*The Rise of the Kingdom of Heaven, Volume 1 (Paperback)* Gerhard Alm, 2008-10-25 Living in a Hippie Community in the Australian rainforest I in January 1992 started to write about my visions and spiritual experiences I described ten places in our heads as homes of the human spirit There are many publicly known people who are involved in the move of the Earth to a higher dimension in 2013 More than 200 000 people live on Earth and at the same time on a

parallel world which is a home for immortal people The evangelist John spoke with a Cross of Light I believe that a new Cross of Light will appear on Earth soon In July 1979 I met the devil and his wife on the inner German border I name some people who have been the devil of previous Earth like planets in older universes Alex Collier wrote in 95 that since my 40th birthday on 3 23 1994 vibrations leave all black holes of our local universe changing its nature lifting all planets into higher dimensions I believe these frequencies come from the Immortals living on Earth now including me An Earnest and Serious Answer to Dr. Trapp's Discourse; An Appeal to all who Doubt the Truths of the Gospel, Volume 6 William Law,2001-03-12 **The Works of the Reverend William Law, M.A., Sometime Fellow of Emmanuel College, Cambridge** William Law,1762 *Legend* Ceroromo Bragg,2015-06-15 Legend is a combined poetry book of all 3 published books of Ceroromo Bragg plus more As his writing legacy comes to a close we want to share with you a must have poetry book that has set the world on fire Poems of struggle pain love grief happiness and success are in this book An epic read get your copy today and be a part of history Ceroromo Bragg has conquered all and he is sharing his story with you Support raw poetry 95%% his own conviction you will want to read more and more This is his Legacy for he is Legend **Anecdotes for the Fireside, Or, A Manual for Home** ,1850 **The Preacher in the House; Or, Family Sabbath Readings** David Thomas Kerr Drummond,1851 **Revival the True Fairy Tale** L.K. Thornton,2016-03-24 Revival the True Fairy Tale is a Christian science fiction story that is biblical and scriptural based about a young girl and a little boy who embarks on a journey and experience great wonders on earth heaven and hell to have a Revival for Jesus Christ on a very special land based on biblical scriptures The characters Nina and Kyle take a spiritual expedition that administers scripture through adventure and suspense Not recommended for small children You re invited to the land that is not too far away [http www revivalthetruefairytales com](http://www.revivalthetruefairytales.com) [http revivalttft wix com book web page](http://revivalttft.wix.com/book/web/page) *The Lion that Swallowed Hemingway* Orest Stocco,2014-07-06 The saddest people in the world are those that have been brought as far as life can take them in the evolution of their individuality because the longing in their soul for wholeness and singleness of self cannot be satisfied by life and one does not know what to do to fill the hollow in their soul and be the person they are destined to be like my high school hero Ernest Hemingway No matter how much life he experienced he never seemed to get enough of it like marlin fishing in the Gulf Stream which so tested his manhood that he had to prove himself over and over and over again and in the process winning trophies and adulation that fed his massive ego which in turn demanded more attention a never ending cycle that drove the great author to despair and suicide
