Mysteries of the Bridechamber Victoria LePage, 2007-11-12 Jesus was an initiate and adept of the ancient Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time Shows that Jesus sought to establish equity of masculine and feminine in both spiritual practice and social traditions particularly in the sacrament of marriage Reinterprets Jesus key teachings in light of the ancient tradition of sacred consortship Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high initiate and master adept of the ancient Judaic mysteries who strove to free people from the dead hand of the ritualists He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple At the heart of this movement was a yogic based practice known in the apocrypha as the Gnosis of the Heart which espoused the union of both sexes in a secret initiatic teaching As a fearless social reformer Jesus wanted to restore the authority of the feminine principle including asserting the equality of man and woman in the social contract of marriage He reinstated in his own life the tradition of sacred consortship a rite known to early Church fathers as the

bridechamber sacrament whereby the marriage of the masculine and feminine energies was effected This rite Victoria LePage suggests was the primary focus of Jesus teachings the very heart of his exhortations to love thy neighbor and the source of his healing power Mysteries of the Bridechamber explains how as a master adept of the Temple of Solomon Jesus derived these teachings directly from ancient Judaic mystery traditions revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self initiation and transformation

The Story of Jesus William H. Kautz, 2012-04-10 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY

Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history
