Lost In America A Journey With My Father:

Lost in America Sherwin B. Nuland,2007-12-18 A writer renowned for his insight into the mysteries of the body now gives us a lambent and profoundly moving book about the mysteries of family At its center lies Sherwin Nuland's Rembrandtesque portrait of his father Meyer Nudelman a Jewish garment worker who came to America in the early years of the last century but remained an eternal outsider Awkward in speech and movement broken by the premature deaths of a wife and child Meyer ruled his youngest son with a regime of rage dependency and helpless love that outlasted his death In evoking their relationship Nuland also summons up the warmth and claustrophobia of a vanished immigrant New York a world that impelled its children toward success yet made them feel like traitors for leaving it behind Full of feeling and unwavering observation Lost in America deserves a place alongside such classics as Patrimony and Call It Sleep Lost in America Colby Buzzell,2011-08-23 Nothingless than the soul of an extremely interesting human being at war on ourbehalf Kurt Vonnegut Astunning portrait of modern America by Colby Buzzell the critically acclaimed author of My War Killing Time in Iraq Recounting his five month journey through the country from its thrivingcoastlines to its rust belt wrecks Buzzell reveals aparadoxical landscape of American dreams both achieved and broken manifestdestinies claimed and refuted and community ties pulled apart and patchedtogether In the tradition of John Steinbeck's Travels with Charley Buzzell's Lost in America uncovers the starkrealities of our national character even as it explores the deepest questions of identity unity and fatherhood

The New Leader ,2002 Journey to America Manny Quijada, 2022-07-24 We all make important and crucial decisions at some point in life Some decisions can truly be life changing A month after I turned sixteen years old I was given the opportunity to leave my country and go north in the continent to the great United States of America It was not an easy thing to do by any means neither was it to decide over After seeking God's answer in prayer for a few days I decided to leave my known life behind to venture into the unknown trusting in God alone to make it safe to my destination As I made the decision to leave my country that also included leaving behind the most beautiful girl I had known I was risking my life in many ways trying to reach the Land of the Free the Home of the Brave with only one purpose in my heart I wanted nothing more than to become a successful man in order to have something to offer to the girl I considered to be the love of my life This was my one and only reason for leaving my country However as the day for my departure approached the strange feeling that I was going to end up with a broken heart at the end of it all became very overwhelming each day and even more so during the entire journey Although I hoped that was not going to be the case I wanted God s will to be done above all else I believed that God had a reason for taking me away from her my country my friends and family at the time He did If He did not want me to go to America the way I did He simply would have said so when I asked if He wanted me to go It took twenty five days from the day I left my home in El Salvador until the day I arrived at my new home in Orange County California There were a number of dangers that I faced during a three week period going across four different countries traveling for more than three thousand

miles While my faith was tested in different ways each day my mind and my body were also put to the test in more ways than I expected It all began on the eleventh day of February in the year two thousand and two A group of fifteen individuals full of hope and dreams of a better future decided to begin a journey that would forever change their lives Although unique my story is not the only one for there are millions more that have come before and after me This however is the story of my Journey to America The Journey Of Nations Steven Warren, 2013-02-26 This is a collection of several people Life Journey It tells each person journey their experiences through lives and why they want to advance their life and careers It is a collection of sorrow pain happiness and the incredible will to succeed They have falter gave in to despair and felt loss but they continued with an urgency that shall not be diminished All of these stories is an account of life at its purest and comes from the heart of great people wishing to leave something behind in the hope to inspire others to reach the stars and beyond

Travels in Revolutionary France and a Journey Across America, 2012-11-15 In July 1789 George Cadogan Morgan born in Bridgend Wales and the nephew of the celebrated radical dissenter Richard Price 1723 91 found himself caught up in the opening events of the French Revolution and its consequences In 1808 his family left Britain for America where his son Richard Price Morgan travelled extensively made a descent of the Ohio and Mississippi Rivers by raft and helped build some of the early American railroads The adventures of both men are related here via letters George sent home to his family from France and through the autobiography written by his son in America The Life Story of a Caribbean Pearl and Her Journey to America Brenda V. Peek, Pearl Gillman, 2009-05-30 A child is born in the West Indies She is sweet inquisitive bright sensitive and caring all qualities that she will maintain for many many years to come The sister islands of Trinidad and Tobago are among her earliest homes She lives and learns in the most beautiful and popular areas of all the Caribbean where rich legacies and history precede her Once ruled by both Spain and Britain today Trinidad and Tobago are governed by their own proud people whove kept the traditions and culture of their ancestors since long before the islands found independence in 1962 Located just off the coast of South America these small territories have developed an identity throughout the years that is completely their own Dr Eric Williams the legendary Caribbean scholar became the first prime minister of Trinidad and Tobago which is one of the most diversely populated ethnic regions in the world People of African Native West Indian Asian and European descent live love and mingle together on these lovely islands in the sunshine English is mainly spoken among residents but one will often hear traces of Creole African and other language dialects in the colorful words and

rhythmic accents of those who reside there And when it comes to rhythm its hard to mention the islands without mentioning the lively calypso sounds that have entertained countless music lovers throughout the western world Hearing them the child one day becomes a woman who is told she naturally walks to a calypso beat As far back as 1498 explorer Christopher Columbus named Trinidad in honor of the Holy Trinity and it remains a place where worshipers many of whom are Catholic give praise and thanks to the Creator With more than one million people on both islands the majority of inhabitants live in Trinidad while about four percent of the population calls Tobago home Trinidads major event is the Carnival a week long festival of live music costumes and parades through the street The event attracts people from throughout the world In fact both islands are visited by travelers from around the globe who enjoy pleasant weather beaches more beautiful than postcards tropical trees and delicious home grown fruits With generations of people tracing roots to the area Trinidad and Tobago have become not only a visitors destination but a cradle to which great scholars entertainers and athletes in America and elsewhere often return This cradle in the Caribbean has given birth to the Gittens family It has provided the earliest sights sounds and sensibilities that influenced that special little child born into the family a daughter who will become known Matej's Journey to America Donald F. Chmelka, 2002-11-19 Matej's Journey to America is a creative as Black Pearl nonfiction chronicle exploring the forces that drove our immigrant ancestors to new lands After Adam and Eve s eviction from Eden man slowly scattered with a great dispersion occurring about 2700 BC as the Lord confounded the tongues of presumptuous Babylonians building a tower to heaven Among the afflicted was an Aryan slave named Chmelka who was growing hops chmel in the new Slavic language to flavor beer for his Semitic masters As the Slavs fled northward toward unknown Czech lands other tribes migrated in all directions According to The Book of Mormon the righteous Jared took a Semitic clan from Babel across the mountains deserts and oceans to a New World later named America Another Semitic clan that passed through Babylon 850 years later included a young Abraham destined to be the patriarch of Judaism Christianity and Islam He introduced the concept of a single God revered by all his religious descendants but despite their many commonalties each of these three great religions seem convinced it has the only correct formula for salvation justifying incredible atrocities with God always on its side The descendants of the first Chmelka struggled as great civilizations developed and fell through the turmoil and bloodshed of the Dark Ages Marco Polo awakened Europe in the late 13th century to the riches of the Far East giving rise to explorers like Christopher Columbus who stumbled onto the North American Continent in 1492 The Protestant Reformation began to divide the Holy Roman Empire at the time adding to the bloodshed as Austria Prussia and France fought for domination in Europe Meanwhile Spain England and France were colonizing and competing for control in the New World that was becoming home to an increasing number of European emigrants looking for a better life The American Colonies fought for independence and then began to absorb all lands from the Atlantic to the Pacific Thomas Jefferson purchased the immense Louisiana Territory from Napoleon in 1803 after which mountain men

opened the West to homesteaders miners and ranchers My great great grandfather Matej was born as the Rocky Mountain fur trade boomed in 1825 and grew up on a 13 acre farm in Moravia where the Chmelkas had been serfs since Charlemagne was crowned the first Holy Roman Emperor a millennium earlier Matej became a Dragoon in the Austrian Imperial Army and helped put down a revolution in Prague in 1848 the year gold was discovered in California but war spread and life worsened for European peasants Gold homesteads and wild Texas longhorns free for the taking lured thousands of oppressed Europeans to America on steamships and railroads now making long distance travel feasible After Prussia defeated the Austrian Empire including Bohemia and Moravia and then France Matej s family escaped its misery and immigrated to Nebraska in 1871 They found a difficult life with grasshoppers drought hail and fires destroying crops spurring Matej s fourteen year old son to join a Texas cattle drive and then dodge Indians and gunfighters for fourteen years in the Wild West New technologies in farm equipment transportation and communications made America the envy of the world in 1902 when Matej died and was buried near the prairie church he helped build Matej s Journey to America honors him and his fellow immigrants ordinary men and women generally lost in history for the legacies and opportunities they gave us in our great land of freedom
