Thomas Gustafson,2024-06-14 One of the best known novels taking place in New Jersey Philip Roth s 1997 American Pastoral

uses the fictional hamlet of Old Rimrock NJ as a microcosm for a nation in crisis during the cultural upheavals of the 1960s 70s Critics have called Old Rimrock mythic but it is based on a very real place the small Morris county town of Brookside New Jersey American Anti Pastoral reads the events in Roth s novel in relation to the history of Brookside and its region While Roth s protagonist Seymour Swede Levov initially views Old Rimrock as an idyllic paradise within the Garden State its real world counterpart has a more complex past in its origins as a small industrial village as well as a site for the politics of exclusionary zoning and a 1960s anti war protest at its celebrated 4th of July parade Literary historian and Brookside native Thomas Gustafson casts Roth s canonical novel in a fresh light as he studies both Old Rimrock in comparison to Brookside and the novel in relationship to NJ literature making a case for it as the Great New Jersey novel For Roth fans and history buffs alike American Anti Pastoral peels back the myths about the bucolic Garden State countryside to reveal deep fissures along the fault lines of race and religion in American democracy

the nature of literary fame through a case study of Thomas Pynchon whose carefully guarded anonymity and ironic distance from capitalism are reflected in the networks his readers construct around his long challenging books In stark contrast Toni Morrison the subject of Chapter 2 has succeeded critically and commercially tirelessly seeking out readers to form literary communities around her writing most prominently through her collaboration with Oprah's Book Club Chapter 3 considers David Foster Wallace and Junot Diaz and sets out a model for contemporary literary culture a reading society that demands new forms of authorial reflexivity to mirror the collaborative iterative nature of digital literary conversations I conclude with a brief consideration of the exciting prospects and challenges for fiction in a world that reads more than ever but is growing disaffected with the material realities of literary production
