Full Armor of God Sharon F. Norton, 2011-09-01 For the first time in his fourteen years Michael wondered if God existed It was easy believing when the world surrounding him was bright and beautiful It was easy when he was with family and friends Then his grandfather sent him on a quest A quest to find his father at the battlefield Michael finds himself surrounded by danger and bleakness on the way to war He knew he needed to be strong as he collected the pieces of the full armor of God The full armor of God would protect him when he reached his father and fought with him Can Michael do it Can he gather the pieces of God s armor in time Will the temptation to run away be too great to overcome Will the new friends he makes on his quest be able to help him in battle Will his faith in the True King be enough to see him through his trials Although Michael s story takes place long ago and far away it is an important reminder that we need to face each day cloaked in the full armor of God Ephesians 6 13-18

I've Been through Hell Trying to Make It Up to Heaven Alida Jai Rogers, 2023-09-19 How would you like to have your funeral at any place you wanted Well in this book you will see what my uncle did He was a major coach What is a major coach Well that is where you coach literally everything basketball baseball track football martial arts swimming golf and dancing lessons He tutored adults and children and worked a regular job Lazy wasn t a word he knew What better way than to go out the way you lived your life I personally thought it was very cool My uncle s funeral was on the track and football field where over three hundred people attended to celebrate and paid their respects It made my father feel like he was putting on a gospel celebrity concert that he waited for all his life Lord Jesus help us If only Erica from Mary Mary would have just given my father a solo at their church My beautiful great aunt had us join a procession at the funeral as if it was a wedding We sat in white chairs on the football field as if we were holding a presidential election He was just that special My uncle s only daughter s wedding colors were purple and white And she wanted to honor him by the family wearing those colors since he would not be here to walk her down the

aisle My father felt like this was his time to shine He didn't have to shine that much to make us go viral We were embarrassed We had just seen Kobe and his daughter buried the day before I was grateful for the tribute they gave to all nine lives that were lost Everyone was watching at the airport We were delayed due to the fog After watching the funeral no one complained about the fog again I flew all the way from St Louis I couldn't miss my uncle's funeral Who would have thought the world would shut down five weeks later I say God is trying to tell us all something With me being six months pregnant and bleeding for five of those six months I believed it would be a double funeral God said You both shall live yet the devil was trying to take me out I believe in my heart that this book will show you that no matter your skin color we are the same Even if your faith is paper thin this book is for you Religion shouldn't be anyone's cup of tea Even in the COVID pandemic Jesus has never left us nor forsaken us His blood is why we breathe Now that's love That should be our cup of tea Not religion
