Lost Christianities Lost Scriptures Set:

Lost Christianities Bart D. Ehrman, 2005 Focusing on key historical texts a biblical authority offers a revealing look at the early church and the intense struggle to form the canon of the New Testament 11 halftones **Secret Scriptures Revealed** Tony Burke, 2013-12-19 The Christian Apocrypha burst into the public consciousness in 2003 following the publication of *The Da Vinci Code* by Dan Brown Interest in the wide assortment of texts not included in the Bible has remained strong ever since Although much has been written and said on the subject misunderstandings still abound Tony Burke's *Secret Scriptures Revealed* dismantles the many myths and misconceptions about the Christian Apocrypha and straightforwardly answers common questions like these Where did the apocryphal texts come from and who wrote them Why were they not included in the Bible Is reading these texts harmful to personal faith The book describes and explains numerous fascinating apocryphal stories including many that are not well known Instead of dismissing or smearing the Christian Apocrypha Burke shows how these texts can help us better understand early Christian communities and the canonical Bible **Lost Scriptures** Bart D. Ehrman, 2003-10-02 While most people think that the twenty seven books of the New Testament are the only sacred writings of the early Christians this is not at all the case A companion volume to Bart Ehrman's *Lost Christianities* this book offers an anthology of up to date and readable translations of many non canonical writings from the first centuries after Christ texts that have been for the most part lost or neglected for almost two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Readers will find Gospels supposedly authored by the apostle Philip James the brother of Jesus Mary Magdalen and others There are Acts originally ascribed to John and to Thecla Paul's female companion there are Epistles allegedly written by Paul to the Roman philosopher Seneca And there is an apocalypse by Simon Peter that offers a guided tour of the afterlife both the glorious ecstasies of the saints and the horrendous torments of the damned and an Epistle by Titus a companion of Paul which argues page after page against sexual love even within marriage on the grounds that physical intimacy leads to damnation In all the anthology includes fifteen Gospels five non canonical Acts of the Apostles thirteen Epistles a number of Apocalypses and Secret Books and several Canon lists Ehrman has included a general introduction plus brief introductions to each piece This important anthology gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era *The Secret Gospel of Mark* Geoffrey S. Smith, Brent Landau, 2023-01-01 A groundbreaking account of the Secret Gospel of Mark one of the most hotly debated documents in Christian history In 1958 at the ancient Christian monastery of Mar Saba just outside Jerusalem Columbia University scholar Morton Smith claimed to have unearthed a letter written by the Christian philosopher Clement of Alexandria and containing an excerpt from a previously unknown version of the canonical Gospel of Mark This excerpt recounts a story of Jesus's apparent sexual encounter with a young resurrected disciple In recent years an influential group

of researchers has alleged that no Secret Gospel or letter of Clement existed in antiquity and that the manuscript that Morton Smith found was a modern forgery created by none other than Smith himself In this book Geoffrey S Smith and Brent C Landau enter into the controversy surrounding this document and argue that the Secret Gospel of Mark is neither a first century alternative gospel nor a twentieth century forgery by the scholar who announced its discovery Instead this account is intimately bound up with the history of Mar Saba one of the oldest monasteries in the Christian world In this fascinating work Smith and Landau present the realities and misconceptions surrounding not only the now lost manuscript but also its brilliant enigmatic and acerbic discoverer Morton Smith *The Gospel According to the Novelist* Magdalena Maczynska,2015-08-27 Why have so many prominent literary authors from Philip Pullman and Jos Saramago to Mich le Roberts and Colm T ib m recently rewritten the canonical story of Jesus Christ What does that say about our supposedly secular age In this insightful study Magdalena Maczynska defines and examines the genre of scriptural metafiction novels that not only transform religious texts but also draw attention to these transformations In addition to providing rich examples and close readings Maczynska positions literary studies within interdisciplinary debates about religion and secularity Her book demonstrates a surprising turn of events even as contemporary novelists deconstruct the traditional categories of secular and sacred writing they open up new spaces for scripture in contemporary culture *Introduction to the Synoptic Gospels* PHEME PERKINS,2009-11-13 In this book respected New Testament scholar PHEME PERKINS delivers a clear fresh informed introduction to the earliest written accounts of Jesus Matthew Mark and Luke situating those canonical Gospels within the wider world of oral storytelling and literary production of the first and second centuries Cutting through the media confusion over new Gospel finds PERKINS s *Introduction to the Synoptic Gospels* presents a balanced responsible look at how the Gospels of Matthew Mark and Luke came to be and what they mean *In Defense of the Bible* Steven B. Cowan,Terry L. Wilder,2018-11-26 In *Defense of the Bible* gathers exceptional articles by accomplished scholars Paul Copan William A Dembski Mary Jo Sharp Darrell L Bock etc addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture **Forbidden Texts on the Western Frontier** Tony Burke,2016-01-28 North American study of the Christian Apocrypha is known principally for its interest in using noncanonical texts to reconstruct the life and teachings of Jesus and for its support of Walter Bauer s theory on the development of early Christianity The papers in this volume presented in September 2013 at York University in Toronto challenge that simplistic assessment by demonstrating that U S and Canadian scholarship on the Christian Apocrypha is rich and diverse The topics covered in the papers include new developments in the study of canon formation the interplay of Christian Apocrypha and texts from the Nag Hammadi library digital humanities resources for reconstructing apocryphal texts and the value of studying late antique apocrypha Among the highlights of the collection are papers from a panel by three celebrated New Testament scholars reassessing the significance of the Christian Apocrypha for the study of the historical Jesus **Forbidden Texts on the Western**

postcolonial analysis and narrative criticism among others These practical hands on applications enable students to move from an abstract understanding of the New Testament to a ready ability to make meaning from Scripture Survival and Success of an Apocryphal Childhood of Jesus Marijana Vukovic,2022-04-19 This book explores the transformations of the Infancy Gospel of Thomas in the Middle Ages It also connects the different representations of children childhood everyday and family life in the distinct textual versions to the ancient and medieval settings in which they appear The text survived and influenced ideas and mentalities that shaped medieval minds in the East and the West but also enhanced anti Jewish sentiments The Making of the New Testament Arthur G. Patzia,2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of The Making of the New Testament is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul s letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh **A Festschrift in Honor of Rami Arav** Richard Freund,Fred Strickert,2019-05-14 Bethsaida a fishing town on the north end of the Sea of Galilee plays a prominent role in the Gospels was home for several of Jesus disciples and was the location of the feeding of the 5 000 and many of Jesus other healings However the Golden Age of Biblical Archaeology all but ignored this important site until 1987 when a young Israeli archaeologist Rami Arav undertook a probe revealing early Roman pottery coins and the remains of domestic buildings This led to a thirty two year long research project at Bethsaida adding to our knowledge of the Historical Jesus and his disciples and acting as a window into the world of common first century men and women going about their daily lives in the realm of the family of the Emperor Augustus and the Herodians The big surprise was that layers below the surface and a thousand years earlier there also appeared a major iron age capital city of the Geshurites with a magnificent palace impregnable city walls a massive four chamber gate system and many religious symbols This volume honors the work of Arav who tirelessly dedicated himself to this dig establishing the Bethsaida Excavations Project and bringing together a consortium of Universities and Colleges and a diverse team of

international scholars who have joined in collaborative research to uncover the story of Bethsaida In this volume a representative selection of Bethsaida scholars shares their research to demonstrate the success of Arav's venture spanning over three decades The Resurrection of Jesus Michael R Licona, 2020-05-21 The question of the historicity of Jesus resurrection has been repeatedly probed investigated and debated And the results have varied widely Perhaps some now regard this issue as the burned over district of New Testament scholarship Could there be any new and promising approach to this problem Yes answers Michael Licona And he convincingly points us to a significant deficiency in approaching this question our historiographical orientation and practice So he opens this study with an extensive consideration of historiography and the particular problem of investigating claims of miracles This alone is a valuable contribution But then Licona carefully applies his principles and methods to the question of Jesus resurrection In addition to determining and working from the most reliable sources and bedrock historical evidence Licona critically weighs other prominent hypotheses His own argument is a challenging and closely argued case for the historicity of the resurrection of Jesus the Christ Any future approaches to dealing with this prize puzzle of New Testament study will need to be routed through The Resurrection of Jesus
