Rose Army, 1992 In Numbers Victor Brand, 2009 In Numbers is a survey of serial publications dating from 1955 To The present day that have been produced by artists from around the world Amid historical groundswells like the rise of the little press in the 1960s The correspondence art movement of the early 1970s And The DIY culture of zines in the 1980s and early 1990s professional artists have seized on the format of magazines and postcards as sites for a new kind of art production These are not publications that feature news items criticism manifestos or reproductions of artworks but are themselves artworks often collaborative and idiosyncratic In large part they are produced by younger artists operating at the peripheries of mainstream art cultures or by established artists looking for an alternative To The marketplace This publication is the first

volume to define an overlooked art form that is neither artists book nor ephemera but entirely its own unique object This survey includes Raymond Pettibon's Tripping Corpse Maurizio Cattelan's Permanent Food and many other contemporary examples such as North Drive Press and Continuous Project Approximately 60 publications are surveyed in total In Numbers documents the history of each publication its inception production distribution and significance together with a thorough completely illustrated bibliography for each title Co published with PPP Editions New York English text **Cinefantastique**, 1990 Lugosi Gary Don Rhodes, 2015-09-03 He was born Bela Ferenc Dezso Blasko on October 20 1882 in Hungary He joined Budapest's National Theater in 1913 and later appeared in several Hungarian films under the pseudonym Arisztid Olt After World War I he helped the Communist regime nationalize Hungary's film industry but barely escaped arrest when the government was deposed fleeing to the United States in 1920 As he became a star in American horror films in the 1930s and 1940s publicists and fan magazines crafted outlandish stories to create a new history for Lugosi The cinema's Dracula was transformed into one of Hollywood's most mysterious actors This exhaustive account of Lugosi's work in film radio theater vaudeville and television provides an extensive biographical look at the actor The enormous merchandising industry built around him is also examined Heritage Comics Auctions, Dallas Signature Auction Catalog #819 Ivy Press, 2005-12

Barnett Newman Amy Newman, 2025-10-28 The definitive biography of a transformational American artist and the city that shaped him Barnett Newman 1905-1970 a founding member of the abstract expressionist movement was a contemporary of such figures as Jackson Pollock Willem de Kooning Mark Rothko and Clyfford Still He left behind only 118 finished paintings six sculptures and 83 acknowledged drawings yet is often regarded as the greatest painter to have emerged after the Second World War Barnett Newman is the definitive biography of a charismatic New Yorker who defied the rules and created an art of the sublime This landmark book features original research conducted over decades using scores of interviews oral histories and previously unseen correspondence to paint a richly textured portrait of a creative sage who became an exemplar of the artist citizen Born in New York to Polish Jewish immigrant parents he grandly aspired to involve himself in every detail of the city's life He was a crusader for the civil service ran against La Guardia for mayor worked as a teacher wrote poetry criticism and manifestos produced political plays and promoted other artists all before painting a mature work of his own in his early forties Newman began with none of the qualities once considered indispensable for a master artist such as training apprenticeship or natural facility But he possessed a galvanizing intellect and a conviction that aesthetic expression is an ecstatic declaration of existence and an assertion of human dignity Drawing on previously unpublished sources gleaned from full access to Newman's archives Amy Newman presents a portrait of a maverick whose works are among the most enduring of the twentieth century and whose influence continues to this day

American Genre Painting Elizabeth Johns, 1991-01-01 American genre painting flourished in the thirty years before the Civil War a period of rapid social change that followed the election of President Andrew Jackson It has long been assumed

that these paintings of farmers western boatmen and trappers blacks both slave and free middle class women urban urchins and other everyday folk served as records of an innocent age reflecting a Jacksonian optimism and faith in the common man In this enlightening book Elizabeth Johns presents a different interpretation arguing that genre paintings had a social function that related in a more significant and less idealistic way to the political and cultural life of the time Analyzing works by William Sidney Mount George Caleb Bingham David Gilmore Blythe Lilly Martin Spencer and others Johns reveals the humor and cynicism in the paintings and places them in the context of stories about the American character that appeared in sources ranging from almanacs and newspapers to joke books and political caricature She compares the productions of American painters with those of earlier Dutch English and French genre artists showing the distinctive interests of American viewers Arguing that art is socially constructed to meet the interests of its patrons and viewers she demonstrates that the audience for American genre paintings consisted of New Yorkers with a highly developed ambition for political and social leadership who enjoyed setting up citizens of the new democracy as targets of satire or condescension to satisfy their need for superiority It was this network of social hierarchies and prejudices and not a blissful celebration of American democracy that informed the look and the richly ambiguous content of genre painting **Resources in Education** ,1987-04
