As The Bombs Fell Otto Schmalz,2018-12-03 You almost never get to hear the other side of the story What was it like to be a child living in Germany as the country descended into war What did kids do while their dads were away fighting and the rest of the family was living in either privation or terror or both As the Bombs Fell is a treasure trove of information about life as a child in Nazi Germany told by a man who actually lived the experience Otto Schmalz allows us to see through the innocent eyes of a child the realities of German life in several different circumstances the regimentation and camaraderie of the Jungvolk and the boys camp that children were sent to to get them out of harm s way in the cities the pastoral and relatively idyllic life of the agrarian countryside even though there was a war on the sheer terror of living in a bombed out city that continues to

experience nightly raids Hannover was a strategic centre and as such received the attention of nearly one million Allied bombs of every kind His charming yet nerve wracking tale is enhanced with numerous historical photos of Otto his family and friends and of the destruction wreaked upon his city as he paints another fascinating yet seldom seen up close picture of many German lives in war time As the Bombs Fell is a straightforward telling of the other side of the story of the Second World War with the author s insights as he s learned into human nature The Broadview Introduction to Literature: Short Fiction Lisa Chalykoff,Neta Gordon,Paul Lumsden,2013-08-09 Designed for courses taught at the introductory level in Canadian universities and colleges this new anthology provides a rich selection of literary texts In each genre the anthology includes a vibrant mix of classic and contemporary works Each work is accompanied by an author biography and by explanatory notes and each genre is prefaced by a substantial introduction Pedagogically current and uncommon in its breadth of representation The Broadview Introduction to Literature invites students into the world of literary study in a truly distinctive way The short fiction volume of The Broadview Introduction to Literature gathers 39 important short stories from Edgar Allan Poe to Sherman Alexie Examples of microfiction illustrated fiction and formally innovative stories are included along with classics of the genre **Bray for the Brave** Kevin Cavey,2021-08-03 Our story takes us from the xperiences in the Royal Hotel to n exciting space adventure Also where the main character alls in love with a space cadette named Francisca Lest we orget amongst the brave is Bray Adventures belonging to John and Aoife Mc Nulty **Flying Magazine** ,1934-08 **Saint X** Alexis Schaitkin,2020-02-18 A New York Times Notable Book of 2020 now a Hulu Original Series Saint X is hypnotic Schaitkin s characters are so intelligent and distinctive it feels not just easy but necessary to follow them I devoured it in a day Oyinkan Braithwaite New York Times Book Review When you lose the person who is most essential to you who do you become Recommended by Entertainment Weekly included in Good Morning America s 20 Books We re Excited for in 2020 named as one of Vogue s Best Books to Read This Winter Bustle s Most Anticipated Books of February 2020 and O Magazine s 14 of the Best Books to Read This February Hailed as a marvel of a book and brilliant and unflinching Alexis Schaitkin s stunning debut Saint X is a haunting portrait of grief obsession and the bond between two sisters never truly given the chance to know one another Claire is only seven years old when her college age sister Alison disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X Several days later Alison s body is found in a remote spot on a nearby cay and two local men employees at the resort are arrested But the evidence is slim the timeline against it and the men are soon released The story turns into national tabloid news a lurid mystery that will go unsolved For Claire and her parents there is only the return home to broken lives Years later Claire is living and working in New York City when a brief but fateful encounter brings her together with Clive Richardson one of the men originally suspected of murdering her sister It is a moment that sets Claire on an obsessive pursuit of the truth not only to find out what happened the night of Alison s death but also to answer the elusive question Who exactly was her sister At seven Claire had been barely

old enough to know her a beautiful changeable provocative girl of eighteen at a turbulent moment of identity formation As Claire doggedly shadows Clive hoping to gain his trust waiting for the slip that will reveal the truth an unlikely attachment develops between them two people whose lives were forever marked by the same tragedy For readers of Emma Cline's *The Girls* and Lauren Groff's *Fates and Furies* Saint X is a flawlessly drawn and deeply moving story that culminates in an emotionally powerful ending

I'll Tell You A Secret Anne Coleman, 2010-11-05 Memory opens for me through my body I slip back because I catch a smell hear a sound or hold an evocative flavour on my tongue But these single sense glimpses of or gusts from the past are often fleeting More compelling for me more total is when my whole body the entire surface of my skin and my muscles movements connect me to my old self Especially it is the movements of summer when more of me meets the elements while I am swimming or feeling my bramble scratched legs against hot rocks Or when I am experiencing the lovely lassitude that fills me at the end of a long afternoon of sun and water as I stand slicing tomatoes for my supper while corn boils and sun falls in the window on a pile of raspberries in a bowl All my senses all are alive from *I'll Tell You a Secret* A delightful beautifully written and thoroughly engaging story of coming of age in the 1950s that focuses on Anne Coleman between the ages of fourteen and twenty one and her relationship with Mr MacLennan Canadian literary figure Hugh MacLennan which played out in the summers in the village of North Hatley Quebec a picturesque resort that has been known to attract artists and writers and the upper classes In prose that is intimate visual and resonant with immediacy Anne Coleman brings us back to summers in the 1950s revealing the eccentricities of North Hatley and its residents but most of all focusing on her special friendship with a man many years her senior Independent individualistic sensually alert as a young girl Anne Coleman did not fit the mould Later when Anne is eighteen she leads a double life one which follows the course of a romance with Frank the dark brooding European young man who has a strange hold over her and the enigmatic Mr MacLennan whose own feelings for Anne suggest themselves to her in ways that are at once confusing tantalizing and deeply important Along the way the story also offers a wonderfully evocative portrayal of the 1950s its sexual repressiveness and mores The beautiful village of North Hatley comes alive in vivid ways This is a unique coming of age story by a writer who writes sentences that cut to the bone
