and climate change These policies are complex and are at times obscured by contestation uncertainty and sometimes ignorance Ultimately sustainability problems are social problems and they need to be addressed through social and policy change Social Science and Sustainability draws on the wide ranging experience of CSIRO s social scientists in the sustainability policy domain These researchers have extensive experience in addressing complex issues of society nature relationships usually in interdisciplinary collaboration with natural scientists This book describes some of the evidence based concepts frameworks and methodologies they have developed which may guide a transition to sustainability Contributions range from exploring ways to enhance livelihoods and alleviate poverty to examining Australians responses to climate change to discussing sociological perspectives on sustainability and how to make policy relevant Researchers policy makers and decision makers around the globe will find this book a valuable and thought provoking contribution to the sustainability literature It is also suited to academics and students in postgraduate level courses in social sciences and sustainability or in courses in applied sociology applied social psychology and other applied social sciences

The Little Locksmith Katharine Butler Hathaway, 2000-07-01 This early 20th century memoir of a woman s faith in the face of debilitating disease is a remarkably un self pitying book remains poignant and truthful Publishers Weekly You must not miss it It is the kind of book that cannot come into being without great living and great suffering and a rare spirit behind it The New York Times In 1895 a specialist straps five year old Katharine Hathaway then suffering from spinal tuberculosis to a board with halts and pulleys in a failed attempt to prevent her from becoming a hunchback like the little locksmith who does odd jobs at her family s home Forced to endure her confinement for ten years Katharine remains immobile until age fifteen only to find that none of it has prevented her from developing a deformity of her own The Little Locksmith charts Katharine s struggle to transcend physical limitations and embrace her life her body and herself Her spirit and courage prevail as she expands her world far beyond the boundaries prescribed by her family and society she attends Radcliffe College forms deep friendships begins to write and in 1921 purchases a house of her own that she fashions into a space for guests lovers and artists Revealing and inspirational The Little Locksmith stands as a testimony to Katharine s aspirations and desires for independence love and the pursuit of her art A powerful revelation of spiritual truth The Boston Globe Katharine Butler Hathaway was the kind of heroine whose deeds are rarely chronicled She took a life which fate had cast in the mold of a frightful tragedy and redesigned it into a quiet modest work of art The New Yorker

Reef of Gold Gary Dale, 2011-03-31 The novel is about Brad Templeton a freelance magazine writer part time construction worker part time maritime enthusiast of artifacts He finds a ship captains journal written in Chinese and crude Norwegian languages in the year 1420 He gets it translated and makes plans to discover its secret the location of a fabulously rich reef of gold His brother works for the US Commerce Department as a computer consultant investigating theft of computer programming secrets from Silicon Valley His brother Ric is reported missing in Singapore and Brad takes off to find out what happened The adventure involves the Singapore Triad a spy network

in Australia and the search for the reef of gold *Antarctica* Bernadette Hince,Rupert Summerson,Arnan Wiesel,2015-04-30 This is the first book whose subject is the music sounds and silences of Antarctica From 2011 until 2014 Australia marked its long standing connection with Antarctica by celebrating the centenary of the Australasian Antarctic Expedition The icy continent with its extremes of climate and environment and unique soundscapes offers great potential for creative achievements in the world of music and sound This book demonstrates the intellectual and creative engagement of artists musicians scientists and writers Consciousness of sounds in particular musical ones has not been at the forefront of our aims in polar endeavours but listening to and appreciating them has been as important there as elsewhere **Journal of the Royal Colonial Institute** Royal Colonial Institute (Great Britain),Royal Commonwealth Society,1907 **Dry Times** Mark Stafford Smith,Julian Cribb,2009 With knowledge from our deserts Australians can reshape the human story *Dry Times* Blueprint for a Red Land provides new insights into how our desert environments and institutions work and how this affects the people living in them Aboriginal and non Aboriginal alike **Writing Home** Glenn Morrison,2017-01-30 *Writing Home* explores the literary representation of Australian places by those who have walked them In particular it examines how Aboriginal and settler narratives of walking have shaped portrayals of Australia s Red Centre and consequently ideas of nation and belonging Central Australia has long been characterised as a frontier the supposed divide between black and white ancient and modern But persistently representing it in this way is preventing Australians from re imagining this internationally significant region as home *Writing Home* argues that the frontier no longer adequately describes Central Australia and that the Aboriginal songlines make a significant but under acknowledged contribution to Australian discourses of hybridity belonging and home Drawing on anthropology cultural theory journalism politics and philosophy the book traces shifting perceptions of Australian place and space since precolonial times through six recounted walking journeys of the Red Centre **Dago Red** Bill Pronzini,2008 Bill Pronzini invades the Ramble House Sanctuary of Loons with a collection of 22 excursions into the darkest heart of noir From the perils of familial love in *Dago Red* to the deadly TV sports of Olaf and the Merchandisers Pronzini runs you through a wringer of chills and thrills with a couple of Nameless Detective stories to keep you grounded But don t expect the suspense to let up because there are dangers lurking in the twenty stories that lie in between each more menacing than the last Recently named Grand Master by the Mystery Writers of America and recipient of a Western Writers of America Spur Award for co writing *Crucifixion River* with his wife author Marcia Muller Bill Pronzini lives in Petaluma CA He recently released his 33rd Nameless Detective novel *Fever* and a new stand alone *The Other Side of Silence* will be published in October of 2009 *International Sheep and Wool Handbook* D. J. Cottle,2010-05-01 Covering a broad range of topics relevant to the sheep and wool industry this newly expanded edition containing 11 new chapters and a more international scope discusses future developments in all areas and provides an in depth review of the meat aspects of the market Separated into five distinct sections the comprehensive survey summarizes the major world sheep and wool

industries biological principles management production systems and the preparation processing and marketing of meat and wool References and web links at the end of each chapter present further sources of information From paddock to plate and farm to fabric this overview is a must have for all those involved in the trade including producers brokers exporters and processors

Kangaroos Terence J. Dawson,2012 Appreciation of the diversity of kangaroos in Australia and their lifestyles Insight into the ecology of kangaroos as it pertains to conservation issues Provides an understanding of the historical evolution of a major group of Australian mammals This book provides a clear and accessible account of kangaroos showing how their reproductive patterns social structure and other aspects of their biology make them well adapted to Australia s harsh climate and demanding environment Since the last edition of this book nearly 20 years ago much more is now known about the biology and ecology of these iconic animals This completely revised edition describes these new perspectives and attempts to counter the many urban and rural myths that still exist

Unmaking Angas Downs Shannyn Palmer,2022-08-30 Some stories dominate how we see and interpret a place while others are obscured from view Angas Downs is a pastoral station in Central Australia but pastoralism is only a fraction of what has happened there Like all places it has accrued people and stories in multiple layers over time Listening to Tjuki Tjukanku Pumpjack and Sandra Armstrong two Anangu with deep and abiding connections to Angas Downs a very different kind of place emerges from that conjured in myths and histories of pioneers and pastoralists that have shaped understandings of the past in Australia particularly in the Northern Territory Unmaking Angas Downs traces a history of colonisation in Central Australia by tracking the rise and demise of a rural enterprise across half a century as well as the complex and creative practices that transformed a cattle station into Country It grapples with the question of how people experience profound dislocation and come to make a place for themselves in the wake of rupture Angas Downs emerges as a place of dynamic interaction and social life not only lived in but also made by Anangu

Indigenous Enlightenment Stuart D. McKee,2023 In *Indigenous Enlightenment* Stuart D McKee examines the methodologies tools and processes that British and American educators developed to inculcate Indigenous cultures of reading and learning between 1790 and 1850

Special Operations Success James D. Kiras,2024-10-24 *Special Operations Success* establishes a new benchmark in military theory in this deeply analytic and innovative work It answers several pressing questions How successful have American special operations been over the past quarter century Are special forces fated to cycles of expansion and misuse Will special forces invariably exceed the authorities granted to them because of they are Is a general theory of special operations feasible given the range of activities and conditions that fall under the category Kiras work is based on two decades of practical teaching and consulting experience within different special operations communities and its analysis and conclusions are designed to inform practitioners policymakers educators and the general public The book develops a framework in the form of a theory comprising capabilities and control for the comprehensively evaluating special operations success and is divided into three parts Part I lays the foundation for a general theory of special

operations Part II explores the two component parts of theory capabilities and control and Part III uses various aspects of the theory depending on available information to assess the success of special operations over a twenty year period in the United Kingdom South Africa and the United States *Speaking of Buildings* Naomi Stead,Janina Gosseye,Deborah van der Plaats,2019-10-15 By and large architectural historians use texts drawings and photographs to craft their narratives Oral testimony from those who actually occupy or construct buildings is rarely taken as seriously *Speaking of Buildings* offers a rebuttal theorizing the radical potential of a methodology that has historically been cast as unreliable Essays by an international group of scholars look at varied topics from the role of gossip in undermining masculine narratives in architecture to workers accounts of building with cement in midcentury London to a sound art piece created by oral testimonies from Los Angeles public housing residents In sum the authors call for a renewed form of listening to enrich our understanding of what buildings are what they do and what they mean to people **Towards a New Understanding of Masculine Habitus and Women and Leadership in Public Relations** Martina Topić,2022-09-30 This edited volume analyses leadership in the public relations PR industry with a specific focus on women and their leadership styles It looks at how women lead the influence of the socialisation process on leadership styles the difference between feminine and masculine leadership styles and the impact of leadership style on career opportunities for women The book features case studies exploring leadership in PR around the world in an attempt to answer a central research question is there a masculine habitus in the PR industry despite the rise of women in PR The authors of each chapter conducted original research on women working in PR within their own country and provide original insights into the position of women in a feminised industry as well as proposing new and original theoretical frameworks for future research Written for scholars researchers and students of PR and communication this book will also be of interest to those studying gender studies leadership and organisational analysis and sociology *Into The Never-Never* Brian Johnston,2016-10-18 After a long sojourn in China Brian Johnston arrived in Cairns to join his sister on a campervan trip across the top end *Into the Never Never* is a beautifully written and often hilarious account of their adventures in the remote outback and on to the coast and the cities in search of the Australia they knew only from tourist brochures and soap operas The book is suffused with Johnston s growing affection for the country and its people It is also shadowed by an acute awareness of Australia s underlying cultural tensions From warts and all accounts of casual racism in the outback to unabashed delight in Sydney s Mardi Gras *Into the Never Never* presents Australia s burgeoning cultural diversity in microcosm In his second traveller s tale Brian Johnston s dry wit and wonderful descriptive powers are once again in evidence Whether bogged on a beach in Broome sightseeing in Canberra with a Laotian friend or speaking with the traditional owners on a cliff top in Kakadu he never loses his keen sense of the absurd and his sensitivity to the nuances of everyday encounters
