Los Hijos De Sanchezthe Children Of Sanchez:

The Children of Sanchez Oscar Lewis,2011-11-29 A pioneering work from a visionary anthropologist The Children of Sanchez is hailed around the world as a watershed achievement in the study of poverty a uniquely intimate investigation as poignant today as when it was first published It is the epic story of the Sanchez family told entirely by its members Jesus the 50 year old patriarch and his four adult children as their lives unfold in the Mexico City slum they call home Weaving together their extraordinary personal narratives Oscar Lewis creates a sympathetic but ultimately tragic portrait that is at once harrowing and humane mystifying and moving An invaluable document full of verve and pathos The Children of Sanchez reads like the best of fiction with the added impact that it is all undeniably true **Diccionario de escritores mexicanos, siglo XX: D-F** Universidad Nacional Autónoma de México. Centro de Estudios Literarios,1988 **Family Secrets** Gloria González-López,2017-06-20 Real personal accounts of sixty Mexican women and men affected by incest and sexual violence In Family Secrets Gloria Gonz lez L pez tells the life stories of women and men in Mexico whose lives were irrevocably changed in the wake of childhood and adolescent incest In Mexico a patriarchal religious society where women are expected to make themselves sexually available to men and where same sex experiences for both women and men bring great shame incest is easily hidden seldom discussed and rarely reported to authorities Through a gripping emotional narrative Gonz lez L pez brings the deeply troubling hidden and unspoken issues of incest and sexual violence in Mexican families to light She contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it She examines the strong bonds of familial obligation between parents and children brothers and sisters and elders and youth that in the case of incest can morph into sexual obligation the codes of honor and shame reinforced by tradition and the Church discouraging openness about sexual violence and trauma and the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse A riveting account Family Secrets turns a feminist and sociological lens on a disturbing issue that has gone unnoticed for far too long **Policing the Mexican Past** Javier Trevino-Rangel,2022-04-21 This book critically examines transitional justice in Mexico It explores how the Mexican democratic regime dealt with the grave human rights violations perpetrated by security forces during the authoritarian era 1929 2000 through a Special Prosecutor s Office It offers a complete account of the diverse factors that facilitated the emergence and policing of Mexico s transitional justice process Whilst transitional justice should contribute to the advancement of liberal democracy and consequently generate the following benefits truth justice political reconciliation peace this book argues that Mexico is a case of transitional injustice It is an example of how in some societies transitional justice mechanisms are intentionally implemented in ways that instead of generating justice produce impunity It makes important contributions to some of the broader debates addressed by scholars on transitional justice and gives them reason to re examine transitional justice processes in other countries in a new light Remembering
