Realities Of Faith:

Realities of Faith Basilea Schlink, 1983 A handful of young Christian women in the midst of war torn Germany with a shining faith made all the brighter against the backdrop of a nation in despair here is the incredible but true story of Mother Basilea Schlink and the Lutheran Sisterhood of Mary From their fragile start in an attic home this dynamic ministry for God now reaches across Europe into the Near East and the United States This thrilling story is a modern day demonstration of faith and hope and an inspiring testimony to realities of faith Publisher's description

Faith Facing Reality John W. de Gruchy, 2022-10-21 The COVID 19 pandemic and the war in Ukraine have starkly reminded us of the realities that threaten our future on planet Earth Christian faith is not a way of escaping these realities but of engaging them in the struggle for justice and peace motivated by love enabled by faith and sustained by hope This is based on the conviction that in Jesus Christ the reality of God has become redemptively embodied within the reality of the world Written within the context of South Africa but with global vision and in conversation with the legacy of Dietrich Bonhoeffer this book is an attempt to stir up discussion and inform action in connecting worldly and transcendent reality Inevitably this will be controversial not least because that is something that Bonhoeffer risked This is certainly true when it comes to the five realities that provide much of the book's substance the persistence of racism the will to power scientism and soulless technology the conflict in Israel Palestine and the threat of wars and pandemics Is it possible to believe in the God of Jesus Christ in such a world If so what does that mean and how does it help us live creatively redemptively and faithfully To answer these questions the author examines the meaning of faith the human desire for transcendence and the need for conversion wisdom solidarity and responsible freedom

Faith, Reason, and Compassion James Earl Gilman, 2007 What is the relationship between faith and reason How should faith and reason situate themselves in relation to each other These are the chief questions that James Gilman seeks to address in Faith Reason and Compassion A Philosophy of the Christian Faith An innovative new book in philosophy of religion it treats the problems typical of the discipline in an untypical way with a methodology that presupposes a particular religious tradition in this case Christianity and that reenfrenchises emotions e g compassion as crucial to shaping solutions to philosophical problems Developing a methodology on the basis of three principles the principle of symmetry asymmetry and supersymmetry Gilman confiscates these three terms from physics and deploys them collectively as a metaphor in service to a method whereby the problems belonging to philosophy of religion can be critically and constructively treated While ideal for courses in philosophy of religion this book stretches across disciplines and is also ideal for use in Christian ethics and theology courses es across disciplines and is also ideal for use in Christian ethics and theology courses es across disciplines and is also ideal for use in Christian ethics and theology courses

A Radical Faith James W. Goll, 2011-09-01 Bestselling Author s Essential Faith Handbook for Every Spirit Filled Christian The writer to the Hebrews itemizes the elements of a firm spiritual foundation These fundamentals must be built into the foundation of every Christian so he or she will not collapse in the face of life s storms When Christians are shaky in their beliefs they become vulnerable in the fight against hell Yet the enemy as the psalmist pointed out is constantly shooting at their foundations What can they do They can fortify their foundations says James W Goll one of the most respected leaders in the renewal movement In the only book study guide combination on the topic he lays out the biblical elements of a firm foundation from Hebrews 6 including faith in God the baptism with the Holy Spirit resurrection from the dead and more His clear conversational approach equips both new and veteran Christians with the tools they need to establish an unshakable foundation

poverty sickness criticisms personal insecurities etc until you begin to apply the principles and powers of your faith With the added advantage of a vibrant faith ability you stand taller in the spirit than those who only rely on the five senses You will discover the amazing power of your faith after reading this book Your faith will rise to action oriented and problem solving levels You will also receive a faith that potentially destroys fears generates miracles and changes situations This is because faith is a developed ability and a conditioned state of mind to trust and not doubt It is a life support and life sustainer in times of adversity You could do more for yourself through the power of your faith than a million dollars would You are richer than you think through faith and poorer than you imagined without it Faith your 7th Sense ability **Being Established in the Faith** Chukie Morsi,2019-10-16 To be established in the faith is foundational and fundamental to the Christian spiritual walk in Christ Jesus Romans 1 11 12 For I long to see you that I may impart unto you some spiritual gift to the end ye may be established That is that I may be comforted together with you by the mutual faith both of you and me Acts 16 5 And so were the churches established in the faith and increased in number daily Our ability to being established in the faith is in the Holy Spirit who enables us to be obedient to the faith as well as to communicate the faith Being obedient to the faith helps to live a fulfilling Christian life and to enjoy the goodness of the faith while communicating the faith is how you would deal with life issues to advance the kingdom causes of God and to keep the enemy at bay This book is set out in a didactic way to teach through the use of the Word of God how as children of God we can thrive and be victorious in our day to day lives When you are established in the faith you are able to have and to take a stand against erroneous winds of doctrine as well as traditions and creations of man When you are rooted in the faith of Jesus Christ you live with heightened spiritual sensitivity and are led at all times and in all things by the Holy Spirit Carnal senses take a back seat A man s ignorance is his own mountain but the knowledge and understanding of the truth which is based on the living Word of God birthed and breathed by the Holy Spirit will deliver direct and prosper to give your life meaningful success with fulfillment Matthew 22 29 Jesus answered and said to them You are mistaken not knowing the scriptures nor the power of God *It's By Faith Through Belief* Apostle Isidore A. Agoha ,2016-09-27 Faith is the foundation on which the Christian life is built the one indispensable condition for any meaningful relationship with God Yet so few Christians live the empowered life available to them through an understanding of faith More than simply a dry concept one hears preached on Sunday morning faith should play a key role in every Christian s life for it is the way to realize God s purpose and blessings Many Christians wonder why they fail to manifest God s blessings in their lives Agoha reveals the answer failure to have appropriate faith In practical terms Agoha teaches how a believer must boldly declare the blessings and provisions he or she has perceived from God s Word and then act upon that declaration in order to receive Christians will reap the abundance of God s blessings as well as command an arsenal of spiritual weapons when they learn to exercise faith
