Nathanael West An Annotated Bibliography Of The Scholarship And Works

Jacqueline Fisher Eastman

Nathanael West An Annotated Bibliography Of The Scholarship And Works:

Nathanael West Dennis P. Vannatta,1976 The Writing of Nathanael West Alistair Wisker,1990-07-13 Critical Essays on Nathanael West Ben Siegel,1994 A collection of articles comprising some early reviews and a broad selection of more modern scholarship Among the many authors of reprinted articles and reviews are Edmund Wilson W H Auden Leslie Fiedler R W B Lewis and Gloria Young In addition there is a substantial introduction by Ben Siegel two essays written for this volume a study by David Madden on narrative method and Daniel Walden on Nathanael West as a Jewish satirist Annotation copyright by Book News Inc Portland OR **Encyclopedia of the Novel** Paul Schellinger,2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world **Alive Inside the Wreck** Joe Woodward,2011-11-15 Joe Woodward combs through the archives at The Huntington Library and the John Hay Library at Brown University to paint a portrait of Nathanael West's obsession with violence and literature in 1930s America *Nathanael West's Miss Lonelyhearts* Harold Bloom,1987 **Guide to American Literature** Valmai Kirkham Fenster,1983 A Bibliographical Guide to the Study of Western American Literature Richard W. Etulain,Nancy Jill Howard,1995 The revised and updated edition of this standard reference work in the field of Western American Literature now contains over 6 000 bibliographic references The topical listings have been expanded to encompass feminist and environmental studies Rather than attempting to be exhaustive the editors have chosen the major interpretive works making the volume useful to both specialists working outside their area and nonspecialists seeking an overview Broad in its scope the guide also focuses on a number of special topics local color and regionalism popular western literature western film Indian literature and Indians in western literature the environment women and families the Beats and Canadian western literature Logically and helpfully organized the volume will be invaluable to scholars researchers students and general readers The Oxford Encyclopedia of American Literature Jay Parini,2004 This set treats the whole of American literature from the European discovery of America to the present with entries in alphabetical order Each of the 350 substantive essays is a major interpretive contribution Well known critics and scholars provide clear and vividly written essays that reflect the latest scholarship on a given topic as well as original thinking on the part of the critic The Encyclopedia is available in print and as an e reference text from Oxford's Digital Reference Shelf At the core of the encyclopedia lie 250 essays on poets playwrights essayists and novelists The most prominent figures such as

Whitman Melville Faulkner Frost Morrison and so forth are treated at considerable length 10 000 words by top flight critics Less well known figures are discussed in essays ranging from 2 000 to 5 000 words Each essay examines the life of the author in the context of his or her times looking in detail at key works and describing the arc of the writer s career These essays include an assessment of the writer s current reputation with a bibliography of major works by the writer as well as a list of major critical and biographical works about the writer under discussion A second key element of the project is the critical assessments of major American masterworks such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman or Beloved Each of these essays offers a close reading of the given work placing that work in its historical context and offering a range of possibilities with regard to critical approach These fifty essays ranging from 2 000 to 5 000 words are simply and clearly enough written that an intelligent high school student should easily understand them but sophisticated enough that a college student or general reader in a public library will find the essays both informative and stimulating The final major element of this encyclopedia consists of fifty odd essays on literary movements periods or themes pulling together a broad range of information and making interesting connections These essays treat many of the same authors already discussed but in a different context they also gather into the fold authors who do not have an entire essay on their work so that Zane Grey for example is discussed in an essay on Western literature but does not have an essay to himself In this way the project is truly encyclopedic in the conventional sense These essays aim for comprehensiveness without losing anything of the narrative force that makes them good reading in their own right In a very real fashion the literature of the American people reflects their deepest desires aspirations fears and fantasies The Oxford Encyclopedia of American Literature gathers a wide range of information that illumines the field itself and clarifies many of its particulars *Internationale Bibliographie der Bibliographien 1959-1988 (IBB);*

Personennamenregister: Band 11; Teilband 3: Pareto - Zywicki Ursula Olejniczak, Hartmut Walravens, 2011-05-09 Keine ausführliche Beschreibung für Pareto Zywicki verfügbar *The British National Bibliography* Arthur James Wells, 1979

American Literary Scholarship, 1995 **American Short Fiction Criticism and Scholarship, 1959-1977** Joseph Weixlmann, 1982 **Reference Works in British and American Literature** James K. Bracken, 1991 **Lyric Form in the Modern Novel** Alvin Karl Ludwig, 1979 **Subject Catalog, 1976** Library of Congress, 1976 *The Encyclopedia Americana*, 2000 *Book Forum*, 1978 *Ludwig Bemelmans* Jacqueline Fisher Eastman, 1996 Twayne's United States Authors Series presents concise critical introductions to great writers and their works Devoted to critical interpretation and discussion of an author's work each study takes account of major literary trends and important scholarly contributions and provides new critical insights with an original point of view An Authors Series volume addresses readers ranging from advanced high school students to university professors The book suggests to the informed reader new ways of considering a writer's work A reader new to the work under examination will after reading the Authors Series be compelled to turn to the

originals bringing to the reading a basic knowledge and fresh critical perspectives Each volume features A critical interpretive study and explication of the authors works A brief biography of the author An accessible chronology outlining the life work and relevant historical background of the author Aids for further study complete notes and references a selected annotated bibliography and an index A readable style presented in a manageable length *Book Review Index* ,1977 Every 3rd issue is a quarterly cumulation
