*The Perfect Family* Delena P. Lewis, 2011-07-21 Chicago's Bestselling Author Delena P Lewis has done it again with her 2nd phenomenal novel *The Perfect Family* Lloyd Strong faced the hardest obstacles any human being could ever encounter yet he worked hard and achieved his goal of creating a Strong family He and his wife Ann raised three Strong sons but the Strong family will be weakened by greed and lustful temptations Jason is the oldest son he's married to Karen they have a set of handsome twin boys Jason is selfish all he cares about is his freedom lusting after women and money However embezzling money from his employer has him feeling the heat of losing his six figure income job Troy the middle son a savvy hustler and truly a playboy the ladies are mesmerized by his bold street swagger The only young lady that has his heart is his baby girl Jasmine His love for her has him struggling between doing what's right or continuing to live his life on the edge Ross is the baby and a mama's boy His mother spoils him rotten and caters to his needs His father detests his flamboyant ways and he lets it be known Ross has a sharp eye for designer fashions and cosmetology and he uses it to his advantage in spite of his father's homosexual innuendos directed towards him Ann is the glue that holds the Strong family together Her husband and

sons have the utmost respect for her until they find out the deep dark secret she's been hiding that has gotten out of control. The Strong family is strong but they're about to be crushed under the weight of its burdens. In the end, not even the innocent family member will be spared.

**The Alchemy of Inner Work** Lorie Eve Dechar, 2020-07-01. My sincere hope is that everyone will read this treasure trove of essential inner knowledge. This book is a magnificent accomplishment. Caroline Myss, author of *Anatomy of the Spirit*, Alchemy is the science of transformation: how to change one thing into something else. In *The Alchemy of Inner Work*, Dechar and Fox examine how illness, suffering, and dis-ease, the lead of our lives, can become the gold of our authentic selves and the key to good health and well-being. Drawing on traditional Chinese medicine, Eastern and Western alchemical traditions, Kabbalah, and Jungian psychology, plus case studies from working with patients, the authors provide hands-on insights for bringing the soul of medicine back into our lives. The book includes a simple introduction to the ancient practices and principles of alchemy. How the alchemical model offers a profoundly new path to true health and well-being. An array of practices for removing the barriers that block our own healing energy. An invitation to alchemical dream work as a support on the path of healing.

**Crossing the Finish Line** Lorie Friedman, 2007-08. Finding comfort in the midst of a loved one's terminal illness can be difficult. It's a time of grief, stress, and an overall feeling of helplessness. Sometimes all we want is a sympathetic ear, someone who knows what we're going through. Lorie Friedman is that someone. After her father's terminal lung cancer diagnosis, Friedman experienced a myriad of emotions ranging from anger and fear to denial and disbelief. She felt caught in the time warp of waiting for her father to die, and there was little she could do about it. Throughout the last two weeks of her father's life, Friedman developed a closeness to the hospice employees, learned about the angel network, and became all too familiar with his medications. She longed for solace with others who had endured a loved one's terminal illness but resources that dealt specifically with the time frame between diagnosis and death weren't available. *Crossing the Finish Line* fills that gap. Candid and gentle, Friedman shares her intimate thoughts and emotions about this delicate time in her life, offering much-needed support and comfort to anyone on the same journey.

**The Shaman's Path** Lorie Allen, 2013-05. *The Shaman's Path* takes you on a guided journey to discover your life's purpose. Exercises and meditations take you on an experiential path on which you identify your issues, explore your ancestral ties and relationships, and examine your everyday roles. All of these are released through personal work and ceremony. At the end of the journey, you discover your destiny and move forward with a different perspective about yourself and the world around you. Rooted in the Shamanic practices of the medicine men and women of the High Andes in Peru, the author has taken what has been an oral tradition and concisely explained its history and its practical applications to modern life in North America and elsewhere. By completing the exercises in this book, you move out of time and space and learn to navigate the pathways to the lower and upper worlds through Shamanic journeying, meet and communicate with spirit guides and power animals, and come to a place where the mind and spirit can find healing. Working closely with the Earth, the author describes sacred ceremonies

to create a deep connection with your place of being in the world Options for working alone or in a group are provided The work is not easy or fast but the author offers you step by step guidance and advice as well as personal examples to help along the way The author s journey through the work described was one of personal transformation and joy and she wishes you many insights and great blessings as you begin your own journey to the healed state
