## **Lost And Found House:**

The Lost and Found House Michael Cadnum,1997 A young boy describes how he and his parents feel when they leave their old house and move to a new house in another town      *Our Lady of the Lost and Found* Diane Schoemperlen,2002-07-30 One Monday morning in April a middle aged writer walks into her living room to water the plants and finds a woman standing beside her potted fig tree Dressed in a navy blue trench coat and white Nikes the woman introduces herself as Mary Mother of God You know Mary Instead of a golden robe or a crown she arrives bearing a practical wheeled suitcase Wary after two thousand years of adoration and petition Mary is looking for a little R R She is asked in for lunch and decides to stay a week As the story of their visit unfolds so does the story of Mary one of the most complex and powerful female figures of our time and her changing image in culture art history as well as the thousands of recorded sightings that have placed her everywhere from a privet hedge to the dented bumper of a Camaro As this Everywoman and Mary become friends their conversations both profound and intimate touch upon Mary's significance and enduring relevance Told with humor and grace *Our Lady of the Lost and Found* is an absorbing tour through Mary's history and a thoughtful meditation on spirituality our need for faith and our desire to believe in something larger than ourselves      My Lost and Found Life Melodie Bowsher,2007-11-27 When her mother is accused of embezzling a million dollars and vanishes spoiled selfish Ashley must fend for herself by finding a job and a place to live      *At the Lost and Found* Edward Curtin,2025-03-01 *At the Lost and Found* is a dazzling exploration of the most important issues of our time written in a style that defies categorization Open it at any chapter and you will be hooked by themes and sentences that are a moveable feast for head heart and spirit Each chapter is like a river journey that will twist and turn your mind down unexpected tributaries that you never thought to follow And when you reach the end you will realize you have been traveling one mighty river and all your meandering thoughts and reveries have transported you past places called Lost and Found where you stopped briefly to satisfy your immense hunger for understanding and meaning in a world gone mad Reading Edward Curtin is a feast of many complementary dishes served human family style His writing is truly unique fusing the political with the personal art with astute objective analyses and the tragic with the comic From a detailed critique of the Internet and cell phones one passes effortlessly to the linked bewitchment of CIA propaganda and its assassinations of President Kennedy and the Reverend Martin Luther King Jr There are highlights on pot shops and lowlifes Donald Rumsfeld and Allen Dulles meditations on time remembering and forgetting the endless evil of U S wars waged around the world nuclear war and Trident submarines Leftist betrayals the U S war against Russia through Ukraine capitalism and consumerism the Israeli genocide of Palestinians the corruption of the U S political system the connection between bread rebellion and the search for happiness Bob Dylan music basketball and much more This feast of complementary dishes is moving and memorable Like the mighty river journey it will bring you to a place of gratitude Unlike straightforward political analyses *At the Lost and Found* weaves politics through the

personal and every person's search for understanding happiness and hope in a world on the edge of an abyss. Slyly laced within it, one will find the author's personal story lightly limned to suggest that Thoreau was right to remind us that it is always the first person that is speaking, not some disembodied, purely objective abstraction. Curtin's writing follows in the tradition of other essayists who saw life whole, such as James Baldwin, John Berger, and Albert Camus. Add a touch of sly wit, whimsy, and storytelling, and you have the ingredients that make *At the Lost and Found* a tour de force.

After five years of destruction and chaos, a brainwashed world careens towards annihilation. An unlikely cast of characters pulls it together with bootstrapped tech on borrowed time to beat back corporate giants and contain the mindless mob. It's the fight of their lives in this near future sci-fi thriller. Ashley Winston's lost it all: her lover, her reputation, and her empire. Rival corporations have stolen and weaponized the Rainmakers, her father's airships. She can't resist a good fight, and for her and her ragtag crew, this is *The Good Fight*. How can they win against the infinite resources of an emerging teleportation corporate giant, the Port Authority? If Winston fails, this showdown in Wyoming will establish one iron-fisted powerhouse to rule them all. Laramie locals and Eat the Rich rebels join the fray. Already impossible odds just get worse when the fight draws unwarranted attention from the future. Relentless, no-quarter warriors descend by the dozen. These time-traveling huntsmen will stop at nothing to get the results they came for. Surviving all this in the shadow of a Lightning's Hand seems less likely with every chapter. You've found the read you need. Get it now.

*Lost and Found* offers a new understanding of modern Japanese regionalism by revealing the tense and volatile historical relationship between region and nation in the late nineteenth and early twentieth centuries. Aizu, a star-crossed region in present-day Fukushima prefecture, becomes a case study for how one locale was estranged from nationhood for its treasonous blunder in the Meiji Restoration, yet eventually found a useful place within the imperial landscape. Local mythmakers, historians, memoirists, war veterans, and others harmonized their rebel homeland with imperial Japan so as to affirm ironically the ultimate integrity of the Japanese polity. What was once lost and then found again was not simply Aizu's sense of place and identity, but the larger value of regionalism in a rapidly modernizing society. In this study, Hiraku Shimoda suggests that

region which is often regarded as a hard natural place that impedes national unity is in fact a supple and contingent spatial category that can be made to reinforce nationalist sensibilities just as much as internal diversity
