The Devil and the Vice in the English Dramatic Literature Before Shakespeare L. W. Cushman, 2019-06-04 Originally published in 1900 this book was the first investigation of the devil and the Vice as dramatic figures and a study of these figures led to a new view of the subject it is in brief that the appearance of the devil in the non dramatic as well as in the dramatic literature is limited to a definite range As a dramatic figure the devil

falls more and more into the background and the Vice is distinct in origin and function from the devil
