The Victorian Ghost Story and Theology Zoe Lehmann Imfeld,2016-07-27 This book argues that theology is central to an understanding of the literary ghost story Victorian ghost stories have traditionally been read in the context of agnosticism as stories which reveal a society struggling with Christian orthodoxy in a new Enlightened world This book however uses theological ideas from St Augustine through to modern theologians to identify a theological journey taken by the protagonists of such stories and charts each stage of this journey through the short stories it examines It also proposes a theory of reader participation which creates an imaginary space in which modern epistemology is suspended The book studies the work of four major authors of the supernatural tale Arthur Machen M R James Sheridan Le Fanu and Henry James *The great mystery of the great whore unfolded; and Antichrist's kingdom revealed unto destruction* George Fox,1831 Nicene and Post-Nicene Fathers First Series, St. Augustine Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author s personal agenda or bias Also included in this volume are a selection of Augustines sermons

The Complete Idiot's Guide to the Ultimate Reading List John Charles,Shelley Mosley,2007-07-03 Great reads for busy people This is a guide to help busy people find great reads in fiction and nonfiction Filled with recommendations of popular entertaining reading this book covers mystery and suspense romance women s fiction and chick lit Westerns science fiction such nonfiction topics as animals art biography memoirs business true crime and more Plus each entry includes a summary

of the book its significance and a critique observation comment **Of Ancestors and Ghosts** Adeana McNicholl, Assistant Professor of Religious Studies Adeana McNicholl, 2024 In Part I of this book I argued that preta narratives participated in a larger world building process that negotiated the contours of the Buddhist cosmos and with it the place of the departed Through stories about encounters between humans and pretas Buddhist authors explored the place of the departed in a karmic cosmological system worked out how to best assist them and advocated for the importance of the sangha in facilitating these offerings These tales do not merely reflect the process through which the preta as a specific entity and rebirth category became distinguished from the ancestral departed but also participated in this process This illustrates the importance of viewing narratives in Rob Campamy's terms as argumentative Stories are not merely the distillation of more abstract doctrine but are sites for the construction of religious worldviews This illustrates that religious cosmologies are not laid down fully formed in doctrinal treatises They are cumulatively built over time and popular culture can do important work in the aggregative construction of cosmologies **A Book of Warnings, or, the Visitation of the Lord's love to the**

King and his Parliament, the nobility and gentry, the Arch-bishops and Bishops, etc George BISHOP (Quaker.), 1661

Nicene and Post-Nicene Fathers Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias Also included in this volume are a selection of Augustines sermons

Piozzi,Mrs. Hester Lynch (Salusbury) Thrale Piozzi,1861 The Woman in Black Mark Fryers,Marcus K. Harmes,2025-03-21

The Woman in Black terrified viewers in 1989 and is remembered as one of Britain s scariest horror films It is justly famous as the combined work of three giants of British drama Susan Hill Nigel Kneale and Herbert Wise This book is the first to study the rich themes and terrifying impact of this film presenting it as a TV film that is cinematic in its effect and quality The book traces the adaptation of Susan Hill s novel paying close attention to the ways in which the celebrated writer Nigel Kneale turned a popular book into a spooky film and reconstructs the brilliance of veteran director Herbert Wise It also explores themes ranging from maternal rage and imperial disquiet to eerie soundscapes and landscapes Archival papers from the Nigel Kneale Archive on the Isle of Man are used to reveal how Kneale transformed the novel into the script and interviews with production personnel shed light on the remarkable talent and experience of the team who produced this classic film Not Shakespeare Richard W. Schoch,2002-01-03

Burlesque has been a powerful and enduring weapon in the critique of legitimate Shakespearean culture by a seemingly illegitimate popular culture This was true most of all in the nineteenth century From Hamlet Travestie 1810 to Rosencrantz and Guildenstern 1891 Shakespeare burlesques were a vibrant yet controversial form of popular performance vibrant because of their exuberant humour controversial because they imperilled Shakespeare s iconic status Richard Schoch in this study of nineteenth century Shakespeare burlesques explores the paradox that plays which are manifestly not Shakespeare purport to be the most genuinely Shakespearean of all Bringing together archival research rare photographs and illustrations close readings of burlesque scripts and an awareness of theatrical literary and cultural contexts Schoch changes the way we think about Shakespeare s theatrical legacy and nineteenth century popular culture His lively and wide ranging book will appeal to scholars and students of Shakespeare in performance theatre history and Victorian studies
