Show Me One Two:

The Rolling Stone Chris Urch, 2015-05-21 One day you re you The next you re I can t even say the word Dembe and Sam have been seeing each other for a while They should be wondering where this is going and when to introduce each other to their families But they re gay and this is Uganda The consequences of their relationship being discovered will be violent and explosive Especially for Dembe whose brother goes into the pulpit each week to denounce the evils of one man loving another A Bruntwood Prize for Playwriting winner in 2013 The Rolling Stone received its world premiere at the Royal Exchange Manchester on 21 April 2015 One:Two The Reality of Reality Itani Netshiongolwe, Two families very different in class In Limpopo Musina where we lay our scene Affluence always makes a way but it did nothing more than to ignite a conflagration Thus two households tore apart in creating one A pair of star crossed teenage lovers who are genuinely addicted to love and threatened to be separated by one s studies and disapproval from their families decide to head for the hills Happily ever after doesn t go as lovely and dandy as planned and the outcome is catastrophic Hearts break feelings get hurt and their souls are left weeping Making it in life isn t tantamount to making it in endearment Blood saved their failure and drops of sorrow the blood they didn t even know they shared The Reality of reality prevails **Five Civilized Tribes in Oklahoma** United States. Thank You (Falettinme Be Mice Elf Agin) Sly Stone, 2023-10-17 Not many memoirs are generational events But when Sly Stone one of the few true musical geniuses of the last century decides to finally tell his life story it can t be called anything else As the front man for the sixties pop rock funk band Sly and the Family Stone a songwriter who created some of the most memorable anthems of the 1960s and 1970s Everyday People Family Affair and a performer who electrified audiences at Woodstock and elsewhere Sly Stone s influence on modern music and culture is indisputable But as much as people know the music the man remains a mystery After a rapid rise to superstardom Sly spent decades in the grips of addiction Now he is ready to relate the ups and downs and ins and outs of his amazing life in his memoir Thank You Falettinme Be Mice Elf Agin The book moves from Sly s early career as a radio DJ and record producer through the dizzying heights of the San Francisco music scene in the late 1960s and into the darker denser life and music of 1970s and 1980s Los Angeles Set on stages and in mansions in the company of family and of other celebrities it s a story about flawed humanity and flawless artistry Written with Ben Greenman who has also worked on memoirs with George Clinton and Brian Wilson and in collaboration with Arlene Hirschowitz Thank You Falettinme Be Mice Elf Agin is a vivid gripping sometimes terrifying and ultimately affirming tour through Sly s life and career Like Sly it s honest and playful sharp and blunt emotional and analytical always moving and never standing still Cook's continental time tables, tourist's handbook and steamship tables.
