Reasons Of Love

Rebecca Hall

Reasons Of Love:

The Reasons of Love Harry G. Frankfurt, 2006-01-22 The author argues that the key to a fulfilled life is to pursue what one cares about that love is the most authoritative form of caring and that the purest form of love is in a complicated way self love

1,000 Reasons I Love You Rebecca Hall, 2003 There are many lovers in the world countless grand affairs and celebrated unions And yet I cannot imagine there has ever been a love more true than ours Heart melting words like these come across beautifully in 1000 Reasons I Love You Whether used to inspire your own sweet nothings or as a romantic gift for that special someone this gorgeous keepsake delivers the words that dare not go unsaid

The Rationality of Love Hichem Naar, 2022-10-03 Love has been the subject of much fascination It is indeed one of those things which elude us in many ways The long lasting disagreement over love s nature is unsurprising In light of this a piecemeal approach to love is in order Instead of asking what love is down the line we might need to investigate its various features and its connection to other things The Rationality of Love addresses the question whether love belongs paradoxically enough to the realm of reason whether love belongs to the class of responses such as belief and action that admit of norms of justification and rationality Are there normative reasons to love someone Can it be an appropriate or fitting response to an individual Can it be rational Or is love like perceptual experiences sensations and urges the sort of thing we just have and for which we cannot be rationally criticizable Hichem Naar provides a sustained defense of the rationality of love There are reasons to love others reasons provided by the unique value of each individual This will in turn rule out popular accounts of love which deny love s rationality and vindicate those accounts that make room for it Drawing on various domains of philosophical inquiry such as the philosophy of mind the philosophy of normativity and epistemology Naar provides a careful assessment of the various positions in the debate over reasons for love and develops his own answer to the normative question about love

About Love Robert C. Solomon, 2006-01-01 For those in love for those out of love and for those looking for love this refreshing study offers an insight on the phenomenon of romantic love It explores the crucial ingredients of time and sex in contemporary relationships

New Philosophical Essays on Love and Loving Simon Cushing, 2021-09-20 New philosophical essays on love by a diverse group of international scholars Topics include contributions to the ongoing debate on whether love is arational or if there are reasons for love and if so what kind the kinds of love there may be between humans and artificial intelligences between non human animals and humans whether love can explain the difference between nationalism and patriotism whether love is an necessary component of truly seeing others and the world whether love like free will is fragile and may not survive in a deterministic world and whether or not love is actually a good thing or may instead be a force opposed to morality Key philosophers discussed include Immanuel Kant Iris Murdoch Bernard Williams Harry Frankfurt J David Velleman Niko Kolodny Thomas Hurka Bennett Helm Alfred Mele and Derk Pereboom Essays also touch on the treatment of love in literature and popular culture from Graham Greene s *The End of the Affair* to Spike Jonze s movie *her*

neighbors and others Why do we seem to love to hate each other and make enemies rather than friends not only with individuals and groups but also with other nations as well What is missing from our earthly love What has happened to love To these questions and to many more Dr Maalouf whose focus is one of gentle revolution in human development as leading critics said when describing his prolific works Is suggesting here a different way of seeing the reality of love Although it is based on psychological sociological philosophical and theological principles this adopted way conveys the message through a poetic contemplative and mystical method in the style of Meister Eckhart and St John of the Cross This is not intended to be a comprehensive study on love but a fresh awakening to the existential deeper and richer level of consciousness of the living love for the love of one another John 13 34 is not just a commodity for social arrangement but the evidence of our divine origin and destiny and the critical condition for our very survival Thus a book like this should be read meditatively the way one listens to a great symphony or perceives a masterpiece in an art museum and comprehensively for it is not just the total sum of its paragraphs as a symphony and a painting are not the total sum of their different notes and colors Then wonder of wonders one will realize that there is nothing more mysterious more magical more life changing than love It is indeed the philosophers stone that converts whatever it touches into a golden reality Then everything will start to make sense for nothing not even all the money in the world can buy the strength and the happiness of a true loving heart

Marriage and Cohabitation Alison Diduck, 2017-03-02 The law has long been interested in marriage and conjugal cohabitation and in the range of public and private obligations that accrue from intimate living This collection of classic articles explores that legal interest while at the same time locating marriage and cohabitation within a range of intimate affiliations It offers the perspectives of a number of international scholars on questions of how if at all our different ways of intimacy ought to be recognised and regulated by law

Metaphysics and God Kevin Timpe, 2009-05-07 This volume focuses on contemporary issues in the philosophy of religion through an engagement with Eleonore Stump's seminal work in the field Topics covered include the metaphysics of the divine nature the nature of love and God's relation to human happiness and the issue human agency

Law and Reflexive Politics E.A. Christodoulidis, 2013-12-01 Law is the great concealer and law is everywhere Or so claimed Marxists once upon a time Law was imbricated within the mode of production and productive relations themselves it intruded brusquely within alien categories re appearing bewigged and gowned in the form of ideology it was an arm of politics and politics was one of its arms it was an academic discipline subjected to the rigour of its own autonomous logic it contributed to the definition of the self identity of both the rulers 1 and the ruled Does the old critique of domination still hold any sway Apparently not Or so even scholars of the far Left keep reminding us in their eagerness to embrace law and proclaim their allegiance to the new constitutional politics of civil society Old Marxists now describe popular sovereignty as co original with and democracy internally linked to 2 constitutional rights and find it hard to remember what it was they once disagreed with liberals about No tension left between emancipatory politics and oppressive law instead we have

reciprocal constitution simultaneous realisation In the Left s embracing of the new constitutionalisms its old critique of law the critique of the law s concealment of class inequality class conflict and class action is left behind [DK Eyewitness Switzerland](#) DK Eyewitness,2019-03-19 Switzerland is small in size big on experience Whether you want to hit the slopes join the Swiss in their national pastime of hut to hut hiking or take a scenic railway journey of a lifetime your DK Eyewitness travel guide makes sure you experience all that Switzerland has to offer Awash with magical sights and exhilarating activities Switzerland s small size is hidden with its beguiling charms In a single day visitors can encounter breathtaking glaciers high altitude lakes and iconic mountains and still be back in time for fondue and schnapps Our newly updated guide brings Switzerland to life transporting you there like no other travel guide does with expert led insights and advice detailed information on all the must see sights inspiring photography and our trademark illustrations You ll discover our pick of Switzerland s must sees top experiences and hidden gems the best spots to eat drink shop and stay detailed maps and walks which make navigating the country easy easy to follow itineraries expert advice get ready get around and stay safe color coded chapters to every part of Switzerland from Bern to Z rich Valais to Geneva [*Alien Love: The Mysterious Connection*](#) Pasquale De Marco,2025-05-05 Alien Love The Mysterious Connection is a groundbreaking exploration of the phenomenon of love bites a type of psychic attack in which an alien being implants a false memory of a romantic relationship into the mind of a human victim Drawing on case studies scientific research and personal accounts Pasquale De Marco argues that love bites are a real and widespread phenomenon that has been largely ignored by mainstream science and psychology Love bites can have a devastating impact on the victim s life leading to relationship problems financial ruin and even suicide In this book Pasquale De Marco takes a deep dive into the world of love bites exploring the history science and personal stories behind this phenomenon Pasquale De Marco also provides a comprehensive guide to protecting yourself from love bites and healing from their effects Whether you are a skeptic or a believer Alien Love The Mysterious Connection is a fascinating and thought provoking read that will challenge your understanding of love relationships and the nature of reality Pasquale De Marco is a leading expert on the phenomenon of love bites Pasquale De Marco has written extensively on the subject and has appeared on numerous television and radio programs to discuss love bites Pasquale De Marco is also the founder of the Love Bite Support Group a non profit organization that provides support and resources to victims of love bites Alien Love The Mysterious Connection is a must read for anyone who is interested in the phenomenon of love bites Pasquale De Marco provides a comprehensive and compassionate look at this complex and often misunderstood phenomenon If you like this book write a review on google books [**The Metaphysics of Love**](#) Frederick D. Wilhelmsen,2017-07-05 The Metaphysics of Love develops the existential metaphysics of St Thomas Aquinas applying it to explore the ontological structure of the human person Published first in 1962 this book demonstrates the fertility of Thomistic metaphysics and the enduring influence of Thomism on Western philosophy It uncovers the ecstatic structure of human existence in dialogue with philosophers ranging

from Plato Aristotle and Aquinas to Kant Hegel Heidegger Tillich Zubiri and Ortega y Gasset as well as theologians and historians Romano Guardini Hilaire Belloc and Eric Voegelin Philosophical and theological examinations of love have in various ways raised the following question how can love of self eros be harmonized with love of others agape These types of love represent two drives Wilhelmsen argues that in the end must be seen as aspects of existence itself Moral and psychological problems of love turn out to be manifestations of metaphysical issues While different cultures have emphasized one of these drives or the other a healthy culture will not completely forget either Cultures differ in the way they emphasize one or the other or flee from one or the other These dimensions of human existence provide the framework for a person's love of self neighbour and God This volume is part of Transaction's Library of Conservative Thought series

Summa Theologica, Volume 2 (Part II, First Section) St Thomas Aquinas, 2013-01-01 The Summa Theologica is the best known work of Italian philosopher scholar and Dominican friar SAINT THOMAS AQUINAS 1225-1274 widely considered the Catholic Church's greatest theologian Famously consulted immediately after the Bible on religious questions at the Council of Trent Aquinas's masterpiece has been considered a summary of official Church philosophy ever since Aquinas considers approximately 10 000 questions on Church doctrine covering the roles and nature of God man and

Jesus then lays out objections to Church teachings and systematically confronts each using Biblical verses theologians and philosophers to bolster his arguments In Volume II Aquinas addresses happiness good and evil love and hatred hope and despair anger virtue sin and grace and much more This massive work of scholarship spanning five volumes addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy religious historians and serious students of Catholic thought
