*Teach Us to Pray* Katharine Mahon, 2019-04-01 The study of liturgical reform is usually undertaken through a close examination of liturgical texts In order to consider the

impact of reform on the worship life of Christians Katharine Mahon takes a wider view of liturgy by considering the worship practices of Christian churches beyond what appears in the rites themselves Looking at how Christians were taught how to pray and instructed in liturgical and sacramental participation Mahon explores the late medieval patterns of Christian ritual formation and the transformation of these patterns in the sixteenth century reforms of Martin Luther Thomas Cranmer and Roman Catholic leaders She uses the Lord's Prayer the backbone of medieval lay catechesis liturgical participation and private prayer to paint a panorama of medieval ritual formation integrated into the life of the church in the fourteenth and fifteenth centuries She then follows the disintegration and reconstruction of that system of formation through the changing functions of the Lord's Prayer in the official reforms of catechesis liturgy and prayer in the sixteenth century **Our Father**

Turner, 2015-03-02 The Lord's Prayer holds an honored place in the worship and devotional practices of countless Christians around the world People of every ethnic background denominational affiliation and theological leaning pray to Our Father who art in heaven But what if there's more to it than we think Our Father Who Aren't in Heaven takes a decidedly this worldly approach to the prayer and seeks to understand what Jesus meant to teach his original disciples and us through this radical manifesto of the kingdom of God In these pages Robert S Turner presents a political reading of the prayer and explores how we can encounter through it a God who has left the divine hammock empty and cast God's lot with humanity and the rest of creation A renewed understanding of the prayer may have the capacity to transform the world These subversive reflections on the Lord's Prayer may have the capacity to transform the reader as well
