

THE LORD'S PRAYER THROUGH NORTH AFRICAN EYES

A Window into Early Christianity

Michael Joseph Brown

Lords Prayer Through North African Eyes A Window Into Early Christianity

Karl Olav Sandnes

Lords Prayer Through North African Eyes A Window Into Early Christianity:

The Lord's Prayer Through North African Eyes Michael Joseph Brown, 2004-11-22 Demonstrates the importance of social location and cultural presuppositions in the interpretation of cultic texts and acts Early Christian Discourses on Jesus' Prayer at Gethsemane Karl Olav Sandnes, 2015-12-22 From early on Christians passed down the account of Jesus's agony at the prospect of his own death and his prayer that the cup should pass from him Gethsemane Yet this is a troublesome aspect of Christian tradition Jesus was committed to his death but as it approached he prayed for his escape even as he submitted himself to God's will Ancient critics mocked Jesus and his followers for the events at Gethsemane The hero failed to meet the cultural standards for noble death and masculinity As such this story calls for further reflection and interpretation The present book unfolds discourses from the earliest centuries of Christianity to determine what strategies were developed to come to terms with Gethsemane Dictionary of Theologians Jonathan Hill, 2010-03-25 An exhaustive guide to every significant Christian theologian who lived from the first century to 1308 the year in which John Duns Scotus died The dictionary encompasses the Catholic Orthodox Nestorian and Monophysite traditions including information not previously available in English Thoroughly indexed the dictionary incorporates common variants of names and concepts which will help and direct the reader The main criterion for inclusion has been contribution to the development of Christian theology Sub criteria by which that is measured include above all originality and influence on later figures With over 290 entries the dictionary provides a handy summary of theologians' lives and writings together with recent scholarship as well as an up to date definitive bibliography listing primary texts translations and secondary literature in the major western European languages Useful for all levels of academia no other text matches the depth of the dictionary's bibliographies The unprecedented thoroughness of Hill's compilation provides an essential resource for studies at all levels on such a large and varied range of Church thinkers **The Oxford Handbook of Early Christian Studies** Susan Ashbrook Harvey, David G. Hunter, 2008-09-05 The Oxford Handbook of Early Christian Studies responds to and celebrates the explosion of research in this interdisciplinary field over recent decades As a one volume reference work it provides an introduction to the academic study of early Christianity c 100-600 AD and examines the vast geographical area impacted by the early church in western and eastern late antiquity It is thematically arranged to encompass history literature thought practices and material culture It contains authoritative and up to date surveys of current thinking and research in the various sub specialties of early Christian studies written by leading figures in the discipline The essays orientate readers to a given topic as well as to the trajectory of research developments over the past 30-50 years within the scholarship itself Guidance for future research is also given Each essay points the reader towards relevant forms of extant evidence texts documents or examples of material culture as well as to the appropriate research tools available for the area This volume will be useful to advanced undergraduate and post graduate students as well as to specialists in any area who wish to consult a brief review of the state

of the question in a particular area or sub specialty of early Christian studies especially one different from their own **The Moral World of James** James Riley Strange,2010 In *The Moral World of James* James Riley Strange compares the moral system in the Epistle of James with other Greco Roman and Judaic texts The author of the epistle prescribed moral practices in a world in which other people both pagan and Jewish had long been expressing similar concerns and more would continue to take up the task centuries after Christianity was well established in the Roman Empire In this fresh and thick analysis Strange s systemic comparison of texts among them works of Plato Plutarch Epictetus and Aelius Aristides as well as Greek Magical Papyri tractates of the Mishnah and the Community Rule of the Dead Sea Scrolls reveals how James s vision of a distinctive way of community life was both part of and distinct from the moral and religious systems among which it emerged

Tertullian the African David E. Wilhite,2011-06-24 Who was Tertullian and what can we know about him This work explores his social identities focusing on his North African milieu Theories from the discipline of social cultural anthropology including kinship class and ethnicity are accommodated and applied to selections of Tertullian s writings In light of postcolonial concerns this study utilizes the categories of Roman colonizers indigenous Africans and new elites The third category new elites is actually intended to destabilize the other two denying any essential Roman or African identity Thereafter samples from Tertullian s writings serve to illustrate comparisons of his own identities and the identities of his rhetorical opponents The overall study finds Tertullian s identities to be manifold complex and discursive Additionally his writings are understood to reflect antagonism toward Romans including Christian Romans which is significant for his so called Montanism and Romanized Africans While Tertullian accommodates much from Graeco Roman literature laws and customs he nevertheless retains a strongly stated non Roman ness and an African ity which is highlighted in the present monograph **A Bond between Souls**

Coleman M. Ford,2022-11-09 Augustine s theology of friendship The discovery of Augustine s letters in the mid twentieth century provided a watershed moment for understanding the bishop of Hippo The letters of Augustine offer a window into his life They showcase a theologian on the run working through difficult pastoral issues They also show another side of Augustine the theologian as friend In *A Bond between Souls* Friendship in the Letters of Augustine Coleman M Ford examines Augustine s understanding of friendship For Augustine friendship is the overflow of love and is essential for building Christlike virtue Friendship differs by context and relationship but is fundamentally rooted in the reality that in Christ friendship with God has been restored In this sense friendship is fundamentally a spiritual exercise With original research rooting Augustine s letter writing theology and understanding of friendship in antiquity *A Bond between Souls* helps readers to understand this doctor of the church in a deeper way [Toward Decentering the New Testament](#) Mitzi J. Smith,Yung Suk Kim,2018-08-21 *Toward Decentering the New Testament* is the first introductory text to the New Testament written by an African American woman biblical scholar and an Asian American male biblical scholar This text privileges the voices scholarship and concerns of minoritized nonwhite peoples and communities It is written from the

perspectives of minoritized voices The first few chapters cover issues such as biblical interpretation immigration Roman slavery intersectionality and other topics Questions raised throughout the text focus readers on relevant contemporary issues and encourage critical reflection and dialogue between student teachers and teacher students

Working Against the Grain Anthony G. Reddie, 2014-12-18 Christianity has been both the cause of oppression among Black communities and a source of liberation Black Christianity has sought solace in the redemptive figure of Christ in its struggle for human dignity and freedom Working Against the Grain addresses the displacement of Black theology in Diasporan African churches by charismatic and conservative neo Pentecostalism The essays present a radical Black theology that empowers disenfranchised Black people whilst challenging White power to see and act differently Working Against the Grain is an essential text for all those interested in the pursuit of racial justice and other forms of anti oppressive practice both inside the church and beyond it

True to Our Native Land, Second Edition Brian K. Blount, Gay L. Byron, Emerson B. Powery, 2024-10-22 True to Our Native Land is a pioneering commentary on the New Testament that sets biblical interpretation firmly in the context of African American experience and concern In this second edition the scholarship is cutting edge updated and expanded to be in tune with African American culture education and churches The book calls into question many canons of traditional biblical research and highlights the role of the Bible in African American history accenting themes of ethnicity class slavery and African heritage as these play a role in Christian Scripture and the Christian odyssey of an emancipated people

Prayer and Vindication in Luke - Acts Geir O. Holmas, 2011-03-17 This is a comprehensive study of the literary function of prayer in Luke Acts employing narrative critical methodology and focusing on the theme s relation to Luke s historiographical aims Holmas asserts that the distribution of strategically placed prayer notices and prayers throughout Luke Acts serves a twofold purpose First it is integral to Luke s project of authenticating the Jesus movement as accredited by Israel s God Holmas shows that Luke presents a consistent pattern of divine affirmation and redemption attending the tenacious prayers of the faithful ones throughout every major phase of his narrative in turn demonstrating continuity with the pious Israel of the past Secondly most importantly the ultimate purpose of Luke s emphasis on prayer is didactical In Luke s gospel Jesus summons his disciples and implicitly his readers to confident and persistent prayer before the Eschaton assuring them of God s readiness to answer their entreaties Luke s historical account as a whole provides narrative reinforcement of this affirmation Just as God has been consistent in responding to the diligent prayers of his faithful ones in recent history satisfying and fulfilling Israel s hopes for redemption in the Jesus movement he will assuredly secure ultimate vindication at the end of time for those who persist in prayer It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches The Early Christianity in Context series a part of JSNTS examines the birth and development of early Christianity up to the end of the third century CE The series places Christianity

in its social cultural political and economic context European Seminar on Christian Origins and Journal for the Study of the Historical Jesus Supplement are also part of JSNTS The Cambridge Companion to Black Theology Dwight N. Hopkins, Edward P. Antonio, 2012-07-26 A comprehensive look at black theology and its connection with major doctrinal themes within Christianity from a global perspective John of History, Baptist of Faith James F. McGrath, 2024-10-04 Studies of the historical Jesus typically reduce John the Baptist to a subordinate role in the story of Christian origins This meticulous historical study focuses on John himself revealing his extensive and enduring influence In the popular imagination John the Baptist plays the supporting role of Jesus's unkempt forerunner But meticulous historical study reveals his wide reaching and enduring influence on the history of religion The first study of its kind John of History Baptist of Faith sheds light on the historical John the Baptist and his world James F McGrath applies historical critical methodology not only to the New Testament but also to the Mandaean Book of John a holy text of the last extant gnostic sect McGrath uses the teachings of John's pupil Jesus as a window into his mentor's beliefs Along the way he brings new clarity to questions of contention among scholars such as John's use of immersion as a substitute for temple sacrifice Bold in its claims yet careful in its method John of History Baptist of Faith lends fresh insight into John Jesus and their world McGrath's pioneering monograph will challenge and intrigue students and scholars of the New Testament and Second Temple Judaism **Among the Gentiles** Luke Timothy Johnson, 2009-01-01 Presenting a fresh inquiry into early Christianity and Greco Roman paganism Luke Timothy Johnson begins with a broad definition of religion as a way of life organized around convictions and experiences concerning ultimate power **The Fourfold Gospel, Volume 2** John DelHousaye, 2021-10-08 In the spirit of Ludolph of Saxony c 1295 1378 and Ignatius of Loyola 1491 1556 The Fourfold Gospel invites the reader into the mystery of God's redemption in Jesus Christ All the parallel passages in the Gospels are glossed together along with the unique material using a medieval interpretive approach called the Quadriga or the acronym PaRDeS in Hebrew Meditating on the literal canonical moral and theological senses of Scripture offers a scaffolding for the spiritual formation of the reader This volume focuses on the summoning and purgative stage of discipleship the Sermon on the Mount as well as participating in Christ's healing of creation **Early Patristic Readings of Romans** Kathy L. Gaca, L. L. Welborn, 2005-01-01 This volume traces the earliest receptions of Paul's Letter to the Romans seeking to elucidate their hermeneutical strategies as they endorse explain construct and rework Romans as a normative authority These early patristic readings of Romans by Clement of Alexandria Irenaeus Origen and others are pivotal Long before Augustine and Luther they set formative interpretive principles upon which is built the imposing yet diverse edifice of subsequent interpretations and uses of Romans By the end of the second century CE the letters of Paul had established themselves as authoritative bearers of divine revelation Yet the task of tracing the earliest receptions of Paul's Letter to the Romans is challenging because the thought world of the early Christians is remote molten largely oral and as such hard to trace The essays in this volume rise to the challenge by

explicating significant aspects of Paul's reception among early Christian readers. They ask: How did these readers construct Paul's view of pagan and Christian relations of the Gentiles? Of Jewish salvation? Of faith? Of resurrection? Of Christian Platonist principles? Contributors to this volume demonstrate specific ways in which Romans was appropriated to define the philosophy of Christian Platonism, a development which has had an enduring impact upon the creation of a Christian *paideia*. **Living Black Theology** Anthony G. Reddie, 2025-05-22 *Living Black Theology* provides a challenging and radical critique of the present world order. It argues that the world as we experience it presently has its roots in the era of slavery and European colonialism, especially the British empire, the largest example of imperialism in human history. Written by the first Professor of Black Theology in the history of the University of Oxford, *Living Black Theology* offers a bold reassessment of how we can rethink the past that will challenge our contemporary ways of living. Ultimately, this text seeks to help us reimagine and remake the future, one that is more equitable and just for all peoples. This is a landmark book. *Deconstructing Whiteness, Empire and Mission* Anthony G. Reddie, Carol Troupe, 2023-07-28 What happens when *Go Make Disciples* meets Black Lives Matter? Arising from the Council for World Mission's Legacies of Slavery project, this book offers an unapologetic exploration of Christian Mission and its history and the ways in which this legacy has unleashed notions of White supremacy, systemic racism, and global capitalism on the world. Contributors reflect on the past and consider the future of world mission in an age of renewed understandings of empire and its impact. Contributors include Mike Highton, David Clough, Eve Parker, James Butler, Cathy Ross, Jione Havea, Peniel Rajkumar, Victoria Turner, Carol Troupe, Michael Jagessar, Paul Weller, Jill Marsh, Kevin Ellis, Rachel Starr, Kevin Snyman, Al Barrett, and Ruth Harley. **The Seventh Book of the Stromateis** Matyáš Havrda, Vít Hušek, Jana Plátová, 2012-09-06 The seventh book of the *Stromateis* is the culmination of Clement of Alexandria's ethic. Introduced as an apology of the piety of the perfect Christian, the *gnostic* it broaches such topics as divine pedagogy, angelology, superstition, prayer, assimilation to God, martyrdom, eschatology, and the criteria of orthodoxy. This volume contains sixteen studies dealing with all major themes of the seventh book and the method of their presentation. It includes a Clementine bibliography of the last fifteen years and two appendices concerned with Clement's Hymn to Christ, the Saviour. The publication may serve as a companion to the reader of *Stromateis VII* and as a compendium of contemporary scholarship dealing with major aspects of Clement's thought in general. **Knowledge, Faith, and Early Christian Initiation** Alex Fogleman, 2023-10-19 Provides a new history of catechesis in early Latin Christianity that foregrounds core questions of knowledge, faith, and teaching.

This is likewise one of the factors by obtaining the soft documents of this **Lords Prayer Through North African Eyes A Window Into Early Christianity** by online.
