Prodigal Daughter Christian j Raines,2024-07-17 Cultures in our world often endorse the acceptability of beliefs and behaviors that God does not approve of Can a man be wiser than God The answer to that question from the Christian biblical perspective is Absolutely not Viewing women as objects of lust and not people of value who Jesus sacrificed His life to save and redeem is one of the problems of this world we live in This Christian fiction novel I wrote aims to shine the light of Jesus Christ on the consciousness of the reader partly in an attempt to uncover and expose the lies of the enemy about the consequences of sexual sins There is only one truth and that is found in the gospels of Jesus the Messiah There are some that want people and women specifically to be blind to the destructive nature of sin because misery loves company and because a predator wants prey The fact is that there are many great reasons to obey God in this area of life including preventing sexually transmitted diseases eliminating the possibility of an unwanted pregnancy or abortion having the support of a God fearing spouse to manage the difficulties of life and raising children together and even financial security because of the commitment and trust in a Christian marriage that is truly devoted to God In this book you will read about a prodigal daughter named Magdalene I m sure that name is familiar to Bible readers Magdalene s various experiences through her journey of life which I created as an expression of literary art illustrate the importance of making good decisions when tackling real life issues in our world today such as those mentioned above Even more real is the Savior of this world that Magdalene encounters who welcomes her as a loving Father The parable Jesus

teaches us in Luke 15 found in the Bible inspired me to write this book When Magdalene accepts Jesus into her heart after an encounter with a special person sent to her by God Magdalene also learns to take accountability for her own mistakes In this way she finds forgiveness repentance and a closer relationship with Jesus that brings her a new and better life Magdalene leaving her old life and turning toward Jesus is the exciting part of this book I am not going to give any spoilers because I want you to read this book and find out for yourself what happens I wrote this book for the saved and the lost so if you are a prodigal son or daughter then this book is for you too My hope is that some women might read this book who identify with Magdalene s lifestyle at the beginning of the book and that those readers feel the Holy Spirit calling them to make a decision to live by faith in Jesus Christ as happens to several characters in this book Jesus is real God loves you no matter what you ve done because of His goodness not because any of us can ever earn His love and goodness God s grace is always a gift For by grace you have been saved through faith and this is not of yourselves it is the gift of God not a result of works so that no one may boast Ephesians 2 8 9 NASB

*The Weddin' Day* Barbara L. Jent,2008-03 Turn back the pages of time to experience love and betrayal in the mountains of West Virginia one hundred years ago In The Weddin Day first time author Barbara L Jent calls on deep ancestral memories to spin a yarn based on the true story of her own great grandparents In their hands we see the frailties of love put to the test and the power of love to overcome all but this is much more than a tale of two star crossed lovers It is a passionate story of the land and the stubborn people who tenderly coaxed that life from the soil It is a glimpse of a bygone way of life virtually unchanged for 1 000 years or more as the winds of progress shake the mountains themselves Today those hills and valleys stand unchanged as do the recollections of the families who loved this way of life This is a tale of hardship and sacrifice but it is also a testament to the strength of family and the power of love It may be a story of a bygone place and time but it is also a reminder of all that truly matters in our world today Step back into that world of mountain life to see how deeply the heart can ache and how high it can soar on The Weddin Day
