Lost Treasures of Scotland Jack Forbes, Pauline B. Innis, 1986-01-01 The Lost Treasure of the Knights Templar Steven Sora,1999-02-01 A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island Nova Scotia that has baffled treasure hunters for two centuries Fascinating occult detective work linking the Cathars the Scottish Masons and Renne le Chateau to the elusive treasure pit on Oak Island Draws on new evidence recently unearthed in Italy France and Scotland to provide a compelling solution to one of the world's most enduring mysteries When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power yet none of the treasure the Templars amassed has ever been found Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France Placing a Scottish presence in the New World a century before Columbus Steven Sora paints a credible scenario that the Sinclair clan of Scotland transported the wealth of the Templars entrusted to them as the Masonic heirs of the order to a remote island off the shores of present day Nova Scotia The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it All of these efforts one even financed by American president Franklin Delano Roosevelt have failed thanks to an elaborate system of booby traps false beaches hidden drains and other hazards of remarkable ingenuity and technological complexity Lost Treasures of the World Michael Groushko, Mike Groushko, 1986 **Tombs and Cursed Treasure** Robyn Hardyman, 2016-12-15 Long told tales of lost tombs and hidden treasure have survived even into today s atmosphere of skepticism Some of these artifacts definitely exist their locations have just been forgotten Others are truly myths Readers want to know what is legend and which treasure to pursue This compelling tome is their guide There s plenty of history to explore as they learn about lost Inca gold cursed Egyptian crypts poisoned tombs in China the missing grave of Genghis Khan and untold amounts of shipwrecked treasure A beautiful design including historical and fantastical images serves to heighten interest in this must read volume Secrets of the World's Undiscovered Treasures Patricia Fanthorpe, 2009-03-23 Treasures of many kinds still lie hidden below crumbling castles and ruined monasteries in macabre tombs in subterranean labyrinths and sinister caverns Many sunken treasures lie beneath the seas oceans and lakes of the world Vast stores of pirate gold are still hidden on many a real life treasure island such as Oak Island at Mahone Bay Nova Scotia Many treasures were looted hidden and lost after the two World Wars Hermann Goering for example one of most powerful leaders of Nazi Germany is strongly suspected of hiding huge treasures at Veldenstein and Lake Zeller This fascinating expertly researched book brilliantly reveals all these unsolved mysteries The final section covers useful ideas for treasure seekers the study of old maps and charts coded messages secret symbols and intensive research into the lives and locations of those people through out history who probably in all certainty had treasure
