Voices of Yugoslav Jewry Paul Benjamin Gordiejew,2012-02-01 Voices of Yugoslav Jewry emphasizes the role of history in shaping Yugoslav Jewish identity World War II imposed irreversible effects on this population of Jews leaving them with an acute sense of disjuncture and fragmentation This once unified Jewish community lost its secure place in the politico symbolic order of a single multiethnic state and the surviving local Jewish communities which are now a part of new states face the task of refashioning their identities once again The process of creating the new Yugoslavia has allowed for the emergence of a new Jewish collective voice one that blended harmoniously with the emerging voice of Tito This collective voice manifested itself by using language material culture and dramaturgical performances in ways that exhibited high public integration with the symbolic order of the new state In searching for the voices of individuals and listening to them closely a wide range of diverse individual experiences and ways of constructing meaningful Jewish selves can be heard It is these

voices that constitute the core of the book Through Death Into Life Everlasting Dr. Wes Ellis, ThD, 2022-06-02 In all likelihood most of us wonder about the end of life here how to be ready when it comes and what the future holds We hear all sorts of answers from many sources from wild to probable Many people believe that heaven is a place where all the good go after we die so You d better watch out you d better not cry and that heaven is everlasting and to be much preferred over the alternative hell Consider this question What seems to have been God s primary purpose for heaven One answer would be that He wants to populate it with human beings who are most like His Son Jesus Christ But how could that be accomplished My thoughts on the broad subject of death come from knowing Jesus and walking with Him for about seventy eight years I came to know Him as a child having heard His call upon my life Our conversations along the way led me to give Him my best in training my mind and heart in practical service through several open doors through marriage and family through struggles and accomplishments through many sorrows and sicknesses and through years of disability and retirement Like old Apostle John who learned so much from the Risen Lord in his long life I believe that He has laid some things upon my heart that must be shared Hence this book Here you will find insights that may correct things you ve always believed give help with understanding or learn approaches that you never considered pricks of conscience or just delightful affirmations Here are a few of the ideas you ll find here Where does it start and end The eternal now The Eternal One not three Let there be and there is but only if Creation and development When you became only a mortal God who keeps speaking Why don t you answer First death and resurrection and Second death and resurrection The sin that God can t forgive Through death into life everlasting He leads He leads and we follow Him there Heaven or hell or an alternative Sin s consequences before Abram Mansions Ritual or relationship The startling paradigm shift How the Word becomes personal Being at home in heaven What if there s a stalemate How to know for sure Here and now with me as though He is nowhere else He loves you intensely Always the victory habit and more Blessings Brother Wes **Taking Discipleship Seriously** Tom Sine, 2020-07-29 When Jesus calls us to follow him he is not looking for occasional use of our gifts he wants our lives With this bold challenge Tom Sine calls on today s Christians to recapture the total commitment of first century disciples who truly lived out their faith in answer to Christ s call Such a radical biblical view of God s kingdom has implications touching every area of a Christian s life as well as a far reaching effect on the larger mission of the church Sine urges churches to set aside self involved agendas to seek God s will in a world of exploding needs They are encouraged to become agents of change in their communities to improve the plight of needy __ persons with a hand up rather than a handout As individuals and study groups read how Christians have placed concern for God s kingdom above personal desires they will be stimulated to think deeply about their responses to Christ s invitation Follow me Scientism and Secularism J. P. Moreland, 2018-09-20 Rigid adherence to scientism as opposed to a healthy respect for science is all too prevalent in our world today Rather than leading to a deeper understanding of our universe this worldview actually undermines real science and marginalizes morality and religion In this
