Jarman,1884 **Back to Black** Fabrice Leroy,2025-05-13 The legendary American cartoonist and author Jules Feiffer has enjoyed a long and varied career working on everything from illustrating The Phantom Tollbooth to writing the screenplay for the film Popeye But some of his most innovative work came very late in his career with a trio of graphic novels he composed in his eighties Kill My Mother 2014 Cousin Joseph 2016 and The Ghost Script 2018 Back to Black provides the first full length critical analysis of this trilogy exploring how it pays homage to the iconography and themes of film noir through constant graphic experimentation and a striking reinvention of Feiffer s distinctive style Fabrice Leroy shows how Feiffer deftly alternates between dramatic and satirical tones as he plays with the conventions of noir to provide a caustic yet moving commentary on mid twentieth century American life Through close readings of each novel in the trilogy he examines Feiffer s singular depiction of the central political issues in the United States from the Great Depression to the 1950s which still resonate today unionization struggles cinematic propaganda McCarthyism the American Dream immigration antisemitism civil rights and gender discrimination Placing the noir trilogy into the context of Feiffer s long career Back to Black demonstrates how he offers a loving pastiche of the genre without losing his unique voice or critical edge **Seventh Regiment Gazette** ,1897 **I Believe in You** Gregory M. author and his family return to his home country Back in Uganda he was initially welcomed by all with open arms like the prodigal son He works on several jobs for the government and in the private sector till he settles for communication consultancy Most of these jobs again involved travel within and outside the country This included a stint in the United States Greece Germany and more countries in Eastern and Southern Africa However as his brother and guardian who had earlier lost his only son inched closer to becoming an octogenarian some of his immediate family members started treating the author like an intruder in their midst Not everyone was happy to co exist with him anymore Fears and intrigue led to a family split legal battles and irreconcilable differences He and his siblings were treated like social pariahs that had to be avoided like the pest by some relatives and this even sucked in some members of his immediate family who imposed a perennial domestic banishment on him
