How Picturebooks Work

Maria Nikolajeva, Carole Scott, 2013-02-01 *How Picturebooks Work* is an innovative and engaging look at the interplay between text and image in picturebooks. The authors explore picturebooks as a specific medium or genre in literature and culture, one that prepares children for other media of communication and they argue that picturebooks may be the most influential media of all in the socialization and representation of children. Spanning an international range of children's books, this book examines such favorites as *Curious George* and *Frog and Toad Are Friends* along with the works of authors and illustrators including Maurice Sendak and Tove Jansson among others. With 116 illustrations, *How Picturebooks Work* offers the student of children's literature a new methodology, new theories, and a new set of critical tools for examining the picturebook form.

Tales Again, Sam? Linda M. Abbott, 1981 Ellis Johnson Might Be Famous Shawn Amos, 2023-10-03 This joyful and heartfelt sequel to the NAACP Image Award winning *Cookies Milk* is a story of fame, self-confidence, and second chances based on author Shawn Amos's memories of growing up the son of Wally Famous Amos. After the overnight mega success of his dad's cookie store, twelve-year-old Ellis Johnson is on top of the world. He's met celebrities, strangers stop the Cookie Kid on the street, and he's even headed to NYC to be in the Macy's Thanksgiving Day Parade with his dad. Ellis is ready for his star turn, playing harmonica on national television, until his big break turns into the most embarrassing moment of his life. Ellis is sure everyone at home is judging him, and he can barely stand to show his face in school. To make matters worse, his dad is going gaga for a new girlfriend, and DJ Wishbone goes from being pushed out of his radio station to taking over Ellis's place in the store. Ellis's only bright spot is the loyal friends who have stayed by his side, and who, along with some new faces, might just be able to help Ellis with a daring plan to get his groove back. This charming semi-autobiographical novel proves that anything is possible with good music, good friends, loving family, and great cookies. Don't miss Ellis's first adventure in *Cookies and Milk*.

When Words Matter Most Robyn Freedman Spizman, 2007-12-18 This book explores the art of finding the right words and actions at the right time, an invaluable handbook for expressing compassion, kindness, caring, and congratulations to friends and family, neighbors, and colleagues, and anyone else who touches your life. Spizman focuses on how to use words wisely and well in both difficult and joyful times, allaying the common fear people have of appearing foolish or inadequate when they want their words to make a difference.

A Landscape with Dragons Michael D. O'Brien, 2011-05-24 The Harry Potter series of books and movies are wildly popular. Many Christians see the books as largely if not entirely harmless. Others regard them as dangerous and misleading. In his book *A Landscape with Dragons*, Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting. His analysis, written before the rise of the popular Potter books and films, anticipates many of the problems Harry Potter critics point to. *A Landscape with Dragons* is a controversial yet thoughtful study of what millions of young people are reading and the possible

impact such reading may have on them In this study of the pagan invasion of children s culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children s book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through highschool Kirkus Reviews ,1982 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **Magical Girl Dallas** Peter Barton,2019-08-02 It's finally the big day Cassey Ette Vehes is going to visit her grandpa Supreme Commander Vehes at work for Take Your Child To Work Day But her excitement is quickly decimated when she learns Grandpa won't be there and instead dumped onto General Leizer's lap Will he be able lift her spirits before their scheduled trip to Earth Meanwhile after the incident at the movie theater Dallas started acting as a super hero magical girl around the metroplex In spite of this he continues to put off something much more important that he needs to do find a job to help pay rent But before he can do that he must confront an old enemy the return of Taru Get ready for another exciting episode of Magical Girl Dallas Devil's Dare Laurie Grant,2011-07-15 A GOOD MAN WAS HARD TO FIND Especially for Mercy Fairweather whose preacher father kept her well hidden Mercy was innocence smarts and beauty tempting to the Devil himself But even an angel deserved some fun So when cowboy Sam Devlin asked her to dinner she found a way to say yes Sam Devlin knew a pretty lady when he saw one and Mercedes LaFleche was one such woman He'd heard she was particular with her favors but he'd never wined and dined a more blushing naive little gal and he was beginning to wonder if this was indeed the infamous soiled dove Don't miss this new tale by READER'S CHOICE award nominee Laurie Grant Canadians William Irish,2014-12-02 A visual delight with stories about Canadians you've never heard before Bonds of Fate Jason P.
