phantom lode the Madre d Oro or Mother of Gold Now it is located in Mexico now in India or Peru California or Australia Tradition says that Montezuma got his gold from this great vein which lay in a secret valley whose whereabouts was jealously guarded by three priests of the war tribe sole possessors of the knowledge Any intruder who by chance or design looked down into this valley was smitten absolutely blind Tradition among the successors of the Aztecs says that when Montezuma passed the Madre d Oro sank back again into the earth and has been seen no more Men still follow the phantom vein Those who see it even in their dreams still are smitten blind Preface **A Journey to Joy** Nancy I. Munsey's Magazine, 1910 **Vampire Husband and the American Justice** Paru Shiva, 2014-05-19 This book is about a woman who had come to America from Kashmir India She had no knowledge about American culture or American Justice System She was married in India and her husband brought her to America In America her husband started abusing her Being culturally abroad she kept taking abuse on daily basis and kept lying about her bruises and cuts to those who were asking her questions about her injuries Abuse got worst to the extent that one day her husband tried to kill her She gained her consciousness after couple of hours when her husband decided to dump her body in the park Somehow in the morning she managed to escape with her two children She went to a woman's shelter where she lived for six months In the shelter they insisted that she had to go to the court to get restraining order for her safety In that process her children were taken by the court and were given to that abusive man from whom they had a narrow escape She was forced to pay child support

when she had not taken even a one cent from her home or from her husband after she left Her two children were given to their father because she was going to school Judge punished her and her two children for trying to establish their life Her Children suffered the most because of the Justice System I wrote this book for two reasons One reason is to tell my children especially my son that I am very sorry for taking my case to American Justice System because his father has kept him in fear Even my son is adult now but his father is still treating my son like he was treating me and my son is kept in a lot of fear stress and extreme tension His father didn t let him complete his education If he had encouraged my son to complete his education then he wouldn t be able to control my son s life That is tearing my heart every day And second reason is that I want to help a Battered Woman and their children by telling them my story I was a very private person but that didn t help me Every battered woman of this country should know that when a man hit his wife is not love It is a danger sign figure out on time about safety zones for self and for children My story will guide them to be strong enough to help their children

I Do Remember Memories...the good, the painful, the struggles, and the joys Elder Carrie M. McDaniel,2022-11-11 In this book you will find the author s remembrances of her days of lack sometimes not knowing where the next whatever was coming from struggles many of them with pain and sorrows and finally the many once in lifetime moments of joys and victories Sometimes it is necessary to remember just how far the Lord has brought you and what he has brought you through She knows that as she remembers her experiences she would not have made it without the Lord on her side In reading this book you may find that some of your memories are just like hers She would encourage you to take a moment and show the Lord just how grateful you are to him for not keeping you in some of those memories Also she wants you to choose to praise the Lord in your own way but after you ve finished please continue reading this book and get ready to answer the author s final question She still remembers Do you Some Scriptures to read as you remember Psalms 124 1a aEURoIf it had not been the Lord who was on our sideaEUR aEUR Psalms 124 8 aEURoOur help is in the name of the Lord who made heaven and earth aEUR
