Destroyers At Normandy: Naval Gunfire Support At Omaha Beach [Illustrated Edition] William B. Kirkland, 2015-11-06 Includes numerous maps and illustrations This monograph provides first hand accounts of Destroyer Squadron 18 during this critical battle upon which so much of the success of our campaign in Europe would depend Their experience at Omaha Beach can be looked upon as typical of most U S warships engaged at Normandy On the other hand from the author's research it appears evident that this destroyer squadron with their British counterparts may have had a more pivotal influence on the breakout from the beachhead and the success of the subsequent campaign than was heretofore realized Its contributions certainly provide a basis for discussion among veterans and research by historians as well as a solid professional account of naval action in support of the Normandy landings *Hampton's*

Shakespeare and Lost Plays David McInnis, 2021-03-25 Shakespeare and Lost Plays returns Shakespeare s dramatic work to its most immediate and arguably pivotal context by situating it alongside the hundreds of plays known to Shakespeare s original audiences but lost to us David McInnis reassesses the value of lost plays in relation to both the companies that originally performed them and to contemporary scholars of early modern drama This innovative study revisits key moments in Shakespeare s career and the development of his company and by prioritising the immense volume of information we now possess about lost plays provides a richer more accurate picture of dramatic activity than has hitherto been possible By considering a variety of ways to grapple with the problem of lost imperceptible or ignored texts this volume presents a methodology for working with lacunae in archival evidence and the distorting effect of Shakespeare centric narratives thus reinterpreting our perception of the field of early modern drama
