Nature, Hindrances, Difficulties, and Roots** John Charles Ryle,1962

The Gospel standard, or Feeble Christian's support ,1849 Origin Robert Worsley,2011 Removing Rebellion's Roots Olan Stubbs,2025-04-18 All people deal with intrusive thoughts at times All of us have some practices in our lives we are not proud of Many would call these struggles sins Why are there thoughts and deeds we hate yet that recur so often in our lives The Bible teaches there is a real supernatural source behind these thoughts and deeds Satan is real but so is God God s word has all the truth and power we need to set us free from the influence of sin and Satan Satan will use the events of our personal lives to convince us that lies are true He is very convincing He will lie to us about God about ourselves about the gospel and about all of life He roots his lies in enough truth to make them very believable Discerning them is not always easy Satan is very crafty shrewd and subtle God s word and Spirit are able to give us all that we need to take each sinful thought captive Further God supplies the truth that must replace Satan s lies God s truth is the foundation for a holy life God s truth is the pure substance we need to replace the roots of our sinful practices **HOLINESS;BEING PLAIN PAPERS ON ITS NATURE, HINDRANCES, DIFFICULTIES AND ROOTS** J.C RYLE,Rev Terry Kulakowski, Editor,2015-12-02 The twenty

papers contained in this volume are a humble contribution to a cause which is exciting much interest in the present day I mean the cause of scriptural holiness It is a cause which everyone who loves Christ and desires to advance His kingdom in the world should endeavor to help forward Everyone can do something and I wish to add my mite The reader will find little that is directly controversial in these papers I have carefully abstained from naming modern teachers and modern books I have been content to give the result of my own study of the Bible my own private meditations my own prayers for light and my own reading of old divines If in anything I am still in error I hope I shall be shown it before I leave the world We all see in part and have a treasure in earthen vessels I trust I am willing to learn **The Axe Laid to the Root of the Old**
