Reawakening The Spirit In Work:

Reawakening the Spirit in Work Jack Hawley,1993 The key questions for today s managers and leaders writes Jack Hawley are no longer issues of task and structure but questions of spirit not religion spirit We all yearn for spiritually rooted qualities at work integrity character inspiration belief and even reverence qualities that are key factors in an enterprise s success Hawley provides a direct response to the widespread desire for spirituality at work offering a practical vision of work permeated with dharma deep integrity fusing spirit character human values and decency He shows how successful leaders or managers who are motivated by a spiritual vision liberate the best in people and explains why all leadership is spiritual He provides many examples of people actually living by their inner truth at work and shows how such people can create an improved place to work and a better life as well as a more resilient effective organization that is prepared to meet the challenges of the present and future

Reawakening The Spirit In Work Jack Hawley,2000-04-01 **Reawakening The Spirit In Work** Hawley,2007-11 The book is laden with powerful anecdotes and stories which in addition to opening wonderful vistas of thoughts brings to us memories when we were spiritual but never realized From Alexander the Great s march into the Kulu valley in North Western India to a lovey dovey incident between two small kids during a birthday party these selected incidents do help the reader to stand aside be a witness and then to merge in the nectar of Love The reader will be able to find a number of autobiographical elements in the pages of the book as the author has been successful in connecting with the deep yearnings of an individual This connection that the author develops with a reader helps the reader to engross his attention to the book

Handbook of Workplace Spirituality and Organizational Performance Giacalone,2015-05-18 An explanation of how and why the economic downturn of 2007 became the Great Recession of 2008 and 2009 It explores the root causes of the cycle of boom and bust of the economy It describes social equity in terms of its arguments and claims in political economic and social circumstances

Handbook of Workplace Spirituality and Organizational Performance Robert A. Giacalone,Carole L. Jurkiewicz,2003 A comprehensive research based interdisciplinary and action oriented approach to spirituality in organizational life It defines workplace spirituality as all aspects of the workplace that promote individual feelings of satisfaction through a sense of

connection to a larger force *The Virtuous Organization* Charles C. Manz, 2008 This book focuses on a new and emerging yet as old as recorded history organizational concern virtue Virtue has recently become a topic of serious examination among organizational researchers and progressive companies who are exploring their role in creating new more holistic healthy and humane work environments With interdisciplinary insights by many of the world's leading management thinkers the book includes conceptual treatments empirical research and actual cases concerning virtuous behavior and leadership under conditions of crises and ordinary and exemplary times Until recently scholarly research paid scant attention to virtue especially in organizations The pursuit of virtue as opposed to the bottom line remained outside the acceptable domain of practising managers faced with economic pressures and stakeholder demands Concepts such as efficiency return on investment ROI and competitive advantage were emphasized over more virtuous concerns such as caring compassion integrity and wisdom The Virtuous Organization fills this void by presenting paradigm shifting insights of leading scholars that have the potential to change the face of management thinking and practice for both this and future generations

Spirituality and Ethics in Management Laszlo Zsolnai, 2011-04-20 The book which was originally published by Kluwer in 2004 is a collection of scholarly papers focusing on the role of spirituality and ethics in renewing the contemporary management praxis The basic argument is that a more inclusive holistic and peaceful approach to management is needed if business and political leaders are to uplift the environmentally degrading and socially disintegrating world of our age The book uses diverse value perspectives Hindu Catholic Buddhist and Humanist and a variety of disciplines philosophy ethics management studies psychology and organizational sciences to extend traditional reflections on corporate purpose and focuses on a self referential organizational existential search for meaning identity and success 50 Activities for Developing Emotional Intelligence Adele B.
