**Rescue at Los Baños** Bruce Henderson,2024-03-19 From the New York Times bestselling author of Sons and Soldiers comes the incredible true story of one of the greatest military rescues of all time In February 1945 as the US victory in the Pacific drew nearer the Japanese army grew desperate and its soldiers guarding U S and Allied POWs more sadistic Starved shot and beaten many of the 2 146 prisoners of the Los Ba os prison camp in the Philippines most of them American men women and children would not survive much longer unless rescued soon Deeply concerned about the half starved and ill treated prisoners General Douglas MacArthur assigned to the 11th Airborne Division a dangerous rescue mission deep behind enemy lines that became a deadly race against the clock The Los Ba os raid would become one of the greatest triumphs of that war or any war hailed years later by Chairman of the Joint Chiefs of Staff General Colin Powell I doubt that any airborne unit in the world will ever be able to rival the Los Ba os prison raid It is the textbook operation for all ages and all armies Combining personal interviews diaries correspondence memoirs and archival research Rescue at Los Ba os tells the story of a remarkable group of prisoners whose courage and fortitude helped them overcome hardship deprivation and cruelty and of the young American soldiers and Filipino guerrillas who risked their lives to save them Riveting Readers will be both shocked by the conditions that POWs had to endure and appreciative of the bravery and ingenuity of that generation we have come to call the greatest The Washington Post      **The Los Banos Raid** E. relentless Japanese army and the combined forces of monsoons swamps mud privation and disease General Joseph Swing s rowdy paratroopers of the 11th Airborne Division nicknamed the Angels fought in some of the war s most dramatic campaigns from bloody skirmishes in Leyte s unforgiving rainforests to the ferocious battles on Luzon including the hellish urban combat of Manila The Angels were trained as elite shock troops but high American casualties often forced them into action as ground pounding infantrymen Surviving on airdropped supplies and reinforcements the Angels fought their way across nearly impassable terrain emerging as one of the most lethal units in the Pacific War Their final task was the occupation of Japan where they were the first American boots on the ground Angels Against the Sun is an unforgettable account of the liberation of the Philippines In the tradition of Band of Brothers historian and former paratrooper James M Fenelon offers a grunt s eye view of the war This is a soldier s history at its best **Captured** Frances B. out of celebrating the fourth of July right in front of his armed Japanese captors A hardened Japanese veteran of Manchuria China and Bataan reveals his hidden humanity While others are being beheaded in Fort Santiago a Japanese guard risks his own life to spare the life of a Filipino friend At risk of his life Stephen provides an American flag to a Filipino guerilla for use in signaling American submarines In all this struggle how can the Smiths find the physical emotional and spiritual resources to survive the crucible of war This book tells how **Great Wartime Escapes and Rescues** David W. Mills, Kayla L.

Westra, 2019-05-17 Students military historians and casual readers will all find this compelling collection useful in learning about escape strategies hostage situations and rescue operations during times of conflict Great Wartime Escapes and Rescues tells the captivating stories of dozens of escapes and rescues from conflicts dating from the 16th century to present with extensive coverage of the world wars of the 20th century and the Vietnam War In addition escapes and rescues related to terrorist activities and regional conflicts are featured Some stories of escapes and rescues included in this work have been written about extensively and portrayed in films including The Great Escape and Captain Phillips rescue by Navy SEALs Other stories are less widely known but just as absorbing The book opens with a detailed introductory essay that illuminates the government policies and tactics various countries have used to rescue soldiers and civilians during wartime as well as the diverse methods that prisoners of war have used to escape notorious camps and prisons The entries organized alphabetically are augmented by engaging sidebars related to the escapes and rescues The book also includes references to such sources as autobiographies biographies news accounts and interviews with veterans **Military Review**, 1987 *Not Forgotten*

Gregory Hall, 2006-12-13 As a result of his research for this WWII novel Gregory Hall travelled to the Philippines with a History Channel film crew as well as with four of the surviving WWII participants During the documentary filming he visited the sites of the two internment camps Los Banos and Santo Tomas Additionally he visited the locations of the beachhead where the amphibious tracked vehicles AMTRAC s came ashore the airfield used by the paratroopers who parachuted into the action as well as the vacated prison where the liberated prisoners were taken The author spent numerous years researching the liberation and has personally met many of the participants Over the years he has attended six reunions of the former paratroopers and internees This novel weaves the experiences and stories shared by many of the participants Gregory Hall s father served as a paratrooper in the US Army s 11th Airborne Division during the rescue Like Father Like Son the author enlisted in the US Army and became a paratrooper albeit a second generation paratrooper during the Vietnam era He served with the US Army s 82nd Airborne Division during the mid 1970 s attaining the rank of Sergeant E 5 in the Airborne Infantry The novel has been a work of passion for Gregory Hall The desire to write this novel dates back to when the author was stationed at Fort Bragg North Carolina His father like many WWII veterans rarely talked about the war The author took advantage of being in an airborne division and began researching his father s unit It became evident to him that the heroic exploits of US paratroopers in the Pacific Theater of Operations were overshadowed by their brother paratroopers in the

European Theater of Operations Similarly the successful rescue of over 2 000 prisoners from 30 miles behind enemy lines in the Philippines was overshadowed by another historical event that occurred on the very same day February 23 1945 That event was the raising of the American flag by US Marines on Mount Suribachi on the island of Iwo Jima The author is retired after a 24 year career as an FBI Special Agent He has appeared as a military historian on the History Channel s two hour documentary RESCUE AT DAWN THE LOS BANOS RAID The television documentary was heavily influenced by the author s research for this novel You can visit the novel s website at <https://notforgottennovel.com> Separately from this work Gregory Hall has also appeared on both the DISCOVERY and TRAVEL channels as a cold case criminal researcher on the television show EXPEDITION UNKNOWN hosted by international adventurer Josh Gates The author and Mr Gates revisited the legendary skyjacking of an airliner by a person dubbed by the media as DB Cooper The author s groundbreaking and highly plausible theory of the skyjacking DB Cooper Step Out Of The Shadow has been published on WordPress at <https://retiredinvestigator.wordpress.com>

**The Conduct of Hostilities in International Humanitarian Law, Volume I** Wolff Heintschel von Heinegg, 2023-06-14 This volume is the first of two addressing the legal regime governing the use of force during armed conflicts Traditionally labeled Hague Law today the norms it examines are commonly referred to as conduct of hostilities rules At the heart of this body of law is the principle of distinction which requires that civilians and civilian objects be distinguished from combatants and military objectives during military operations It is the purest expression of the foundational balance between humanitarian considerations and military necessity that has underpinned international humanitarian law since its inception The essays selected consider the theoretical and practical difficulties of maintaining the balance in the face of evolving means and methods of warfare and competing perspectives as to how it is best achieved Also addressed is the law governing warfare at sea and in the air Essays focusing on the former examine early norms and analyze their continuing relevance to today s maritime operations whilst those exploring the latter inject much needed clarity into the subject an essential task in light of the centrality of aerial warfare in modern combat operations **Army**, 1983 **Love in an Altered State** William J. Potaka Jr., 2011-01-04 LOVE IN AN ALTERED STATE encompasses many aspects of the life and times of a seemingly ordinary man and his contribution to posterity The story begins with the fact that Bill has suffered a debilitating cerebral stroke The time line begins approximately 60 years after the end of World War II in which Bill served as a paratrooper Because of his poor health he now appears older than his 86 years To his very young great grandchildren he is seen as an old man in a wheelchair The ignorance of youth has masked the fact that he was once youthful and that he led a remarkable life full of achievement Much of his life was molded by his heritage and the turbulence of the early 1940s the preceding Great Depression and World War II It is a story of humble beginnings in a Western Pennsylvania coal patch town It is a tale of hard work love and separation duty honor and patriotism The story describes his early home life and family and how he had to quit school to work in the mines to help the family through tough economic times The book tells the story of

his loving wife Flo and their courtship and early years It is a story that exemplifies the power of love It details the feeling of separation they endured during Bill's nearly three years of military service Bill's military service is chronicled through the archives of the 11th Airborne Division and other military histories The actions of the 11th Airborne are interspersed with Flo's life on the home front From humble beginnings to a young husband and father in harm's way to a returning veteran trying to achieve the American Dream to a life time of community service and achievement in business Bill has now arrived at his life in an altered state

*Knight's Move* David Greentree, 2012-06-20 On 25 May 1944 800 men of the 500th SS Parachute Battalion descended on Drvar a town behind enemy lines in north western Bosnia Their aim was to kill or capture Tito the leader of the partisan movement in the region The plan was to land the battalion by glider and parachute in two waves which would be relieved the next day by a ground assault Tito knew an attack was imminent but dismissed the idea of an airborne assault The attempt to eliminate Tito was a colossal failure The elite battalion had been decimated with only 200 men fit for duty the next day Inter agency rivalry between the Abwehr and the SS had meant that intelligence was not shared a problem exacerbated by a failure to exploit HUMINT about Tito's precise location and the adoption of a plan that did not take into account these intelligence limitations
